THOMAS VANIN, CONTINUED

- BY MR. HODSON 22182

## 1 Transcript of Proceedings 2 (Reconvened at 1:35 p.m.) 3 COMMISSIONER MacCALLUM: Good afternoon. ALL COUNSEL: Good afternoon. 4 5 MR. HODSON: If I could ask Mr. Tom Vanin to return to the stand, please. 6 THOMAS VANIN, continued: BY MR. HODSON: 8 9 Good afternoon, Mr. Vanin. You are still under 10 oath. We'll continue on from where we left off on 11 Thursday. 12 And, if you remember, Thursday 13 just when we adjourned I had gone over your Court 14 application and your dealings with Chief Penkala, 15 as he then was, and just finished off going 16 through the Court decision that talked about your 17 application and the fact that once you returned to 18 work you were sent to, I think, platoon, is that 19 right, by Mr. Penkala, we talked about that, and 20 then you took issue with that; is that correct? 21 Yes sir. Α 22 And I just want to touch on a couple of 23 other documents here that talk about some of the

issues that -- and I think you told us, please

24

25

1		1990 and certainly early and into mid-1991, that
2		you had a number of ongoing issues and disputes
3		with Saskatoon Police administration and in
4		particular Chief Penkala; is that correct?
5	A	Yes sir.
6	Q	If we could call up 223644. And, again, this is a
7		document that was part of the RCMP file from their
8		review in 1993, and this relates to a complaint or
9		it outlines a complaint that you made September 4,
10		1990 against an Inspector Grabowski, three
11		grounds; carrying on personal business, sale of
12		golf clubs, misusing police equipment, being
13		chauffeured around, and you alleged perjury
14		against him; is that correct that you would have
15		made those allegations around that time?
16	А	Yes sir.
17	Q	And then this is actually a letter from Chief
18		Penkala, we will see this on the next page.
19	А	Can I deal with this particular document a little
20		further?
21	Q	Sure. I'll tell you what, if I could just through
22		and touch on a couple of points, then I'll ask you
23		about it; okay?
24	А	Okay.
25	Q	And so here in the letter Chief Penkala says, $\P$

'Your allegations have now been fully investigated and I am obligated to advise you that none of your accusations are realistic or substantiated to the degree that the conduct of Inspector Grabowski is in question.'

And if you could just scroll down, they talk about the two incidents here, about the golf clubs and the police ride, and then -- or use of the police car, and then on the next page it says, 'In respect to your third and very serious allegation, which accuses Inspector Grabowski of perjury, you are advised that there are no grounds for such an accusation or charge. A copy of Mr. Kenneth McKay's,' it should say, 'letter is enclosed for your more specific information.'

And just before I get you to comment, Mr. Vanin, I simply point this out, this is a letter that the RCMP had in 1993 when they were looking at the matter. And I appreciate that what you told us Thursday, there were a number of disputes between you and the police, and that you had a version of events and they had a version of events, and my purpose in raising this is not to have this Commission get into a determination of

1		who was right and who was wrong, but simply to
2		make known the fact that you had some issues
3		ongoing at the time. So do you understand my
4		purpose in asking you about it?
5	А	Yes sir.
6	Q	And so let me ask you a question and then I can
7		have you comment; would this be an accurate
8		representation of what happened to your
9		allegations at the time, in fact you made these
10		allegations, and this is how the administration or
11		Chief Penkala responded to them?
12	A	Yes sir.
13	Q	And did you take issue with the way in which
14		Mr. Penkala responded to them?
15	A	I
16	Q	Did you disagree with his response?
17	А	I don't recall what happened after that.
18	Q	Okay. Now, I'm sorry, did you earlier want to
19		make some comment about this letter?
20	A	Yes. If you can back up to the first?
21	Q	Sure.
22	А	At that time I wasn't the only one that was having
23		problems with Penkala, the police association was
24		having a lot of problems with him. Jim Cox was
25		the president of the association, and in respect
		Meyer CompuCourt Reporting

1		to the first two charges against Grabowski, it was
2		at the urging of Cox that I filed those
3		complaints. In respect to the perjury one, Mr.
4		Allbright was acting for me and we, when he heard
5		Grabowski's evidence it was his opinion that
6		Grabowski perjured himself and he suggested to me
7		that I file a complaint against Grabowski.
8	Q	And was Mr. Allbright your lawyer at the time?
9	A	He was, sir.
10	Q	And was this incident with Inspector Grabowski
11		part of your dis was it him giving evidence at
12		your disciplinary hearing where you had concerns
13		about what he said? In other words, the evidence
14		given under oath at a police hearing, was it in
15		fact a police hearing dealing with your
16		disciplinary matters?
17	A	Mr. Allbright certainly had concerns about his
18		evidence, about Grabowski's evidence.
19	Q	No. My question is, Mr. Vanin, that the sworn
20		evidence that Inspector Grabowski gave that you
21		had concerns about, it's my understanding that it
22		was evidence that he gave in the course of your
23		disciplinary hearing, in other words a matter
24		relating to you; is that right?
25	A	Yes sir.

1	Q	Yeah. And so it was evidence he gave against you,
2		if I can call it that, at your disciplinary
3		hearing; is that fair?
4	A	Yes, yes.
5	Q	And that's what you took issue with? And I
6		apologize, and you indicated what your lawyer said
7		to you at the time, but that's it was at your
8		hearing; is that right?
9	A	It was at my hearing, at the urge, and at the
10		urging of Mr. Allbright that I filed this
11		complaint against Grabowski.
12	Q	Okay. And then next if we can just this is a
13		reference to was there anything else about this
14		document?
15	A	No, sir.
16	Q	If we can call up 223646. And in Chief Penkala's
17		letter he referred to a letter from Ken MacKay,
18		who was with Saskatchewan Justice, and this is a
19		letter that was attached to the letter from Chief
20		Penkala to you, and it goes on to explain his view
21		that and it goes on to talk about Grabowski's
22		answers, if they could be construed as being
23		false, and they cannot, could not have realized
24		they were false. And then if we go to the next
25		page, and concludes, had no intent to mislead the
		Meyer CompuCourt Reporting —————

1		inquiry, there is no basis for a charge against
2		Inspector Grabowski.
3		So I take it from that, sir,
4		that your complaint against Inspector Grabowski
5		was effectively dismissed by Chief Penkala with
6		assistance from Ken MacKay; is that correct?
7	А	Yes sir.
8	Q	So we're done with that document. So just by way
9		of timing, I think what the documents reflect
10		then, the I think your original accident was
11		1986, is that right, your automobile accident?
12	A	That's correct. I had two automobile accidents in
13		1986.
14	Q	Okay. And were both influences in your inability
15		to return to work?
16	A	The combination of the both accidents was.
17	Q	Yeah.
18	A	But from the first accident I was off duty and I
19		did not miss any work, however the second accident
20		was a high-speed chase in which I suffered
21		substantial injuries.
22	Q	And we touched on last Thursday, then, that there
23		would have been a lengthy time period where you
24		were recuperating, and you talked a bit about the
25		fact that there was a disagreement between you and
		1

1 the administration, and in particular Chief 2 Penkala, about whether or not you were able to 3 return to work; is that right? 4 Α That's correct. 5 Q And then from there a number of other skirmishes 6 developed, or issues arose, where you took issue with things administration had done either regarding you or regarding other officers; is that 8 fair? 10 Α I, if I did, I'm not aware of any other --11 No, I -- I'm sorry, Mr. Vanin, maybe I can be a 12 little clearer. I think, when we went through the 13 Court application and the decision of Madam 14 Justice Wedge on Thursday, I think you told us 15 that as a result of your inability to return to 16 work you got into a dispute with administration 17 about whether you could return to work and, if so, 18 what duties you could perform, and we talked about 19 the fact, when you came back, that Chief Penkala, 20 I think you said, demoted you to patrol; do you 21 recall telling us that? 22 Yes. The issue was not returning to work, it was 23 the assignment that was a concern of mine, and 24 what he did, it wasn't a demotion, it was a 25 lateral transfer, and he transferred me to a

1		supervisor in the patrol division, which is one of
2		the things that the specialist highly suggested
3		that not happen to me because of the danger of
4		re-injuring myself.
5	Q	And as well we touched on, Thursday, there was a
6		letter that talked about issues between you and
7		Mr. Wilton and then, today, the issues with
8		Inspector Grabowski. So that's what I'm talking
9		about, there was a set of issues between you and
10		administration that would have been in the
11		1990-1991 time period, is that fair?
12	А	They might have even gone prior to that.
13	Q	And perhaps a bit prior, '89-'90, certainly they
14		were alive in April of 1991 when you filed your
15		application with The Court; is that right?
16	А	I believe so, sir, I
17	Q	And
18	А	I don't recall, it was so long ago and so much has
19		happened that
20	Q	No, and I appreciate that, Mr. Vanin. That's why
21		I called up, on Thursday, the actual documents
22		that set out the dates when you brought the
23		applications and the Court dealt with it.
24		Prior to your accident in 1986,
25		and prior to the subsequent events where you got
		1

1 into disputes with administration, did you have any problems, prior to the accident, any issues 2 3 with administration at Saskatoon City Police? 4 Absolutely none. Α 5 And so --Q I was promoted way ahead of my time, I wrote all 6 Α my promotional exams, I received the highest marks of all the exams I wrote and was often promoted 8 9 way ahead of senior people. 10 0 And so late '80s, early '90s when the documents 11 show issues arose, that would be the first time 12 that you started to have serious issues with 13 administration about their dealings with you; is that fair? 14 15 Yes, sir. Α 16 Now, I want to go back, on Thursday you told us Q 17 that -- we went through in detail who you may have 18 provided information to and what you told us on 19 Thursday is that at some point you decided to go 20 outside the Saskatoon City Police Service and 21 provide information relating to the David Milgaard 22 case to third parties and what you told us is that 23 you talked to David Asper, to Hersh Wolch, Paul 24 Henderson, David Roberts with The Globe and Mail, 25 I think Timothy Appleby and Greg Rodin, a lawyer.

1		Do you remember telling us that, that those were
2		people that you would have talked to about the
3		case?
4	А	Yes, sir.
5	Q	And as well you told us that the information you
6		would have provided certainly to Mr. Wolch, Mr.
7		Asper, Mr. Rodin and Mr. Henderson that would have
8		been confidential in the sense that it was
9		information that you knew, I think you've told us
10		that you knew the Saskatoon City Police Service
11		would be of the view that it should not be shared
12		outside the police service. Do you recall telling
13		us that?
14	Α	Yes, sir.
15	Q	And I want to get into that and have you walk
16		through and tell us as best as you can recall what
17		it was that you told these people, and if you
18		like, we can start with Mr. Asper and have you
19		tell us, to the best of your recollection, what
20		type of information did you tell him and then
21		we'll try and work on some dates to put it in
22		sequence.
23	А	Can you ask that in the form of a question?
24	Q	Yes, I can. Can you tell us, sir, what
25		information did you provide to David Asper about
		<b>1</b>

1		the David Milgaard investigation, case and/or the
2		Gail Miller murder case?
3	A	The first thing I recall Mr. Asper asking me is if
4		I knew Larry Fisher. I told him I didn't and he
5		requested that I try and find out some information
6		in respect to Larry Fisher and I talked to many
7		senior members of the department and no one seemed
8		to have ever heard of that name. I was also asked
9		who went to Winnipeg to interview Fisher.
10	Q	Was that by David Asper?
11	А	I'm not sure, sir. I believe it was.
12	Q	Okay. Carry on.
13	А	And I didn't know. I phoned my good friend Eddie
14		Karst and asked him and he said he didn't know
15		anything about it and approximately about two
16		weeks later Eddie phoned me back and said, Tom,
17		I'm sorry, I forgot all about it, he says I'm the
18		one that went to Winnipeg with Nordstrom and he
19		says I just I'm not lying to you, he says I
20		just forgot, plain forgot about it.
21	Q	Okay.
22	А	And I accepted that.
23	Q	And what else did you discuss with Mr. Karst about
24		that?
25	А	At that time, that's the only thing that we
		4

		1 ago 22 10 1
1		discussed.
2	Q	Did you have any discussion with him, did he say
3		anything about a statement from Larry Fisher?
4	A	No, sir, and I never asked him about a statement.
5	Q	And did you pass that
6	A	As a matter of fact, I don't think we even
7		discussed Fisher. All we discussed is who went to
8		Winnipeg.
9	Q	For what purpose though?
10	A	Well, I don't know what the purpose, you would
11		have to ask Mr. Asper.
12	Q	So let me back up. He said would you go and ask
13		police officers who went to Winnipeg?
14	А	Yes.
15	Q	But to Winnipeg when and for what?
16	A	He might have asked, you know, what was the reason
17		of them going to Winnipeg or who went to Winnipeg
18		to interview Fisher. I don't recall that, though,
19		sir.
20	Q	Okay. And so you would have provided that
21		information back to Mr. Asper?
22	A	Yes, sir.
23	Q	And do you recall anything Mr. Asper would have
24		said when you provided him with that information?
25	A	He just asked me to keep working on this and try
		Mayor CompuCaurt Paparting

	il	
1		and get as much information or any information
2		that I could in respect to Mr. Fisher.
3	Q	And what else did you provide to Mr. Asper then or
4		what else did he ask you to do?
5	Α	Well, I started looking for information, any
6		documents that the police department would have
7		had in respect to Larry Fisher and asked the girls
8		in Central Records and we couldn't come up with
9		anything, they couldn't find absolutely nothing,
10		and this went on for a considerable length of
11		time, I would think maybe two or three weeks or
12		maybe four weeks, and I would ask different girls
13		in Central Records and I asked them, I says can
14		you please think, you know, could they be
15		somewhere else, maybe they're not where they
16		should be, but is there another section of files
17		where they could be.
18	Q	And at the time you were doing this, what was your
19		understanding, sir, of why Larry Fisher was
20		important?
21	А	Well, what I understood from Mr. Asper is that
22		that was their main suspect in the murder of Gail
23		Miller.
24	Q	And what knowledge if any did you have about
25		previous criminal conduct of Larry Fisher or

1		previous convictions?
2	А	Absolutely none, never even heard of the man
3		before, before Asper brought it to my attention.
4		Either Asper or I read it in the newspaper. I
5		read one statement in here that the RCMP took and
6		they asked me where did I first hear of Larry
7		Fisher and I said in the newspaper and maybe I did
8		read it first in the newspaper and then shortly
9		after that Asper contacted me, but I wouldn't lie
10		to the RCMP and I didn't lie to them and if I had
11		heard it first from Asper and not read it in the
12		newspaper, I would have just told the RCMP I'm
13		refusing to answer that question.
14	Q	And so is it your memory today, sir, that you
15		think you heard Larry Fisher's name first from
16		David Asper?
17	A	That's what comes to mind, but yet there's a
18		document here that suggests something different.
19	Q	Okay, and we'll touch on that a bit later. So if
20		we so Mr. Asper tells you about Larry Fisher.
21		What does he tell you about Larry Fisher? I think
22		you said that he was a suspect, or their number 1
23		suspect; is that right?
24	A	Yes.
25	Q	And why would you expect to find anything in the
		Moyor CompuCourt Poporting

1		police records about Larry Fisher?
2	A	Well, apparently he had pled guilty to several of
3		the rape files we had.
4	Q	Okay. And where did you get that information
5		from?
6	A	From Mr. Asper.
7	Q	And so was that what you were looking for in the
8		police files?
9	A	Yes. He also supplied me of the names of the
10		victims
11	Q	Okay.
12	A	of the rapes and I was looking for any
13		documents on Larry Fisher and the victims and we
14		couldn't find any files whatsoever, or I should
15		say the people that worked in Central Records
16		couldn't find anything.
17	Q	So just so that I have this straight, please
18		correct me if I'm wrong, Mr. Asper would have said
19		okay, will you please go to Central Records and
20		see if you can find any police files that relate
21		to the rape convictions of Larry Fisher back in
22		1968 to 1970? Does that time frame sound right?
23	A	I'm not certain about the time frame, but he
24		didn't ask me could you go to Central Records, he
25		just asked me could you find out information. He

	——————————————————————————————————————
	didn't direct me to go any specific place.
Q	Okay. So he wanted to know any information the
	police had about those files?
А	Or that I could find out.
Q	Yeah. And what would you have done if you would
	have and I think you said you didn't find any
	files; is that right?
А	That's correct.
Q	What would you have done if you would have found
	files, would you have given them to Mr. Asper?
А	Yes, but eventually we did. I kept this up for,
	like I said, maybe three weeks or four weeks and
	one night a young lady in Central Records, she
	came across two documents with Larry Fisher's name
	on it.
Q	Okay. Can you tell us what the documents said and
	what you did with them?
А	One document was an index card and it had Larry
	Fisher and it had about five or six numbers beside
	it similar to what we would see here and I took
	that to mean occurrence numbers that were
	associated to Fisher.
Q	Okay.
А	The other document was one page of an
	investigation report of a rape and I don't know
	A Q A A Q

		3
1		who the victim was, I don't recall who the victim
2		was, but Larry Fisher's name appeared on that one
3		sheet of paper.
4	Q	Okay.
5	А	So I knew then we were onto something and I
6		immediately called Asper back and told him, bingo,
7		we've got something here, something is wrong,
8		something is wrong in this department.
9	Q	And why is that?
10	А	Well, the files are missing, but, you know, after
11		searching and searching we find two pieces of
12		paper.
13	Q	Okay. Let's just go back again. Do you recall
14		the names of any of the clerks that you would have
15		talked to in Central Records?
16	А	No, sir. I didn't I wasn't familiar with them
17		and it was apparently in their union the lowest
18		paid job and the staff circulated through there
19		frequently.
20	Q	And so did you yourself go into Central Records
21		and look for documents?
22	А	Absolutely not, sir.
23	Q	So you would go to whoever was there and say can
24		you tell us what you would have basically or
25		generally what would you have told them to look

		1 age 22200
1		for?
2	A	Outside the major crime office is a door and a
3		hallway and across from the hallway is a counter
4		that's about four and a half feet high, there's no
5		door, you walk up to this counter, one of the
6		young ladies would come over and you would ask her
7		for whatever you needed and she would get you the
8		file or the documents or run a check or a CPIC
9		check or whatever you needed.
10	Q	Okay. And so tell us, though, what it is that you
11		asked the clerks to look for?
12	A	Anything pertaining to Larry Fisher, any criminal
13		record, any files associated to him, anything that
14		he could come up as an associate or as a witness
15		or
16	Q	Okay. And
17	A	I don't know how their filing system worked, I had
18		no idea how it worked.
19	Q	No, and I appreciate that, I want to know what
20		information you gave them. Did you give them the
21		names of any of the victims to search?
22	А	I believe I did.
23	Q	Okay. And why do you say that?
24	А	Well, because
25	Q	Let me rephrase that. You say you believe you

1		did. Is there some doubt that you may not have?
2	A	No, I'm reasonably certain that I asked them for
3		files pertaining to those particular victims, but
4		I'm not absolutely certain. It's a long time ago,
5		sir.
6	Q	No, and that was just the point I was trying to
7		make, Mr. Vanin, to try and find out again the
8		best of your recollection. So the first time you
9		went you think you would have certainly would
10		it be fair to say that every time you went back
11		you would have used the name Larry Fisher for sure
12		to search?
13	А	Absolutely, plus the names of the victims.
14	Q	Plus the names of the victims?
15	А	I'm reasonably certain I would have asked for a
16		search on all of them.
17	Q	Okay. And then how many times did you go and ask
18		for that search?
19	А	To the best of my recollection, this took place
20		maybe over a period of three or four weeks. I
21		didn't want to draw attention to myself and I
22		would make sure it was different staff that were
23		on duty, I never asked the same girl, and like I
24		said, several weeks later two pieces of paper
25		showed up with Fisher's name on it.

## Page 22202

		Page 22202
1	Q	And so at least a couple of times where nothing
2		came back; is that correct?
3	А	More than a couple of times.
4	Q	And so then at the time you then got these two
5		pieces of paper, did you actually see, physically
6		see the index card yourself?
7	A	Yes, sir.
8	Q	And did the clerk provide that to you?
9	A	Yes, she did.
10	Q	And what did you do with it?
11	A	I would have asked her for a photocopy of it.
12	Q	And did you obtain a photocopy of it?
13	А	I don't know, but I just can't see myself walking
14		out of there without having a photocopy. I would
15		have never taken the original or a copy of that
16		investigation report, but I don't think I would
17		have left without having had them make me a
18		photocopy of those two pieces of paper.
19	Q	And so the one, just so that I have this clear,
20		one was an index card, and would it be about what,
21		a four by six inch index card; is that what we're
22		talking about?
23	А	Yes, sir.
24	Q	And that had Larry Fisher's name and I think you
25		said five or six file numbers; is that right?
		4

		1 age 22200
1	A	I believed them to be file numbers.
2	Q	And you would be familiar with occurrence reports
3		and how each incident and each occurrence is filed
4		with a separate file number, that's something you
5		knew as an officer?
6	А	Yes, sir.
7	Q	And when you looked at the card, did you conclude
8		that these were file numbers that related to Larry
9		Fisher?
10	А	No, I just was satisfied that we finally had
11		something, and again, I didn't want to draw any
12		undue attention to myself.
13	Q	But what did you think the numbers on the card
14		were about?
15	А	I think they were occurrence numbers that Larry
16		Fisher was associated to, and I'm only guessing,
17		but I'm assuming that they were the occurrence
18		numbers related to the rapes.
19	Q	Did you ask the clerk to go search for the files
20		for those occurrence numbers on the index card?
21	A	I don't recall, sir. I recall asking them about
22		the names of the victims.
23	Q	Okay. And so and you think you would have got
24		a photocopy of the index card; is that right?
25	A	Yes.
	Ĩ	

1	Q	And then the second piece of paper was a part of
2		an investigation or an occurrence report; is that
3		right?
4	А	It wasn't an occurrence report, it was one page of
5		an investigation report.
6	Q	And I think you said that Larry Fisher's name was
7		on it; is that right?
8	А	That's correct.
9	Q	Okay. And do you know if it related to a rape or
10		was it possibly related to the Gail Miller file?
11	A	To the best of my recollection, it was related to
12		a rape, not to the Gail Miller file.
13	Q	Okay. And do you have any recollection of what
14		rape or what was on the file that might have
15		identified that for you?
16	A	No, sir.
17	Q	I think you told us you believe that you would
18		have got copies of this; is that right?
19	А	Yes.
20	Q	And what did you do with those copies?
21	А	I showed them to Mr. Henderson. Mr. Asper was
22		supposed to come to Saskatoon, but he couldn't
23		make it and he phoned me and asked me, that
24		Henderson was a private investigator with him and
25		I would still have the lawyer/client privileges
	1	

		. ago <u></u>
1		with him and I would have showed those to Mr.
2		Henderson.
3	Q	Okay. Did you ever send a copy of them to Mr.
4		Asper?
5	А	No, sir. I never I never sent anything written
6		or by mail. All of our dealings were over the
7		phone.
8	Q	Okay. And so did you show these two pieces of
9		paper to Mr. Henderson?
10	А	I believe I did.
11	Q	And then what did you do
12	А	I want to correct myself
13	Q	Sure.
14	А	about sending documents. I only sent one
15		document, it was a letter to Mr. Rodin later on.
16	Q	Yeah, and I'll go over that with you.
17	A	Okay. I just
18	Q	So again, would you have told Mr. Asper then what
19		you found, these two pieces of paper, would you
20		have called him and said, reported back on what
21		you found pursuant to his request?
22	A	Certainly.
23	Q	And I think your words were when you found that
24		you said you, I think your words were you knew you
25		were onto something?

1	A	Yeah.
2	Q	What did you mean by that?
3	A	Meaning that there actually was a Larry Fisher
4		that was very active in Saskatoon at one time and
5		when I made inquiries nobody had ever heard of him
6		and yet he had pled guilty to these rapes, but
7		then I found out that somehow the charges were all
8		transferred to Regina and how rapes could have
9		happened in Saskatoon and charges were laid in
10		Saskatoon, but yet he pleads guilty to them in
11		Regina. Till this day I still don't know how that
12		happened.
13	Q	And where did you learn of that from, who from?
14	A	Oh, probably from Asper.
15	Q	And so he would have told you then that Larry
16		Fisher pled guilty to the charges in Regina; is
17		that right?
18	А	I think so, yes.
19	Q	And did that strike you as being unusual?
20	A	Yes, and when it became public it became unusual
21		to everybody.
22	Q	And why did you find it to be unusual?
23	A	You commit an offence in this jurisdiction, it's
24		usually dealt in this jurisdiction. I know there
25		are sometimes exceptions, but that's very rarely.
		<b>3</b> °

1	Q	We've heard some evidence from others, officers
2		and others that from time to time an accused, when
3		pleading guilty, would have charges waived out to
4		another jurisdiction or another city. Did you in
5		your career as a police officer, did that ever
6		happen on files that you were working on or did
7		you see that happen?
8	А	Oh, I'm sure I did.
9	Q	Okay. And again is that something different than
10		what you thought had taken place with Larry
11		Fisher?
12	Α	Yes, because apparently he was transported from
13		he was in custody and transported from Prince
14		Albert all the way down to Regina to plead guilty
15		to these charges.
16	Q	And so that is something that in your mind was
17		suspicious; is that correct?
18	А	Yes, and I don't know if that's correct, whether
19		he was in Prince Albert and transferred, this is
20		what I had heard.
21	Q	Okay. Other than information from David Asper,
22		did you find out any information from any other
23		source about the circumstances under which Larry
24		Fisher pled guilty to his charges in Regina?
25	A	No, I didn't, and I really wasn't that concerned
		1

1		because I turned over what I had to Asper, he had
2		a whole Mr. Wolch was an excellent law firm and
3		they had a number of private investigators and it
4		was just something that was, I wasn't going to
5		work on, I had my own work to do, and I did my job
6		as far as I'm concerned.
7	Q	When you found these two pieces of paper on Mr.
8		Fisher, did you ever go back to Central Records
9		and make any further requests?
10	A	Not that I recall.
11	Q	Did you ever come to the conclusion in your mind,
12		or did you when you found these documents, or make
13		inquiries as to where the original police
14		investigation files were?
15	A	Did I ever come to any conclusion?
16	Q	Yes. Let me back up. I take it, sir, when you
17		were looking in Central Records, what you were
18		looking for in part was the original police
19		investigation files relating to the four rapes and
20		one attempted three rapes and one attempted
21		rape that Larry Fisher pled guilty to; is that
22		correct?
23	А	Yes, sir.
24	Q	And I take it, sir, you didn't find them in the
25		records?

		——————————————————————————————————————
1	А	That's correct, sir.
2	Q	And did you what did you conclude from that, if
3		anything?
4	A	I concluded there must be something wrong here.
5	Q	And why is that?
6	A	The files weren't where they should be, and if
7		they were signed out to somebody, there should
8		be there's a sign-out sheet where these files
9		go.
10	Q	Did you ever, ever verify let me just back up,
11		and again, are you able to tell us, and I'll show
12		you some documents a bit later, the time frame
13		when you would have been making these requests,
14		what year it would have been in?
15	A	I don't remember, sir.
16	Q	I will show you some newspaper articles, and do
17		you recall there being an issue, a public issue
18		about the missing files and the Saskatchewan
19		Police Commission undertaking an investigation
20		when it came to light that the files were missing,
21		do you remember that happening?
22	A	Yes, sir.
23	Q	And I think that would have been in the fall of
24		'91, and I'll show you some documents on this a
25		bit later. The time frame when you were making
	Ï	

1		the inquiries, would it be in the time period
2		prior to that or in and around that time, is that
3		possible?
4	А	It would have been before that.
5	Q	Yeah.
6	А	I think because of my information to Mr. Asper,
7		which eventually went to the news media, that I
8		was told that they had a number of inspectors
9		working after midnight looking for these files.
10	Q	And who told you that?
11	А	I don't know who told me that.
12	Q	Okay.
13	А	And I understand that when they did do this
14		search, they did find one complete file.
15	Q	Okay. Is it possible, and again
16	А	And I may be wrong on that, but that's just my
17		understanding.
18	Q	that it was your information to Mr. Asper, and
19		did you also provide this information or some of
20		it to David Roberts with The Globe and Mail?
21	А	If I did, it would have been just general
22		information.
23	Q	And is it possible, Mr. Vanin, or to your
24		knowledge is it this information that may have
25		caused the Police Commission caused the
	I	

1		newspaper article which in turn caused the Police
2		Commission to commence the investigation, is it
3		your understanding that what you found in records
4		conveyed to Mr. Asper was the genesis or the start
5		of the Police Commission's investigation? Are you
6		able to tell us?
7	А	Yes, sir.
8	Q	And do you believe that it was your information
9		that sparked that; is that correct?
10	A	Yes, sir.
11	Q	So did you ever so let's assume that it's
12		around 1991, in the summer of '91, it was I think
13		September 12th, 1991 that the Police Commission
14		started the investigation. Did you ever, during
15		that time frame, make any determination that those
16		files had in fact existed within the year prior,
17		for example?
18	A	No, sir.
19	Q	And so when you found that they were missing, were
20		you able to say whether they had been there, maybe
21		had been destroyed, for example, 10 years ago or
22		20 years ago or two years ago, were you able to
23		make any determination as to when the files would
24		have gone missing?
25	A	I had a conversation with Dave Roberts and we were
	I	

1		talking about the files missing and according to
2		Roberts he interviewed Gus Weir and Gus Weir told
3		Roberts that he was looking for those files more
4		than two years ago and even at that time they were
5		missing and Mr. Roberts relayed this information
6		back to me.
7	Q	Okay. In fact, I think Mr. Weir testified before
8		this Commission that in the mid or late '70s he
9		looked for the files and they were gone?
10	A	I'm not aware of that.
11	Q	Okay. So put it this way, Mr. Vanin, there was
12		nothing is it fair to say there was nothing
13		that you saw or heard in 1991 when you were
14		looking for the Larry Fisher files that suggested
15		they had just vanished or just gone missing?
16	A	No. It appeared to me that they had been missing
17		for a considerable length of time.
18	Q	Okay. And would you have conveyed that
19		information to David Asper?
20	A	Certainly.
21	Q	Would you have conveyed that information to David
22		Roberts?
23	А	I probably did.
24	Q	The document, or the copy that you have, or those
25		two pieces of paper you got from Central Records,

1		I had asked you prior to testifying to see if you
2		could locate them and I understand, sir, that you
3		don't have them or can't locate them; is that
4		fair?
5	А	That's correct.
6	Q	And just on the file card
7	А	If I can just
8	Q	Sure.
9	А	state, I would have never given them to Mr.
10		Asper or Henderson or Mr. Roberts, I would have
11		I know I let Mr. Henderson look at those documents
12		and I must have destroyed those two documents.
13	Q	Okay. Now, do you know what happened I think
14		you said that the clerk showed you the file card
15		with Larry Fisher's name and the file numbers on
16		it; is that right?
17	А	Yes, sir.
18	Q	And what would you have done with it once you were
19		done with it, did it go back to her?
20	А	Yes.
21		COMMISSIONER MacCALLUM: What was that that
22		went back to her?
23		MR. HODSON: The file card.
24	A	The index card.
25		COMMISSIONER MacCALLUM: What did you mean

1 when you say you must have destroyed the two 2 documents? 3 I had them make photocopies of the two documents. Α COMMISSIONER MacCALLUM: 4 All right. 5 that's the photocopies you destroyed? 6 Α Yes, sir. COMMISSIONER MacCALLUM: Thanks. 8 BY MR. HODSON: 9 Now, the file index card, what happened to that, Q 10 when was the last time you saw the original index 11 card? 12 Α The first time I saw it. I just simply returned 13 it to the Central Records staff. 14 In this -- in the work of the Police Q 15 Commission, and certainly with the documents that 16 we have been presented before this Commission of 17 Inquiry, Mr. Vanin, we have heard evidence that 18 police practice, and this is certainly in the 19 Police Commission report, and I'll show you parts 20 of this a bit later, that the practice was once a 21 person was convicted of an offence, that his name 22 would go on an index card with a cross-reference 23 to the file numbers and that there should have 24 been in the system a card with Larry Fisher's name 25 and the occurrence numbers on it. When the Police

	1	
1		Commission did their investigation in the late
2		1991 time period, they could not find an index
3		card with Larry Fisher's name, and I don't believe
4		in the 350,000 pages of documents this Commission
5		has, we have never seen a copy of that index card,
6		and I'm wondering, sir, if you have any knowledge
7		or explanation as to where that card may be?
8	А	Absolutely none, sir. I was shown the card, I
9		probably asked for a photocopy of it and it was
10		returned to the Central Records staff and that's
11		the last I saw of the actual card.
12	Q	Okay. Did you I think you mentioned earlier
13		that you heard at some point that the Police
14		Commission ended up finding one of the files; is
15		that right?
16	A	That's what I heard, yes.
17	Q	And do you remember where you heard that from?
18	A	Oh, somewhere in the police station. I have no
19		idea who I heard it from. Maybe even read it in
20		the paper.
21	Q	So let's just go back to your communications with
22		Mr. Asper. So then after you conveyed this
23		information about the index card and the one page
24		investigation report, what further information, if
25		any then, did you provide to Mr. Asper?
		4

		——————————————————————————————————————
1	A	It was either to Mr. Asper or to Mr. Rodin. I had
2		received information that they were electronically
3		listening to David Milgaard's and Mr. Tallis'
4		conversations.
5	Q	Okay. And where and when did you hear that?
6	A	I don't know when I heard it, but I heard it from
7		Rusty Chartier.
8	Q	Rusty Chartier?
9	А	Yes.
10	Q	And was he on the force at the time that he told
11		you this?
12	А	I'm not certain if he was still on or retired, but
13		he went on to say that he wasn't involved, he was
14		just a technician and he was just, he did what he
15		was told and there was tapes made and the tapes
16		should still be around the police station
17		someplace.
18	Q	And those would be conversations between David
19		Milgaard and Mr. Tallis at what time, at what
20		point?
21	А	I'm assuming that that's shortly after Mr.
22		Milgaard was arrested and transported to
23		Saskatoon.
24	Q	And
25	А	But that's only an assumption on my part.
	I	

1	Q	And where was it, did Mr. Chartier tell you where
2		it was that they listened in on these
3		conversations, what building or what room?
4	A	No, and I didn't ask. I was surprised, and as
5		long as he kept talking I kept listening, and I
6		never said any more and
7	Q	How did this conversation happen between you and
8		Mr. Chartier, how did the subject come up?
9	А	Oh, I'm sure somewhere along the line I brought up
10		the Milgaard file and was just generally asking
11		questions, you know, as to what evidence they had,
12		you know, that pointed to his guilt.
13	Q	And would be part of and if I'm using the wrong
14		words please tell me would this be part of the
15		'work', if I can call it that, that you were doing
16		to try and assist Mr. Asper or Mr. Rodin or on
17		behalf of Mr. Milgaard?
18	А	Right. As I stated the other day, I started
19		making inquiries on my own in 1970, you know, as
20		to what evidence they had, and I at that time I
21		was in patrol, I wanted to work in detectives, I
22		wanted to work in homicide, and I was curious to
23		know how they pinned this down to Mr. Milgaard,
24		and
25	Q	When you had your discussion with Mr. Chartier was

1		it your intent, when you started the discussion,
2		to try and gather information for the purpose of
3		providing the information to either Greg Rodin or
4		David Asper?
5	A	Well, it depends on what they volunteered. If I
6		thought it was useful to either one of them I
7		would have passed it on.
8	Q	But then I guess that's my question; were you
9		at were you at at do you know what time
10		frame this was?
11	A	I have no idea, sir.
12	Q	Okay. And would it be it would be after, after
13		you went looking for the Fisher documents?
14	A	I don't know, sir.
15	Q	And, after you got this information from
16		Mr. Chartier, did you then immediately phone
17		either Mr. Asper or Mr. Rodin; who first?
18	A	I'm certain I did.
19	Q	And so certainly it was at a time where you had
20		already had contact with either Mr. Asper or
21		Mr. Rodin; is that fair?
22	A	That's fair.
23	Q	And I'm, what I am trying to understand Mr. Vanin,
24		were you let me go back. After you had
25		initially talked to Mr. Asper did you did he

1		ask you to go out and be his eyes and ears in the
2		police force and go gather information, or what,
3		if anything, did he ask you to do?
4	А	Just to obtain any information that could assist
5		him in proving that Mr. Milgaard was innocent.
6	Q	Okay. So then, when you went and had the
7		discussion with Mr. Chartier, what I am trying to
8		understand; would it have been part of your
9		efforts, at Mr. Asper's request or Mr. Rodin's
10		request, to gather information for David Milgaard?
11	A	This information, Mr. Chartier just volunteered it
12		to me.
13	Q	No, I appreciate that. What I am trying to
14		understand, Mr. Vanin, is whether you were
15		actively going out to beat the bushes and try and
16		ask people to get information, with the view that
17		if it was helpful to David Milgaard or not, you
18		would then provide it to Mr. Asper or Mr. Rodin;
19		that that's what you were doing, is that fair?
20	A	Yes sir.
21	Q	Okay. And that, in the course of that work that
22		you were doing, you learned information that
23		Mr. Chartier that he volunteered to you?
24	A	Yes.
25	Q	And I think you said, and please correct me if I'm

1		wrong, that you thought it would have come about
2		when you asked him about what evidence they had
3		against David Milgaard or something like that;
4		that's what would have prompted him to provide
5		this information to you?
6	A	Probably.
7	Q	And do you recall what and I think you said you
8		either gave it to Mr. Asper or Mr. Rodin; is that
9		right?
10	А	Yes sir.
11	Q	Do you recall their reaction when you told them
12		about what Mr. Chartier had told you?
13	А	I believe I passed that information on to
14		Mr. Rodin and he said that he would arrange a
15		flight and come down to Saskatoon to see me.
16	Q	And did that happen?
17	А	Yes.
18	Q	And what happened at the meeting with him?
19	А	We discussed, we discussed the information that I
20		had.
21	Q	And did he ask you to do anything further in
22		connection with Mr. Chartier or this information?
23	А	Not with Mr. Chartier, but the he asked me
24		that if it was possible for me to arrange to go
25		and interview Larry Fisher.
	•	

		——————————————————————————————————————
1	Q	Okay. And where was Larry Fisher at that time; do
2		you know?
3	A	I understood that he was incarcerated someplace in
4		the Surrey, B.C. area.
5	Q	Okay. We know from other records that Mr. Fisher
6		was in prison until 1994, I believe around April,
7		and then he was out of jail until 1997. So would
8		it be fair to say that this discussion with
9		Mr. Rodin would have taken place before mid-1994?
10	A	Certainly.
11	Q	Sorry?
12	A	Certainly.
13	Q	Yeah.
14		COMMISSIONER MacCALLUM: Sorry?
15	А	Yeah?
16		COMMISSIONER MacCALLUM: Did you say that
17		he asked you to interview Fisher?
18	A	Yes.
19		COMMISSIONER MacCALLUM: Or he asked you to
20		arrange for an interview by himself with Fisher?
21	A	No, sir, he asked me if I could make arrangements
22		to interview Fisher.
23		COMMISSIONER MacCALLUM: Okay.
24		BY MR. HODSON:
25	Q	And so what did you do to follow up on that $lacktriangle$
	ii	

		5
1		request?
2	A	I approached the chief of police at that time, who
3		was Maguire, and I asked him if I could interview
4		Fisher, and he totally declined it, he
5	Q	And what did you tell him were your reasons for
6		wanting to interview Fisher?
7	A	That it was my belief that Mr. Milgaard was
8		innocent.
9	Q	Okay. Would this be at a time when David Milgaard
10		was out of jail? Was this after his Supreme Court
11		hearing in 1992?
12	A	I'm not certain, sir.
13	Q	And what would you have told Chief Maguire then?
14	A	I would have told him that it's my belief that
15		Milgaard is innocent and that Larry Fisher is the
16		responsible party, and I would like to I had
17		very good success in getting statements from
18		accused persons and I thought it would be only
19		proper for somebody from this department to
20		interview Fisher, and he totally declined it. And
21		he says, as far as he was concerned, the Milgaard
22		matter is over and finished with and Milgaard is
23		guilty and over and done with, and I wasn't goin'
24		anywhere.
25	Q	Okay. And those were the words that Chief Maguire

		r age 22220
1		would have used?
2	A	Words to that effect.
3	Q	Okay. And then would you have reported that back
4		to Mr. Rodin?
5	A	Yes.
6	Q	Okay. And, again, is there anything else and
7		I'll go through the documents with you, Mr. Vanin,
8		that at least that we have and in the course of
9		going through the documents things may come out
10		that might refresh your memory, but apart from
11		that do you remember any other information
12		let's just talk about Mr. Asper for a moment
13		any other information that you might have provided
14		to Mr. Asper that comes to mind now? And as I
15		said, I'll go through the documents, but is there
16		anything else that comes to mind?
17	Α	Nothing else comes to mind, but maybe you can
18		refresh my memory with something?
19	Q	Sure. When we go through the documents we will do
20		that. What about Hersh Wolch, do you have any
21		did you ever provide Mr. Wolch with any
22		confidential police information?
23	А	I only talked with Mr. Wolch on one occasion, it
24		was my very first phone call, and he asked me if I
25		would deal with Mr. Asper.
	Ĭ	

	1 age 22224
Q	Now let's talk about Paul Henderson, I think
	you've told us you met with a fellow by the name
	of Paul Henderson, is that right?
А	Yes sir.
Q	And who did you understand Mr. Henderson to be?
А	Umm, that he was a great writer, had won a
	Pulitzer Prize award in literature, and he worked
	for the Centurion Ministries and was working as a
	private detective for Mr. Wolch and the Milgaard
	family.
Q	Okay. And I think you told me a bit earlier that
	Mr. Asper was supposed to come out and see you,
	but he couldn't make it, and he asked you to meet
	with Paul Henderson; is that right?
А	Yes sir.
Q	And do you recall how many times you would have
	met with Paul Henderson in person?
А	I either met with him just one afternoon, and if
	it I might have met with him the following day,
	but I think it was just the one afternoon that we
	met.
Q	And tell us what you remember about that meeting?
A	Umm, showing him the photocopies of the two, two
	documents that were found in central records.
Q	Yes?
	A Q A Q A A

1	А	And then he had a number of questions, and we
2		talked about my disciplinary problems with
3		Penkala, and that's that's all I can recall,
4		sir.
5	Q	And where did the meeting take place?
6	А	We were at my house and also in my vehicle.
7	Q	Okay.
8	А	Or no, I'm sure it was my vehicle.
9	Q	I think you had mentioned on Thursday that you met
10		Mr. Henderson and Mrs. Milgaard for coffee at the
11		Colonial Motel, is that did you tell me that or
12		am I mistaken?
13	А	No, that's where we arranged to meet. And I
14		didn't know Mr. Henderson so I had no idea what he
15		looked like, so he described what he would be
16		wearing and I described what I would be wearing,
17		and I walked in and he was there and Mrs. Milgaard
18		was there. And we went and had coffee, and
19		because of the arrangements that I had made with
20		Mr. Asper that I would only talk with Henderson
21		alone and not with Mrs. Milgaard present, and we
22		had coffee and made some small talk and she
23		excused herself, and then Mr. Henderson and I went
24		about our business.
25	Q	So you had a discussion at the Colonial Motel; is

		1 ago 22220
1		that where the discussion took place?
2	A	Part of it.
3	Q	And then what, and then where did you go, or what
4		did you do?
5	A	Probably went to my house.
6	Q	And did you what did you have at your house
7		that or what was the purpose of going to your
8		house?
9	A	Just, I just security, just safety, it was
10	Q	I see. And did you have the, those two pages of
11		the from the, from central records at your
12		house, or did you have them with you?
13	А	I had them with me in my police file.
14	Q	And then so you went to your house and had a
15		further discussion with him there?
16	A	Yes.
17	Q	And was anybody else present?
18	A	Not that I can recall.
19	Q	I will be showing you a memorandum a bit later
20		that talks about a John McDonald also talking to
21		Paul Henderson; do you know John McDonald?
22	A	There were two John McDonalds on the force, both
23		about the same seniority, and I think you are
24		referring to the person that we referred to as
25		'Big John', and he was involved in the association
	Ĩ	

1		and was eventually president of the association,
2		and he had even a bigger battle with Penkala than
3		I did.
4	Q	Okay, so this is Big John McDonald, as opposed to
5		Little John McDonald; is that right?
6	A	Yes sir.
7	Q	And those were the names that the officers
8		referred to the two of them to keep them apart; is
9		that right?
10	А	Yes sir.
11	Q	And do you know whether or not Big John McDonald
12		talked to Paul Henderson, either in your presence,
13		or are you aware that he talked to him?
14	А	I only became aware of it because of the documents
15		in this
16	Q	That I showed you?
17	A	That you showed me, yes.
18	Q	Okay. And we'll go through those. So you don't
19		recall John McDonald being present in your
20		discussions with Mr. Henderson; is that fair?
21	A	That's correct.
22	Q	And did you ever talk to John McDonald about
23		whether or not he met with Paul Henderson or
24		anything of that nature?
25	A	I John McDonald attended at my house to discuss
	l	<b>—</b>

1		laying charges against Penkala, and we had a
2		lengthy discussion, but Paul Henderson was not
3		present.
4	Q	Would it have been in and around the time that you
5		had your discussions with Paul Henderson?
6	А	I believe so.
7	Q	And is it possible you would have maybe shared,
8		with John McDonald, your discussions with Mr.
9		Henderson?
10	A	Absolutely not.
11	Q	Is it possible that you gave Paul Henderson John
12		McDonald's name as a contact for further
13		information?
14	Α	Possibly.
15	Q	So what information would you do you recall
16		having provided Mr. Henderson? And I will go
17		through with you, Mr. Vanin, a memorandum that
18		Paul Henderson prepared, I'll go through that in a
19		moment, but is there anything that, just from your
20		memory, that comes to mind as to what you would
21		have told Mr. Henderson?
22	A	The most important thing was just showing that
23		there was in fact a Larry Fisher, that someplace
24		there were files at one time in that police
25		station, and that I had photocopies of the only
	ĬĬ	The state of the s

		3
1		two pieces of paper that I could find or that the
2		central records staff could find.
3	Q	Okay. And did you talk to Mr. Henderson about
4		your concerns about Joe Penkala?
5	А	Yes, we did. If I can back up?
6	Q	Sure.
7	A	Mr. Henderson asked me if he could have the, those
8		particular documents, and I told him "no", and he
9		wanted to ask me if he could make photocopies, and
10		I said "absolutely not ".
11	Q	And why would you not provide him with
12		photocopies?
13	А	I was worried about being charged under The Police
14		Act
15	Q	And
16	А	if it became public knowledge, or possibly even
17		under the Criminal Code.
18	Q	Based upon your discussions with Mr. Asper I think
19		you've told us, or with Mr. Wolch, that you had
20		been led to believe that your discussions with Mr.
21		Henderson were protected by solicitor/client
22		privilege; is that correct?
23	A	Yes, but I still wanted to be cautious.
24	Q	Yeah. Now, and I'll show you this document later,
25		but Mr. Henderson has a memorandum and we'll
		4

1		bring it up in a moment where he suggests that
2		you gave him a copy or let him look at I'm
3		sorry, he didn't say he gave you a copy that
4		you let him look at the $(V5)$ $(V5)$ file, which
5		is about a 60-page file, and his memorandum says
6		that you provided that to him; did that happen?
7	А	That was not me, sir.
8	Q	Okay. Did you ever see the (V5) (V5) file
9		before?
10	Α	No, sir.
11	Q	And do you have any explanation as to why that
12		would be in his memorandum? And certainly we will
13		hear from Mr. Henderson, but trying to understand
14		where else he might have got that file if he
15		didn't get it from you, or at least an opportunity
16		to look at it?
17	А	All I can say is Mr. Henderson is mistaken, and
18		from my what I understand that he spoke to
19		several police officers, and I only learnt this
20		recently,
21	Q	Okay.
22	А	so if he got ahold of the (V5) (V5) file
23		he got it from somebody else, not from me.
24	Q	And at the time you met with Mr. Henderson, then,
25		and I think you said you met one day and perhaps
		4

		——————————————————————————————————————
1		the next day,
2	A	Yes.
3	Q	you would have shown him the two pages that you
4		had, being the index card for Larry Fisher and
5		then one page from what you thought was a rape
6		file; is that right?
7	A	Photocopies.
8	Q	Photocopies. And, at that time, was that your
9		belief as the extent to which files existed
10		relating to Larry Fisher?
11	А	As I stated previously, when the Commission did
12		their investigation and the police did their
13		investigation, I had heard later that they did
14		find one complete file.
15	Q	And I believe that was the (V5) (V5) file,
16		well, that's the evidence we've heard. But again,
17		at the time you met with Mr. Henderson, did you
18		have any knowledge that the (V5) (V5) file
19		existed at the police station?
20	A	No, sir.
21	Q	Was it your belief that it did not exist, at that
22		time, based upon the searches that you had done?
23	A	My belief was that none of those files could be
24		found.
25	Q	I now want to go through some documents with you,
	II.	

	Mr. Vanin, to see if we can try and put some of
	this let me, sorry, let me just finish up.
	What about David Roberts with The Globe and Mail,
	and Timothy Appleby, do you have a recollection;
	what type of information would you have provided
	to them?
A	It would be just general information, what the
	membership was thinking, if I had learnt any other
	information particularly from senior members.
Q	What was the flow of information the other way?
	Let's talk about David Asper; did you get
	information from David Asper about what he was
	learning and thinking about the David Milgaard
	matter?
А	I got more information from David Asper and
	Roberts than I got from our own department in
	respect to the Milgaard
Q	Okay. So would it be fair to say that a fair bit
	of information went from Asper and Roberts to you?
А	Yes sir.
Q	More so than went the other way?
A	Absolutely.
Q	Now I want to go through, as I say, some documents
	to see if we can put some time frame around what
	you have told us. And I'm going to be showing you
	Q

1		some documents, Mr. Vanin, that are not your
2		documents, that may have nothing to do with you,
3		but they certainly put a time frame as to what Mr.
4		Henderson was doing, Mr. Asper were doing, and
5		what else was going on, and to see if that assists
6		you in fitting in where the things that you
7		were doing. Do you understand what I am going to
8		try and do then?
9	А	Yes sir.
10	Q	And so the first one is 156886, and this is an
11		April 16th, 1991 letter from David Asper to
12		Robinson Investigations, Mike Brecht; did you know
13		of a Mr. Brecht?
14	A	Nope, no, sir.
15	Q	Had you heard of Robinson Investigations at the
16		time?
17	A	Mike Robinson was a personal friend of mine, and
18		we worked together when he was with the RCMP or
19		had dealings, I shouldn't say 'worked', but had
20		dealings or worked on the same file.
21	Q	Sure. And I just want to go through the time
22		frame leading up to when Mr. Henderson may have
23		come to see you. So at this time Mr. Asper is
24		asking Mr. Brecht to try and locate the four
25		victims of Larry Fisher, you'll see that, and do

		——————————————————————————————————————
1		these names, (V1)-, (V2), (V3) and
2		(V5); do those sound familiar?
3	A	No they don't, except for (V5) (V5), because
4		of our discussions here.
5	Q	Okay. But as far as
6	A	But
7	Q	these names, none of them ring a bell with you
8		today?
9	А	Except for the $(V5)$ file because of our
10		conversation.
11	Q	And when you say 'our conversations', that's you
12		and I, when I asked you, before you testified,
13		whether or not you got the $(V5)$ $(V5)$ file; is
14		that what you are referring to?
15	A	Yes, sir, and our previous discussions I believe
16		last week or
17	Q	Yeah, okay.
18	A	Since I met you anyways.
19	Q	Yeah. So that, prior to you and I talking, the
20		name $(V5)$ $(V5)$ wouldn't have rung a bell with
21		you; is that right? I mean you wouldn't have been
22		able to recall it as a name that was familiar?
23	A	No.
24	Q	Are you able to tell us whether these would have
25		been the four names that David Asper provided to
		<b>.</b>

1 you back in 1991 or thereabouts? 2 Α No, sir. 3 Then, if we can go ahead to 156888, and this is just the April 26th, 1991 letter back to David 4 5 Asper that has the locates. And let me tell you, Mr. Vanin, that we will hear evidence from Mr. 6 Henderson later this week, and as well we have on the Commission record a number of documents that 9 indicate that Paul Henderson interviewed the four 10 Saskatoon victims of Larry Fisher and the two Winnipeg victims of Larry Fisher in late April and 11 12 early May of 1991, and I think the first one may 13 have been maybe April 27th-28th in Winnipeg, 14 (V5)-- (V5)--- on April 30th, and then May 1st, 15 2nd, 3rd, or thereabouts, so that's the time frame 16 when Paul Henderson and Joyce Milgaard interviewed 17 -- and pardon me, the seventh one included (V10) 18 (V10)-, so in that time frame Paul Henderson, and 19 he will testify that he was in Winnipeg and in 20 Saskatoon and area interviewing these victims. 21 Now let me ask you this. 22 When you met with Paul 23 Henderson, do you know whether or not he had 24 already interviewed any of Larry Fisher's victims,

do you recall that coming up in your discussions?

A	It never came up, sir, and he never made any
	mention that he was going to be talking to anyone
	else.

Q Okay.

- 5 A He never shared any of that information.
  - Q Okay. Now he -- do you remember what time of year it was when you met with Mr. Henderson?
    - A I believe it was in May. In the spring of the year.
    - Q Now I want to call up 000108. And I'm just going to go through a couple of documents for the record, Mr. Vanin, and tell you what they are. And this is a document, I think prepared by Mr. Henderson and perhaps others, that is part of the application that David Milgaard made to the Federal Justice Minister that was sent on August 14th, 1991, and so this is the second application, and after they interviewed all of the Fisher victims they put together summaries of what the victims had told Mr. Henderson and what I am showing you are documents that came from that. So I don't propose to go through this, we have seen this, this simply relates to (V5)-- (V5)---. if we can go to 000109, please, and just so you know what this is, this is then -- has got her

1		name redacted, but it's the interview of April
2		30th, 1991; do you see that?
3	А	Yes sir.
4	Q	And this is Mr. Henderson's documents, he talks
5		about $(V5)$ $(V5)$ , and then if we can go to the
6		next page, please, and if we can just call out
7		this paragraph. And when this was filed with the
8		Minister of Justice these parts were redacted, you
9		will see this here, and it says:
10		"(This was the one case in which I was
11		given access to police reports."
12		And then a crossed-out name, a crossed-out
13		description, and then it says:
14		" and source for us on internal
15		police problems, somehow managed to get
16		into the department computer and obtain
17		the file. I reviewed it at his home but
18		was not allowed to keep the reports or
19		make copies of them."
20		Blacked out:
21		" claimed that people in the
22		department are aware that he pulled up
23		the reports and said he'd be fired if
24		the brass found out he'd given them to
25		anyone. The file is quite thick and

documents an extensive investigative
effort by police in terms of beating the
bushes for suspects and interviewing
numerous persons. One of those
interviewed was Albert Cadrain. It's
apparent that he was not considered a
suspect, however."

The next document I want to call up is 061393. Actually, if we could just put this on the left-hand side, and call up on the right-hand side 061393.

And while that's being called up, the evidence we heard from Sergeant Pearson — if we could enlarge that, please, on the right-hand side — the evidence we heard from — actually that's fine, no, if you can — the evidence we heard from Sergeant Pearson is that when this application was received by the federal minister with the name blacked out they made several efforts, through Mr. Asper and Mr. Wolch, to find out who this person was, and I think that went over the course of a couple of years unsuccessfully trying to find out who this person was. And then if we can just enlarge this, please, maybe just bring it down underneath. And

1 the document on my right, at least from my read 2 of the documents we have received from the RCMP, 3 I believe in late 1993 the RCMP asked Jim McCloskey of Centurion Ministries to send his 4 5 file to them. And Mr. Commissioner, we may 6 hear some evidence from this a bit later, but what it appears is that when that file was sent 8 9 the document on the right, the unredacted 10 version, was received by the RCMP. And in fact Mr. Vanin, I'll 11 12 take you to these documents later, they contacted 13 you in late 1993, didn't they, asking if you were 14 the person mentioned in this report; is that 15 correct? 16 They asked me for a statement, yes, that's Α 17 correct. 18 And so, again, I'll take you through that. Q 19 So here, I guess here on the right-hand side is 20 what we believe to be the unredacted version --21 and we'll certainly hear from Paul Henderson as 22 well -- that lists your name as the: 23 "... dissident Saskatoon Police sergeant 24 and source for us on internal police

problems ..."

		<b>G</b>
1		Let me just pause
2		COMMISSIONER MacCALLUM: I'm sorry,
3		Mr. Hodson,
4		MR. HODSON: Sorry?
5		COMMISSIONER MacCALLUM: was there a
6		date on 393?
7		MR. HODSON: No.
8		COMMISSIONER MacCALLUM: No date.
9		MR. HODSON: There's no date, it's just the
10		one page, and I think the rest of the document,
11		I'll try and locate what it came with, but
12		there's various versions of the redacted report,
13		and this is simply the unredacted, and I believe
14		it to be the same date as the $(V5)$ $(V5)$
15		memo, April 30th, 1991, but just an unredacted
16		version.
17		COMMISSIONER MacCALLUM: Oh, sure, yeah.
18		BY MR. HODSON:
19	Q	So let's just go through this. And this is Mr.
20		Henderson's memo, he describes you as:
21		" a dissident Saskatoon police
22		sergeant";
23		would that be a fair descriptor of you at the
24		time?
25	А	No, sir.

		——————————————————————————————————————
1		IImm
	Q	Umm
2	A	I wasn't dissident, I was very concerned.
3	Q	Okay.
4	А	As I stated the other day, I loved police work and
5		had a lot of job satisfaction, but I certainly
6		didn't like the way the administration was taking
7		the police force downhill. So I was not
8		dissident, concerned certainly.
9	Q	Okay. And he says:
10		" and source for us on internal
11		police problems";
12		would that be accurate?
13	А	I talked to Paul Henderson about internal
14		problems, yes.
15	Q	And he says "source for us", and I'm assuming
16		that's the Milgaard group, and would if we
17		include Mr. Asper, would that be fair, were you a
18		source to Mr. Asper and Mr. Henderson on internal
19		police problems?
20	А	I don't recall discussing any internal problems
21		with Asper. I don't think he would be interested
22		at all in our
23	Q	Related to Penkala perhaps?
24	А	Perhaps.
25	Q	Okay.

		——————————————————————————————————————
1	A	But I don't recall discussing internal police
2		problems with Asper.
3	Q	Okay.
4	A	His main focus was Mr. Milgaard.
5	Q	Okay. What about internal police problems related
6		to the investigation of Gail Miller's death, i.e.
7		David Milgaard and Larry Fisher, did you discuss
8		those matters with David Asper?
9	A	If I did, it would be very brief, because I had no
10		knowledge and I was not involved in the
11		investigation.
12	Q	So then Mr. Henderson goes on to say that, he
13		attributes it to you:
14		" somehow managed to get into the
15		department computer and obtain the file
16		",
17		and he's referring to the (V5) (V5) file,
18		and he says he reviewed it at your home; did that
19		happen?
20	А	All I can say, sir, if Mr. Henderson is saying
21		that he is wrong. That isn't me. He did come to
22		my home, he did see those two pieces of paper, but
23		I think he has got me mixed up with somebody else
24		here.
25	Q	So is it fair to say, sir, that you are fairly

		<b>o</b>
1		adamant that you did not get a copy of the (V5)
2		(V5) file from the police department and show
3		it to Paul Henderson; is that right?
4	А	Absolutely, sir. And I wouldn't have any idea of
5		how to work their computer, they were just
6		switching over from a manual system to a computer
7		system,
8	Q	Yeah.
9	А	and I would have no way of being able to access
10		their computer.
11	Q	And in fairness, Mr. Henderson will give his
12		version of events, but do you have any idea who
13		may have provided the file to Paul Henderson?
14	А	Well, until this week, it's just this is the
15		first time I learned that Henderson interviewed
16		others.
17	Q	Okay.
18		COMMISSIONER MacCALLUM: So the answer is
19		no, who could have showed it to him?
20	А	No.
21		COMMISSIONER MacCALLUM: No?
22		BY MR. HODSON:
23	Q	And then what Mr. Henderson writes is:
24		"Vanin claimed that people in the
25		department are aware that he pulled up
	Ĭ	and the second s

1		the reports and said he'd be fired if
2		the brass found out he'd given them to
3		anyone."
4		Now obviously in connection with the (V5)
5		(V5) file, based on what you've told us, he
6		wouldn't have said that to him about the (V5)
7		(V5) file; is that fair?
8	A	I never pulled up any reports from a computer.
9	Q	But so let's just talk about the two pieces of
10		paper that you showed to Mr. Henderson, being the
11		Fisher index card and the one page rape report.
12		Is it possible that you would have told Mr.
13		Henderson that people in the department are aware
14		that you pulled up those two pieces of paper, or
15		got them, and that you'd be fired if the brass
16		found out he had given them to anyone?
17	А	Certainly.
18	Q	So that is something you think you did say to him
19		about the two pieces of paper?
20	А	I could have, yes, sir.
21	Q	Do you have any recollection of that or
22	А	When he asked me for copies and I declined to give
23		him copies or let him have those particular
24		copies, I could have very well said that.
25	Q	Okay. And just for the record, if we could call
		Mayor CommuCount Departing

1		up 261590. Now, this is the first page of I think
2		60 pages or thereabouts which represents, this is
3		the occurrence report for (V5) (V5), this is
4		the front page and approximately 60 pages. I
5		showed you a copy of this document last week in my
6		office, Mr. Vanin, and you recall looking at the
7		(V5) (V5) file?
8	A	Yes, sir.
9	Q	Had you ever seen that file before I showed it to
10		you?
11	A	No, sir.
12	Q	And again, is this familiar at all when you look
13	_	at at least the front page, is this something,
14		other than looking at it in my office, that you
15		saw before?
16	A	Other than your office, I have never seen this
17		document before.
18	Q	I now want to go to 185351, please. Sorry,
19	*	185851. Now, this is a document, Mr. Vanin, and I
20		think I went through this with you last week in my
21		office, and let me just tell you a bit about what
22		we believe this document to be and what I believe
23		we'll be hearing from Mr. Henderson. Just let me
24		put this time frame. April 30th, 1991 is the date
25		that Paul Henderson interviewed (V5) (V5);

okay? Got that, Mr. Vanin?

A April 30th, 1991?

O Yeah.

Q

A Yes, sir.

Now, this document is not dated, this is a memorandum prepared by Paul Henderson, and again, I just want to go through parts of this. first deals with an interview with Linda Fisher that he did I think in, and I'm going to suggest to you, Mr. Vanin, that based on what's in this document, that it was prepared on May 28th, 1991, okay, so this I think details an interview in May. If we can then go to the next page just so we see what's there, this is finishing the interview with Linda Fisher and then he talks about interviewing Lorne Huff. None of this concerns you, Mr. Vanin, I'm just showing you what's in here. And then if we can go to the third page, and this is an interview of Jake Ketler, and Jake Ketler was the individual who was Larry Fisher's foreman or boss back in 1969 and this details an interview that Mr. Henderson had with Jake Ketler, and this bottom paragraph -- by the way, Mr. Henderson will testify that he now dates all of his memorandums on many occasions, but in this he says:

1 "I spoke with Ketler again today (May 2 28) further explore the possibility that 3 Fisher may have been working at a potash mine --" 4 5 And then goes on to talk about a case, an incident in 1968, and we've already heard 6 evidence that this incident only came to light in about May of 1991, okay, so based on that I 8 9 believe, and I believe Mr. Henderson will 10 testify, that when he says today, he's talking 11 about May 28th, 1991. Then if we can go to the 12 next page under note, he says: Individual interviews also were 13 "Note: 14 conducted with Tom Vanin and John 15 McDonald, both dissident sergeants with 16 the Saskatoon Police Department." 17 And let me just pause there. And I think you've 18 told us that you were interviewed by Paul 19 Henderson, but John McDonald was not there when 20 you were interviewed; is that right? 21 That's correct. Α 22 And so it appears that he was interviewed separate 23 and apart from you? 24 Α It appears that way. 25 And again, and we'll hear from Mr. Henderson as Q

1		far as his estimate, whether it was around May
2		28th, 1991. Does that sound about the time frame
3		when you may have talked to Mr. Henderson, are you
4		able to is that consistent with your memory
5		about when it may have been, in the month of May?
6	A	Yes, sir.
7	Q	And I want to go through what Mr. Henderson writes
8		about what he says you told him and get your
9		response, okay.
10	А	Certainly.
11	Q	You've already talked about let's just call out
12		that paragraph. And I think you already told me
13		about the word dissident, and then and let's
14		forget for a moment John McDonald and what may
15		have come from him, I want to know what you told
16		him, what you told Paul Henderson, okay, and he
17		says:
18		"They"
19		Being you and McDonald,
20		" detailed corruption within the
21		department (primarily in the past) and
22		outlined Chief Joe Penkala's role in
23		creating problems."
24		Did you detail corruption within the department

to Paul Henderson?

		Page 22249 ————
1	А	No, sir.
2	Q	Did you ever talk to him at all about corruption
3		within the Saskatoon City Police Service?
4	A	No, sir, but if I can say, I think that was in
5		John McDonald's affidavit and the charges that he
6		wanted to lay against Penkala, the corruption
7		charges.
8	Q	Okay. So that's information that you think might
9		have come from John McDonald to Paul Henderson, or
10		are you speculating on that?
11	А	I'm speculating that it it didn't come from me.
12	Q	Okay.
13	А	And if he mentions McDonald and Vanin, that only
14		leaves McDonald.
15	Q	Okay. And then it says:
16		"Penkala is soon to retire."
17		I think we heard that he did retire in 1991, is
18		that right, and I think he, I'm not sure of his
19		official date, I think it was the fall of '91 if
20		I'm not mistaken. Does that sound about right?
21	A	Yes, sir.
22	Q	And then Henderson says:
23		"According to Vanin and McDonald, he is
24		leaving the department with a legacy of
25		incompetence. At the top of the
	ĬI.	

1		department there are two deputy chiefs,
2		two supervisors and 16 inspectors.
3		According to Vanin and McDonald, all of
4		them got where they are by supporting
5		the chief and virtually all of them are
6		inept."
7		Is that something that you would have said to
8		Paul Henderson?
9	A	I could have.
10	Q	And is that something you believed at the time?
11	A	Yes, and as I recall, information that was passed
12		on to me is Joe Penkala said he didn't care how
13		intelligent a police officer was, he didn't care
14		how many homicides he solved, the only thing he
15		was interested in is the people that were loyal to
16		him and those were the ones that were going to get
17		promoted.
18	Q	And to what extent
19	A	And there again, that's hearsay.
20	Q	That what you are saying you attributed to Mr.
21		Penkala you heard third hand?
22	A	That's right.
23	Q	Okay. And to the extent that you outline your
24		concerns to Mr. Henderson at this time in 19
25		let's assume it's May of 1991 to what extent if

1		any did your concerns about Mr. Penkala and how he
2		was leaving the department, to what extent if any
3		did that relate to anything related to David
4		Milgaard or the Gail Miller murder investigation?
5	A	Well, the way it affected me, the other day you
6		asked me why I didn't go to Penkala, that's one
7		way it affected, because I couldn't go to Penkala
8		because I knew he wouldn't let me proceed with the
9		investigation, so I had to turn to Mr. Wolch.
10	Q	Were you in any way connecting, when you were
11		talking to Mr. Henderson then, your current views
12		of the then administration and Chief Penkala with
13		the fact with anything that would affect David
14		Milgaard or the Gail Miller murder investigation?
15	A	Certainly.
16	Q	And in what way?
17	А	In that I couldn't go to him and express my
18		concern that I strongly believed since 1970 that
19		he was innocent and that there are more and more
20		people in the department that are beginning to
21		believe that he's innocent.
22	Q	And so are you telling us then that what you are
23		communicating to Mr. Henderson is that based upon
24		your views of administration at the time, you did
25		not think you could go to them with your concerns
	I	

		r age 22202
1		about David Milgaard's innocence; is that right?
2	A	That's correct, because and I thought that way
3		because in my opinion he would have put a stop to
4		everything.
5	Q	And if we can go down to the next paragraph, and
6		again Mr. Henderson says:
7		"Our sources, who also included former
8		RCMP officer Mike Brecht and Terry
9		Thrasher, a fired Saskatoon cop, all
10		said they are positive that Penkala,
11		himself, is not a corrupt cop. But he
12		has condoned serious corruption by
13		high-ranking officers who are friends
14		and supporters."
15		And then goes on to talk about Vern Henderson,
16		former deputy chief, and some issues there. Do
17		you recall talking to Paul Henderson about
18		anything related to Vern Henderson?
19	A	No, sir.
20	Q	Okay. And so again to the extent that there's
21		information in here about Vern Henderson, is that
22		something that would have come from a source other
23		than you?
24	А	Again, I believe that came from Big John McDonald.
25	Q	And why do you say that?
		Meyer CompuCourt Reporting

1	A	Well, as we saw in the other documents, he was the
2		only other one that was interviewed, or Henderson,
3		Paul Henderson refers to Vanin and McDonald.
4	Q	Yeah. He actually talks again, in fairness, about
5		Mr. Mike Brecht and Terry Thrasher, but again,
6		what I'm concerned about is what you would have
7		told him, and are you telling us that you wouldn't
8		have told him anything about Vern Henderson; is
9		that right?
10	А	That's right, sir. I didn't tell him anything
11		about Henderson, Vern Henderson.
12	Q	Vern Henderson, right. And then if we can skip
13		down to the next paragraph, I think that again
14		relates to Vern Henderson, and then the next
15		paragraph talks about John McDonald and what he
16		told him, and again that's something that you
17		wouldn't have discussed with Paul Henderson? You
18		see that?
19	А	Your question, sir?
20	Q	I'm just wondering if the information in that
21		paragraph starting John McDonald told me, whether
22		any of that information, whether you would have
23		provided that to Paul Henderson?
24	А	No, sir, I wouldn't have.
25	Q	And then if we can scroll down, and again that
	I	<b>1</b>

1		previous paragraph talks about Henderson being,
2		Vern Henderson being forced to resign, and then it
3		says:
4		"Vanin said he also suspects that
5		Penkala made sure Henderson received a
6		hefty severance check."
7		Is that something you would have told Mr.
8		Henderson?
9	А	If I did, I would have no way of knowing what
10		Henderson's severance package was. I might have
11		said that, you know, off the cuff, but I don't
12		recall saying it.
13	Q	How would a discussion about Vern Henderson come
14		up in your conversation with Paul Henderson?
15	A	I don't know. I imagine Paul Henderson asked
16		about it.
17	Q	Do you remember Vern Henderson being discussed
18		between you and Paul Henderson?
19	A	Not really, sir.
20	Q	Okay. This is probably an appropriate spot to
21		break, Mr. Commissioner.
22	A	If I can just answer that?
23	Q	Oh sure, yeah.
24	A	Vern Henderson was not an issue with me. My main
25		concern was proving that David Milgaard was
		4.

1 innocent and what was happening to Vern Henderson 2 I really didn't care. Okay. We'll take a break 3 MR. HODSON: 4 here, thanks. 5 (Adjourned at 3:00 p.m.) (Reconvened at 3:25 p.m.) 6 BY MR. HODSON: If we could go back and call up 185851 and go to 8 0 9 Just down at the bottom, just call that page 854. 10 out, I'll just read this, again this is Mr. Henderson's memo of conversations with you and 11 12 others. He says: 13 "This is only part of the sordid 14 I also heard stories of murder 15 and murder cover-up. McDonald and Vanin 16 cited four recent murders that were 17 written off as suicides." 18 It goes on to talk about certain victims and some 19 Do you recall saying to Mr. Henderson 20 anything of the sort stated in that paragraph? 21 Α I might have said something about Ann Leatherdale 22 and where it says Jack Starblanket, I have no idea 23 who Starblanket is, but I think they are referring to Neil Stonechild, the one they just had the 24 25 inquiry on.

		1 age 22200
1	Q	And why do you say that?
2	A	I was just thinking about this and at that time,
3		at the time of Neil Stonechild, I was the staff
4		sergeant in charge of major crime and I was never
5		called to that, to the scene or that file was
6		never assigned to me.
7	Q	And again in May of 1991, do you know where that
8		investigation would have been at?
9	А	When I walked into the police station, I was met
10		by several uniformed officers and they told me
11		that a body had been found and it was in bad
12	Q	I'm sorry, my question was at the time that you
13		met with Mr. Henderson, which we think is around
14		May of 1991, do you know at what stage the Neil
15		Stonechild investigation was at, are you able to
16		tell us time wise?
17	А	No, sir.
18	Q	And just to go back to the previous page, would
19		you have used the words go down to the
20		bottom would you have used the words "murder
21		and murder cover-up" on the part of police in
22		talking to Mr. Henderson, or would those be his
23		words?
24	A	No, there was no murders that the police were
25		involved in. There might have been some that
		4

1		should have been investigated as murders that were
2		probably written off as suicides, but if that's
3		suggesting that the police were involved in
4		murders, no, that's not correct.
5	Q	What about murder cover-ups? The word there, and
6		again these are Mr. Henderson's notes, "heard
7		stories of murder cover-up," would you have used
8		those words or told Mr. Henderson anything about
9		murder cover-ups?
10	A	I would have never used the word "murder
11		cover-up," I might have used words that murders
12		that should have been investigated that were
13		written off as suicides.
14	Q	Okay. And then if we can go to the next page, and
15		it says:
16		"Why are they doing this? Vanin said
17		it's because"
18		And I think this is referring to suicides versus
19		murders:
20		"Why are they do this? Vanin said it's
21		because Penkala doesn't like unsolved
22		homicides and that supervisors want to
23		make the chief look good."
24		Is that something you would have said to Mr.
25		Henderson?
	I	

1	Α	I possibly could have said that. I don't recall
2		saying it, but I could have.
3	Q	And can you shed any light on what you would have
4		meant by that, if that's what you said to him?
5	А	Well, for example, the Ann Leatherdale, that file
6		was not assigned to me, but later on I was asked
7		to take a look at it and I'm convinced that it was
8		a murder and it was not a suicide, but it was
9		written off as a suicide.
10	Q	Okay.
11	А	In this particular case, it's a woman who died as
12		a result of three deep stab wounds to her heart
13		which I checked with a lot of medical people and
14		they said that would be impossible. In fact, of
15		all the research I had done, I could only find one
16		incident, which was in Japan, where a man stabbed
17		himself to death. However, about two years later
18		there was an incident in Saskatchewan.
19	Q	And then Mr. Henderson writes:
20		"As you know, Penkala was the lieutenant
21		who recovered the frozen semen that was
22		used to convict David Milgaard in the
23		Miller murder 21 years ago. Now the
24		forensic experts are saying it probably
25		was dog urine that he found. But I'd
	Ĭ	_

1 say it's questionable whether more recent investigative improprieties by 2 3 Penkala's department had any bearing on Milgaard's conviction." 4 5 Would you have had any discussion with Mr. Henderson about Mr. Penkala's role in the Gail 6 Miller murder investigation and in particular his recovery of the frozen semen? I had knowledge of his recovery of the frozen Α 10 semen, but Penkala and I didn't share any 11 information, and I knew he was the officer in 12 charge of the forensic part of the investigation, 13 so I had very little knowledge of that. 14 But is that something you would have discussed Q 15 with Mr. Paul Henderson? Possibly in the general form, but I had no direct 16 Α 17 knowledge of Penkala's role. 18 And I think what the paragraph is stating is Q 19 trying to relate your concerns about, if I can 20 call it, 1990, '91, concerns about Penkala, and I 21 think what Mr. Henderson is doing is commenting on 22 what that might mean back in '69, '70. Do you see 23 I think he says it's questionable whether 24 more recent investigative improprieties have any 25 bearing on Milgaard's conviction. Do you know if

you have concerns today in 1991, what does that mean about 1970, anything of that nature?  A Not that I recall, sir.  Q And then scroll down, and Mr. Henderson writes:  "David Asper told me on the phone the other day that the CBC's Fifth Estate is really interested in his story.  Obviously, there's a great deal more information, as well as documentation, to obtain. I suggested to Asper that he pass on this summary to CBC (and other media representatives, if he chooses to) and let them take it from there."  Is that something were you aware that the information you provided to Mr. Henderson might, about Penkala, Mr. Penkala and the concerns you had about the Saskatoon Police Service, that they might be passed on to the media outlets? for example, being sent to media outlets with the	24	Q	Would you have had any concerns about this memo,
II -	25		for example, being sent to media outlets with the

1		information you provided, or attributed to you?
2	А	Oh, I was assured by Mr. Wolch's firm that the
3		information I had provided would be, for lack of
4		better words, top secret.
5	Q	Okay. And then he goes on:
6		"One final anecdote: As an example of
7		departmental incompetence, Vanin noted
8		that there are always detectives and
9		uniformed cops sitting at the station
10		twiddling their thumbs with nothing to
11		do. This is because there aren't enough
12		patrol cars and unmarked vehicles to go
13		around. Regarding the department's
14		chronic shortage of vehicles and other
15		equipment, Vanin made two points:"
16		And then it goes on to talk about some vehicles
17		at a local dealership, a car being two years old
18		when it's put in service, and then lastly, that:
19		" Penkala gave the city a \$500,000
20		refund from his department's budget.
21		Vanin claimed he does this each year -
22		to make points with the city
23		politicians."
24		Is that information that you would have provided
25		to Mr. Henderson?

1 A That definitely sounds like me.

- Q Okay. And I think you've told us, apart from the meeting that's described in this memorandum, and I think you said maybe you might have met with him the next day, you weren't sure, but apart from that, did you have any further dealings with Mr. Henderson?
  - Not to my knowledge, except in the last few minutes we just said hello to each other, that's the first time I think I've seen him since that date.
- Q So that details the meeting with Paul Henderson.

  I now want to move ahead to a little bit later in 1991 and deal with the timing of the Police

  Commission investigation into missing documents, okay, and I think you told us, Mr. Vanin, that you were asked by Mr. Asper to check into the records, you did on a number of occasions and on the last occasion you found Mr. Fisher's index card with some file numbers and a one page report. You reported that to Mr. Asper, I think you said you also talked to Mr. Roberts, and that you stated that this information is what prompted the Police Commission investigation into the missing files; is that right?

1	А	With one exception, Mr. Asper never asked me to
2		check into the records or to check Central Records
3		for information, he just asked for information.
4	Q	I see. And information, would that be, like,
5		police files?
6	А	I'm sure it included anything and everything.
7	Q	Okay. So I want to just go through some documents
8		over this time period and see whether, Mr. Vanin,
9		this can assist you at all. The first is 000184,
10		and this is an August 14th, 1991 letter, and just
11		so you know, I'll show you some documents in a
12		moment that the two key dates on the Police
13		Commission review are August 29th, 1991 when The
14		Globe and Mail ran a story suggesting files were
15		missing, and September 12th, 1991 when the Police
16		Commission, based upon The Globe and Mail article,
17		ordered an investigation, so this is August 14th
18		and this is a letter from David Asper's law firm,
19		it's from Hersh Wolch to Kim Campbell, and this is
20		the second application to the minister for relief,
21		and I just want to refer you to one part here, if
22		we can call that out, and Mr. Wolch writes that:
23		"Once your decision was brought to our
24		attention"
25		Which was February 27th, '91,
	I	

1 "-- we were determined to proceed 2 further in ascertaining Larry Fisher's 3 possible quilt and we were somewhat surprised to learn that there was ample 4 5 material available, including at least 6 one police report concerning previous victims of Fisher." 8 And then goes on to talk about Centurion. 9 this time this letter suggests that there was one 10 police file in existence, or at least one. Do 11 you have any recollection of discussions with Mr. 12 Wolch or Mr. Asper where they might have told you 13 that they had one of the police files, and this 14 would be prior to the investigation into the 15 missing files? 16 No, sir, unless they are referring to that one Α 17 investigation, one page of that investigation 18 report. 19 And again we'll hear from, well, at least 20 from Mr. Asper about what they had, so again, you 21 have no recollection of what they -- do you 22 remember what Mr. Asper or Mr. Wolch might have 23 told you about what they knew about what police 24 files existed with respect to Larry Fisher? 25 Α No, they never shared that information with me.

1	Q	The next thing I want to show you is a newspaper
2		article, 220357, and this is an article in The
3		Globe and Mail, you'll see it's David Roberts and
4		Timothy Appleby, and those would be, at least Mr.
5		Roberts and I think you said you thought Mr.
6		Appleby, they were reporters that you talked to, I
7		think you said on many occasions at least in the
8		case of Mr. Roberts?
9	А	Yes, and I also said on one occasion both Roberts
10		and Appleby were at my house.
11	Q	And was that before or after Mr. Henderson was at
12		your house; do you remember?
13	А	As far as I recall, that was before I met Mr.
14		Henderson.
15	Q	Okay. And then if we can just go down, so the
16		date here is August 22nd, and so this is eight
17		days after Mr. Wolch filed his application with
18		the minister, and I just want to show you a couple
19		of quotes at the bottom, if you can just call out
20		that part. And it says the killing rocked the
21		city of about 120,000. In those days, a rape or
22		even an attempted rape was very, very big news,
23		one veteran Saskatoon investigator recalled.
24		And then to the top of the next
25		column, 'But the big pressure came from 1962 with

1 the murder of nurse Alexandra Wiwcharuk, who was 2 That murder was never solved and beaten to death. 3 there was so much goddam pressure because of it. They needed the arrest (in the Miller case) and 4 5 they needed it bad?' Is that something that you would 6 have said or provided to David Roberts or Timothy 8 Appleby? I don't recall makin' that statement, and when Α 10 Alexandra Wiwcharuk was murdered I wasn't on the 11 force yet, I started in '64. 12 Q And, again, does this, having read those quotes --13 and I don't know, and maybe we'll hear from Mr. 14 Roberts, well we will hear from Mr. Roberts, he 15 may be able to tell us who he is referring to 16 here -- does it sound likes words that you would 17 have used or that you may have provided to him? 18 I don't think so, sir. Α 19 If we can then go to 220403, which is the second 20 page of that, again August 22nd. And I want to 21 call up -- and it says here, 'Through 22 conversations with Saskatchewan police officers, 23 including retired Saskatoon investigators, The 24 Globe and Mail has learned that not only were Mr.

1 Fisher's arrest, but his name was not mentioned in 2 their police files, even after he was convicted of 3 the crimes. For several months after his 4 confession, investigators continued to make 5 routine inquiries.' And, again, this article 6 suggests that the four, that Mr. Fisher's name was 8 not in the four police files, which I think 9 suggests that someone must have looked at the four 10 police files. Is that something you would have 11 discussed with Mr. Roberts, do you ever have a --12 did he ever tell you that he saw the four police 13 files relating to Larry Fisher? 14 Α Mr. Roberts never told me that he saw any police 15 files. 16 And, again, would you have told him that, number Q 17 1, Mr. Fisher's four Saskatoon victims never --18 were never told of Mr. Fisher's arrest, and would 19 you have told him that Fisher's name was not 20 mentioned in their police files? 21 Α No, I had no idea of those files or the names. 22 That's definitely not my statement. 23 0 Okay. If we can then go just back to the main 24 page, and it says here, 'But Saskatchewan police 25 sources said handling Mr. Fisher's case by way of

direct indictment was highly unusual.' Quote:

'The normal course would be for the police in

Saskatoon to lay an information in Saskatoon,' one

officer said, 'they are the force investigating.

Fisher would be arrested and a charge would be

laid there.

Mr. Asper said yesterday he was baffled.'

Do you know if, this Saskatoon Police source, do you know if that was you?

No, sir, that's definitely not me.

Okay. If we can then go ahead to 220340, yeah, 220340. And this is an article from the Globe and Mail on August 29th, 1991, and I'll show you the Police Commission minutes later, this is the article referred to in the Police Commission's minutes that prompted them to order the investigation. And so the heading is Police can't find rape files, and let's just go through this. And do you remember generally discussing, with David Roberts, what you had found when you went looking for the Fisher files, and your concerns that they were missing; that's something you discussed with him I think you told us? Yes sir.

Α

Α

1	Q	And it says here, 'Files that may have a crucial
2		bearing on whether David Milgaard is guilty of
3		murder have disappeared from the Saskatoon Police
4		Department's computerized records system and an
5		internal investigation is underway, The Globe and
6		Mail has learned.' Top of the next column.
7		'Something went on, it's very
8		bizarre, it's something that just shouldn't
9		happen, for every detail like that to vanish, a
10		Saskatchewan police source said.' Quote,
11		'Somebody's tampered with the system?'
12		Would that police source have
13		been you, Mr. Vanin, are those your words do you
14		think?
15	А	No, sir.
16	Q	And why do you say that?
17	А	Well, I had no idea I have no idea whether
18		anybody would have tampered with them, or
19	Q	Okay. So what would you have told I think you
20		told us earlier, when you went and checked and
21		found out they weren't there, I think you've said
22		that 'we were onto something', and that that
23		caused you concern because they were missing, or
24		words to that effect; is that right?
25	А	Yes.
	1	•

1	Q	And you told Mr. Asper and Mr. Roberts that, that
2		you had concerns about the fact the files were
3		missing?
4	A	Yes.
5	Q	And did you not say words to the effect that that
6		made you suspicious?
7	A	Yes.
8	Q	And in what way? What were you suspicious of?
9	А	That the files were missing.
10	Q	Okay. Were you suspicious that someone had
11		destroyed them deliberately for some reason
12		related to David Milgaard or Gail Miller?
13	А	Well, I had no way of knowing, but they were not
14		where they should have been. That doesn't mean
15		that they weren't in the police station somewhere.
16	Q	Okay. So that they either could have been in the
17		police station somewhere, was one option, or if
18		they weren't and really had been destroyed
19	А	That's another option.
20	Q	would it be fair to say there could be an
21		innocent explanation, in other words they had been
22		destroyed in the normal course, and nothing to do
23		with David Milgaard or Gail Miller; that's one
24		possibility, is that right?
25	Α	Yes.

1	Q	Another possibility might be that they were
2		deliberately destroyed by someone because the
3		police, or whoever else, didn't want people to see
4		them for some reason related to David Milgaard or
5		Gail Miller; that's is that something that
6		crossed your mind or you discussed with
7	A	That's another possibility, yes.
8	Q	Yes. And when you found the files were missing,
9		was that something that either you considered or
10		discussed with Mr. Asper or Mr. Roberts, the fact
11		that you could not find the Larry Fisher files
12		when you went looking for them might mean that
13		someone destroyed them deliberately?
14	A	I definitely discussed it with Mr. Asper, but I
15		I didn't think about the files being destroyed.
16	Q	You thought they were somewhere else and you
17		couldn't find them?
18	А	Yeah.
19	Q	Well what, you said you were suspicious, what were
20		you suspicious of?
21	А	The fact that the files were missing and somebody
22		didn't want other investigators to know that Larry
23		Fisher was a suspect
24	Q	In the
25	А	Or, no, a suspect in the Gail Miller murder.
		The state of the s

1	Q	So did you believe that the four rape victim
2		files, where Larry Fisher plead guilty to them,
3		that there was something in the files that might
4		suggest Larry Fisher was also a suspect in the
5		Gail Miller file?
6	A	Could you repeat your question, sir?
7	Q	Yes, I can, yup. I think what you were saying is
8		that you thought somebody may have deliberately
9		hid them or did something with them because they
10		might suggest that Larry Fisher was a suspect in
11		Gail Miller, I think that's what you said, is that
12		right?
13	А	Yes sir.
14	Q	And so these files were not the Gail Miller files
15		but they were four different occurrences for four
16		different rapes, one was an attempted rape, that
17		Mr. Fisher end up pleading guilty to. And my
18		question was did you think there was something
19		in may have been in those files where police
20		who investigated those rapes at the time thought
21		that Larry Fisher may have been involved in the
22		Gail Miller file or in the Gail Miller murder,
23		pardon me?
24	A	I don't know if there was anything in the file
25		itself, but at some point in time Fisher pled
		4

1		guilty, and that guilty plea should have been
2		attached to that file.
3	Q	Okay. But, again, what I am trying to understand,
4		sir, I think you said you had suspicions, I'm
5		trying to identify what it was that you thought
6		let's just talk about improprieties. What, did
7		you think that there might be some improprieties
8		with respect to the four Larry Fisher sexual
9		assault files and the fact that you couldn't find
10		them, or that they couldn't be found at the time
11		you looked?
12	A	Yes, it certainly was a possibility.
13	Q	And that it was somehow related to David Milgaard
14		and Gail Miller?
15	A	Yes.
16	Q	And, again, and forgive me if you've already told
17		me; in what way? What was in your mind that you
18		were suspicious of?
19	A	The information that Mr. Asper gave me.
20	Q	And what was that?
21	A	That Larry Fisher was responsible for these rapes
22		and they suspected he was their prime suspect
23		in the Gail Miller murder.
24	Q	Okay. And did Mr. Asper tell you that?
25	A	I believe so, yes.

		Page 22274
1	Q	And that Larry Fisher was a prime suspect in Gail
2		Miller's murder back in '69-'70?
3	A	Well certainly, that's when the murder happened,
4		in '69.
5	Q	And so, based on that information, did you have
6		suspicions that there might be something, then, in
7		those files that would suggest the police
8		connected Larry Fisher to Gail Miller back at that
9		time; was that your suspicion?
10	A	Yes sir.
11	Q	And, apart from what Mr. Asper told you, did you
12		have any information from within the police
13		department, that you had learned, that caused you
14		to think that?
15	A	The only other information was that nobody seemed
16		to know anything about a Larry Fisher.
17	Q	Okay. So back when the files, when you found the
18		files were missing, did you have suspicions that
19		someone may have deliberately either hid the files
20		or destroyed them?
21	A	Yes.
22	Q	And was that something you discussed with Mr.
23		Asper?
24	A	I don't know if we discussed that particular
25		point. I definitely discussed the fact that they

1		were missing, or that I couldn't locate them, or
2		that central records staff couldn't locate them.
3	Q	Okay. And what about with Mr. Roberts, was that
4		something you might have shared with him, your
5		concerns or suspicions that "lookit, these files
6		are missing, maybe there's something in there that
7		police don't want people to see"?
8	A	I certainly could have shared that with Roberts.
9	Q	And again, Mr. Vanin, back to these words. I
10		think you said that's not something you would have
11		said to Mr. Roberts; is it possible you said
12		something like that to him?
13	А	Certainly.
14	Q	And something that "this is unusual"? What is it
15		in these quoted words that you causes you to
16		say they are not yours?
17	А	'Something went on, it's very bizarre, it's
18		something that just shouldn't happen', I
19		wouldn't use words like "it's very bizarre".
20	Q	Okay. Now you
21	А	I might have said words that were very similar to
22		that, and that's Mr. Roberts' words, and I could
23		have said words similar to that.
24	Q	Okay. Maybe if we could just go down to the
25		bottom part of that page, you said earlier that
		•

		, ago ===/0
1		you heard, and I think you said from Mr. Roberts,
2		that a number of investigators were, or inspectors
3		were searching for the files?
4	A	No, I'm the one that told Mr. Roberts that.
5	Q	Okay. And what did you tell him?
6	А	That I was told that, after midnight, inspectors
7		come into central records and they are looking for
8		these missing files.
9	Q	Okay. And who told you that?
10	A	It was central records staff.
11	Q	And was this around the time that you were making
12		inquiries about the file?
13	A	Oh, this would have been after.
14	Q	Okay.
15	А	After it already had hit the paper that the files
16		were missing.
17	Q	Okay. Well, let's just go through this, because I
18		think this is the first newspaper article where
19		the files are missing. If we can just go back up
20		to the top, to the no, to actually the top
21		part, please. And it says here:
22		" an internal investigation is
23		underway, The Globe and Mail has
24		learned."
25		And what we see from the Police Commission

1 records is that it was this article that prompted 2 the internal investigation. So I'm trying to 3 understand or to find out, Mr. Vanin, what this reference is in this article; in other words, 4 5 before this hit the newspaper about the files being missing, were you aware of an internal 6 investigation into the files going on? Sir, can I read, finish reading this before you 8 Α ask me a question? 10 Q Sure, yes, yup. 11 Α Please. (Witness reading) 12 I'm sorry, Mr. Vanin, let me just read you from 13 the bottom of the article, and then this may 14

I'm sorry, Mr. Vanin, let me just read you from the bottom of the article, and then this may assist you in your answer, if that's all right.

Call that out, it says, 'In addition, the Globe has learned that there is apparently a fifth file missing.' Let me pause there. The article goes on to describe the four Fisher assaults, it doesn't identify them by name, but it's the (V1)-, (V2)----, (V3)-----, (V5)---. It says, 'There's apparently a fifth file missing. This involves an unsolved sexual assault on a University of Saskatchewan student, who told Saskatoon Police that on or shortly after the day Miss Miller was killed, she was attacked a few blocks away.'

And, again, this is referring to the (V4)--- file or the (V4)--- matter, which was not its own file but was on the Gail Miller file. It says, 'There is no indication of how long the Saskatoon force's records on Mr. Fisher's rape victims have been incomplete. Normal department practice is for the basic information on a case to be retained indefinitely on computer, with the details preserved on microfiche.

Four Saskatoon Police
inspectors are now involved in trying to track
down the missing files, the police source said.
A number of officers have already been
questioned, as have civilians involved in the
maintenance of the computer system.

The force's internal records are distinct from the computerized Canadian Police Information Centre, to which all police offers across North America have access. That', at the top, 'data bank is broadly limited to a record of an individual's date of birth, criminal record, and the disposition of the cases of which he or she is convicted.'

So if I can pause there, does that -- is this information that you would have

		1 age 22213
1		provided to Mr. Roberts?
2	A	Sir, the information I provided to Mr. Roberts is
3		I told him that "I have been told by central
4		records staff that there are seven inspectors that
5		are apparently searching for the missing files",
6		this article refers to four, I never saw this
7		article and
8	Q	Putting aside four or seven?
9	A	But I did, I did tell Mr. Roberts that they were
10		searching for the files.
11	Q	And
12	A	And whether they were computerized or what, I had
13		no knowledge.
14	Q	And so you would have heard from central records
15		staff, this would be the people at the front desk
16		that you had dealt with when you were looking for
17		the files?
18	A	Yes.
19	Q	And what did they tell you?
20	А	They said that, "Tom, there's inspectors in here
21		after midnight that are looking for the missing
22		files".
23	Q	For the Fisher files?
24	A	Missing files.
25	Q	Missing files. And would that be because they

1		knew you had been looking for those files a bit
2		earlier; do you think that's why they told you
3		that?
4	А	Yes.
5	Q	Okay. So you went looking for the files, they
6		couldn't find them, they came back, gave you the
7		index card, and then at some point following that
8		they came and told you that seven inspectors were
9		in after midnight looking for the files?
10	A	No, you missed one crucial point, Roberts' article
11		appears.
12	Q	Well, this is Roberts' article.
13	Α	Yeah, it appears, and then they start looking for
14		the files.
15	Q	Here's the question, Mr. Vanin. This is Roberts'
16		article, and it talks about the inspectors are
17		looking for the files when if Roberts' article
18		prompted the inspectors to go looking for the
19		files, why does Roberts' article refer to the fact
20		that the inspectors are already looking for the
21		files, that's that's what I am trying to find
22		out, if you have any can shed any light on
23		that; do you see?
24	A	I can't answer that question, sir. All I can tell
25		you is what central records staff told me, and I
		Moyor CompuCourt Poporting

1 relayed that information to Mr. Roberts, and then 2 this article, or an article, appeared in the 3 paper. 4 0 Let me give you another possibility. Okay. 5 could call up -- were you aware that the RCMP were involved in looking for Fisher files as part of 6 the Federal Justice application? I knew the RCMP were involved in the 8 Α 9 re-investigation --10 Q Right. -- of the Milgaard file, but whether they were 11 Α 12 involved in looking for the missing files, I had 13 no knowledge of that. 14 Let me just go through some documents here Q 15 to see if this might assist. If we could call up 16 -- and this is from 056743, these are from Rick 17 Pearson's notes, and go to page 056784. And this 18 is a year prior, this is July of '90, and I just 19 want to go through this to see if this is 20 something you have knowledge of. And this is when 21 Federal Justice and others find out about the 22 Fisher rapes being in Saskatoon and the names of 23 the victims. And if we can go to 056787, and 24 we've already identified that that should be July 25 13th, 1990, and Rick Pearson; did you ever hear of

Rick Pearson of the RCMP or ever deal with him?

1

2 I believe I solved one of his homicide files. Α 3 In relation to the David Milgaard/Larry Fisher, to this matter, did you have any dealings 4 5 with him? Not that I recall. 6 Α Do you remember his name being mentioned as Q someone who was involved investigating for the 8 9 Federal Department of Justice? 10 Α No. 11 Q In this note what Mr. Pearson said, and he has 12 testified before this Inquiry, that in July of 13 1990 basically he and Mr. Williams met with the police to look for the Fisher files and obtained a 14 15 copy of the '68 offence file and the reference to 16 having a partial on the Fisher file. And then if 17 I can skip ahead to 056796, and again this is what 18 Mr. Pearson testified to, this is now August 21, 19 1991, this is a year later, so this is a week 20 after Mr. Wolch files his application with the 21 minister that has the report with your name 22 redacted, and this is right around the time of --23 August 21 would be a week before, eight days 24 before David Roberts' article, and what 25 Mr. Pearson testified and what's in his notes is

1		that he says that:
2		" Mr. Williams also revealed that the
3		report from Centurion Ministries
4		suggested that a source in the Saskatoon
5		Police Department provided certain
6		material which is not officially
7		released."
8		And it says:
9		"Mr. Williams is also interested in
10		securing any old police reports on the
11		Saskatoon victims of Larry Fisher. It
12		should be noted this had been pursued
13		previously",
14		and I think Mr. Pearson said that had been a year
15		prior, in July of '90:
16		" and I have been told by the City
17		Police officials that these reports no
18		longer exist."
19		And then the next page, this is now August 22nd,
20		he writes, and this is what he testified to at
21		this Inquiry:
22		"Called Insp. Quinn",
23		and you know Inspector Quinn?
24	A	Yes sir.
25	Q	And Pearson says:
	1	•

1		"I also provided him with the names of
2		victims (V5), (V2), (V1)-, and
3		(V3), with supporting data,
4		asking him to again search for any

7		And is it possible that this investigation,
8		requested by Mr. Pearson, may have been what the
9		file clerks were telling you was going on, that
10		people were looking for the Fisher files?
11	A	I don't know, sir.
12	Q	Did you know anything about that, that as part of
13		the application to the Federal Minister of
14		Justice, Federal Justice and the RCMP were looking
15		again for the Fisher files?
16	A	I didn't know they were lookin' for the Fisher
17		files. I know they were in the police station,
18		and they had an office of their own and they were
19		reviewing files, but just exactly what they were
20		doing, I had no knowledge.
21	Q	So let's go back to 220340. And again, back to
22		this comment, and you said it was seven, not four,
23		and this is not something you saw, this is
24		something you were told by
25	A	Central records.

		1 age 22200
1	Q	central records?
2	A	Central records staff.
3	Q	And that inspectors were looking to track down the
4		missing files; is that right?
5	Α	That's what I was told, yes, sir.
6	Q	And that's something you think you would have told
7		Mr. Roberts?
8	Α	Yes sir.
9	Q	And again, if we can just go back to the main
10		article, it says, 'In Mr. Fisher's four Saskatoon
11		attacks, the Globe reported last week, not only
12		were his victims never notified of his arrest and
13		conviction, but his name never appeared in the
14		rape-victims' files at all.'
15		And, again, I had shown you an
16		earlier article from The Globe and Mail a week
17		earlier that talked about the name not being in
18		those four files. And I'm wondering, is this
19		again, is this information you would have given
20		Mr. Roberts?
21	А	No, sir, because I I never knew of it until
22		today, I'm not aware of that article. And
23	Q	And in
24	А	I think I made it perfectly clear I was coming
25		in to work and one of the girls just walked by and
	Î	

		3
1		casually told me "they are in here after midnight
2		lookin' for files", pertaining
3	Q	To Fisher?
4	А	to Fisher, yes, or the rape victims.
5	Q	And so you would have called Asper and/or Roberts
6		on that; do you remember who you called?
7	А	I think I called both of 'em.
8	Q	And would have relayed this information?
9	A	Yes sir.
10	Q	And is it your understanding that that's what
11		prompted the August 29th, 1991 article, this
12		article then, where The Globe and Mail reports
13		that files are missing and there's an
14		investigation underway?
15	A	It prompted some article, which one I
16	Q	Okay. Well that, I think
17	A	Which, the article then prompted the investigation
18		for the
19	Q	Well, that's what I am trying to get to the bottom
20		of, sir. I
21	A	I think we both mean the same thing, we're just
22	Q	Yeah.
23	А	not gettin' together on this.
24	Q	Well I guess what I am trying to understand, sir,
25		is if the article prompted the investigation how

1		can the article refer to the ongoing investigation
2		when it's just prompting it?
3	A	I don't know, that's not my words and I can't
4		answer that, sir.
5	Q	Okay, no, fair enough. And that's you tell us
6		what you recall and what you remember telling
7		these people, and we'll certainly hear from Mr.
8		Asper and Mr. Roberts.
9	A	Yeah.
10	Q	I just want to go through a few other articles.
11		220397. And this is the same date, August 29th,
12		this one is Winnipeg Sun, it's from the CP wire
13		service, and again you will see this quote,
14		'Something went on, it's very bizarre, it's
15		something that just shouldn't happen, for every
16		detail like that to vanish'. it goes on to tell
17		similar to what's in The Globe and Mail article.
18		Call up 327582.
19	А	Can I make a statement, sir?
20	Q	Sure.
21	A	This particular paragraph is something that I
22		don't disagree with, I just don't ever recall
23		making such a statement,
24	Q	Okay.
25	A	and I just don't recall that I would ever use
		4

1		the words "it's very bizarre".
2	Q	Okay.
3	А	I would I think I would have been more
4		specific, you know.
5	Q	So, apart from the words, would it be fair to say
6		what's written is what you thought at the time and
7		consistent with the information you might have
8		provided to Mr. Asper and Mr. Roberts?
9	A	Yes, sir, and I think I've been saying that all
10		afternoon.
11	Q	Okay. So then if we could go, here's another
12		article again that talks about the this is
13		August 29th as well in the Leader-Post that has,
14		again, that excerpt. And, again, you said
15		"somebody tampered with the system", that's what
16		you thought at the time, is that right? That's
17		what you would have told Mr. Asper and Mr.
18		Roberts, that "somebody has gone in and
19		deliberately done something mischievous with
20		respect to the files"?
21	A	I wouldn't have used the words "tampered", I would
22		have like, "missing", the files are missing, I
23		"somebody removed the files or they are not
24		where they should be", and I don't think I would
25		have used the word "bizarre" or "tampered".
	I	lack lac

		1 age 22200
1	Q	Okay. But
2	A	But I generally agree with the entire paragraph.
3	Q	Okay. So you agree that somebody tampered with
4		the system?
5	A	The files are missing, it's
6	Q	Yeah. So that's what you believed at the time,
7		that somebody had done something inappropriate,
8		deliberate to either destroy the files or move
9		them to a spot where people couldn't find them?
10	A	Yes sir.
11	Q	Yeah, okay. Then if we can go to 324934, and this
12		is the StarPhoenix article again of the same date,
13		would it be fair to say that you would have talked
14		to Mr. Roberts and that his story would have
15		somehow got into all of these newspapers, as
16		opposed to you talking I think it's a CP wire
17		story as opposed to you talking to reporters
18		from the various newspapers?
19	A	I talked to reporters almost daily from all over
20		Canada, but I never reported anything like this
21		other than to Roberts.
22		And I stated the other day a
23		fella named Karp called me and wanted information
24		for a book he was writing, and I wasn't interested
25		in dealing with him because he was interested in
	II	

1		writing a book, and I thought "he's not interested
2		in freeing David Milgaard, he's interested in
3		makin' money for himself", so I never dealt with
4		him.
5	Q	Okay. And again in the StarPhoenix article it
6		does, it recites, and I won't go through it again,
7		but the same quote, but then at the bottom, I
8		think this may have been on the front page, it
9		says police files on Larry Fisher are missing, the
10		police began an investigation and then:
11		"Supporters of Milgaard, convicted of
12		murder over 22 years ago, claim his case
13		has been covered up to cloak faulty
14		police work."
15		Is that something you would have said at the time
16		to either Mr. Roberts or Mr. Asper or would have
17		thought?
18	Α	No, sir. I've never used the word cloak.
19	Q	But again, does that is that a sentiment that
20		you would have held at the time?
21	Α	Give me one second and let me read the paragraph
22		again, please.
23	Q	Sure.
24	A	I have no way that's not my statement. I have
25		no way of knowing whether there was a cover-up or
		1

	faulty police investigation, and I certainly
	didn't fault any investigator, it's just when I
	started my own personal, for lack of better words,
	investigation, I couldn't, I was looking for hard,
	physical evidence that pointed to David's guilt
	and I never all the officers that I talked to,
	and there was many, and Inspector Mackie,
	Superintendent McCorriston, many, many officers, I
	think it got to the point that they were getting
	upset. McCorriston's face would get red when I
	would keep hounding him about the Milgaard file.
Q	Did you ever in any of those discussions hear any
	officers say to you that they believed that David
	Milgaard was innocent back at the time, that he
	had not committed the crime?
А	No.
Q	Was it the belief of the officers then that they
	felt they had the right person convicted?
А	I think that's the impression they tried to leave
	me with.
Q	And with all of your discussions with all of these
	people, did you ever hear anything that either
	directly or indirectly or suggested some type of
	cover-up by any member of the Saskatoon City
	Police Service during the course of this

		1 age 22232
1		investigation or after?
2	A	No, I never heard of any cover-up. There was lots
3		of talk about the forensic being improper or not
4		modern methods weren't used and that sort of
5		thing, but
6	Q	But did you hear
7	А	But nothing about a cover-up.
8	Q	And did you hear anything in your discussions that
9		the police, once Larry Fisher came to light in
10		1971, that the police would have known that he was
11		the killer of Gail Miller and took steps to
12		deliberately cover up the fact that Mr. Fisher
13		pled guilty to those crimes or had committed those
14		crimes or anything of that nature, did you hear
15		any of that in the course of your inquiries over
16		the years that you did with the various officers
17		involved in the original investigation?
18	A	I didn't know anything about Larry Fisher until
19		Asper mentioned it to me.
20	Q	But I'm wondering, did anything, did you hear
21		anything from anybody that caused your antenna to
22		go up and say hey, maybe the police knew it wasn't
23		him and they knew it was someone else and they
24		deliberately covered up the conviction of an
25		innocent person?
		4

1	A	No, I never heard that. I I always felt that
2		Mr. Milgaard was innocent and these officers felt
3		that he was the responsible party and we had a
4		difference of opinion.
5	Q	Okay. If we could go to 004492, this is an
6		article the next day, this is now August 30, so
7		The Globe and Mail article is August 29th, the one
8		we went through, this is a StarPhoenix article, I
9		think it may have been carried in a number of
10		other publications, and it says:
11		"Within days of a private investigator
12		alleging the Saskatoon Police Department
13		framed David Milgaard for the 1969
14		murder of Gail Miller, police files on
15		Larry Fisher's brutal attacks on city
16		women have apparently disappeared from
17		the police department."
18		And just in context, on or about August 16th,
19		1991 James McCloskey made statements to that
20		effect in the media in conjunction with the
21		filing of David Milgaard's application to the
22		minister, so that's what's referred to there.
23		And then it quotes Mr it says:
24		"This is unbelievable," Milgaard's
25		lawyer, David Asper, said from Winnipeg.

1		"The files did exist prior to
2		Aug. 16."
3		Sometime between Aug. 16 and
4		this past Tuesday, the files went
5		missing, Asper charged."
6		And I want to pause there. And August 16th is
7		the date the application was received by the
8		minister and the date of Mr. McCloskey's press
9		conference I believe, and I'm wondering, did you
10		give any information to David Asper to suggest
11		that the files did exist prior to August 16th,
12		1991?
13	Α	No, sir. I would have no way of knowing that.
14	Q	Prior to August 16th do you think you talked about
15		searching for these on two or three occasions, do
16		you think any of those occasions when you searched
17		for the files and were told they weren't there,
18		would that have been prior to August 16th do you
19		think?
20	A	I don't know.
21	Q	How long prior I think you told us earlier it
22		would have been prior to the Police Commission
23		investigation; is that right?
24	A	Yes, sir.
25	Q	Do you know how long prior to that?
		1

		Page 22295
1	А	I have no idea.
2	Q	And then it goes on to say:
3		"Sometime between Aug. 16 and this past
4		Tuesday"
5		Which would be August 27th,
6		" the files went missing."
7		Did you give any information to Mr. Asper to
8		suggest that between August 16th and August 27th,
9		1991 the Larry Fisher files had existed and had
10		disappeared during that time frame?
11	А	No, sir, and I don't agree with that statement.
12	Q	What don't you agree about it?
13	А	Well, that what I had heard from Roberts, that I
14		believe it was from Gus Weir, that Weir had
15		searched for these files years before that, or at
16		least a couple of years before, and the files were
17		already missing.
18	Q	Was it your understanding, sir, then at about this
19		time in 1991 when you had your discussions with
20		Mr. Roberts and Mr. Asper, that the Larry Fisher
21		files had been missing for some time?
22	A	That's my belief, yes, sir, and for many years.
23	Q	Do you know where Mr. Asper might have got this
24		information from referred to in the article?
25	A	I have no idea, sir.

Q	Did he ever share any of this information with you
	in his discussions with you?
A	No, sir.
Q	If we can then go on back to the full page, the
	article goes on to say:
	"Information in those files may have
	been So damning that whoever might bear
	the brunt has taken the risk so they
	won't get out," Asper said.
	Asper heard rumours late last
	week the files had gone missing. The
	Toronto Globe and Mail reported Thursday
	the files had, in fact, vanished."
	Again, would you have had any discussion with Mr.
	Asper about those rumours? Is that something you
	would have told him?
А	Well, at one time I certainly did tell Mr. Asper
	that I couldn't find the files. Whether that
	pertains to that particular conversation I have no
	way of knowing. Only Mr. Asper will be able to
	answer that question.
Q	If we could then go to 039314, and this is now the
	Winnipeg Free Press the same date, August 30th of
	the article, and it says:
	"Quoting unidentified police sources,
	A Q

1 The Globe and Mail said Saskatoon police have assigned four inspectors to track 2 3 down the files, which cover four 4 Saskatoon rapes to which Miller pleaded 5 guilty." I think that should say Fisher. And then --6 again, that's the August 29th article, and it 8 says: 9 "I just find it highly suspicious they 10 go missing, " Milgaard's Winnipeg lawyer, 11 David Asper, said yesterday. 12 Asper said he has sources which 13 lead him to believe the published 14 reports are accurate." 15 Again, would you be one of those sources that led 16 him to believe, or told him that the published 17 reports are accurate? 18 I don't recall discussing a published report with Α 19 Asper. 20 No, no, I think what he's saying, that the 21 published reports that say the files have gone 22 missing and have vanished, Mr. Asper is saying 23 here he has sources which lead him to believe the 24 published reports are accurate, so in other words, 25 what the newspapers were saying about a couple of

1		things, one, the fact that The Globe and Mail
2		reported that the four files didn't contain
3		Fisher's name, the fact that they existed on
4		August 16th and went missing between August 16th
5		and August 27th, those published reports, would
6		you have been the source that would have provided
7		that information to Mr. Asper?
8	А	No, sir. All I told Mr. Asper is that I could not
9		find any of the files and I told him what I did
10		find, one index card and one page of an
11		investigation report.
12	Q	If we can go back to the full article, and sorry
13		to belabour this, but I simply want to put where
14		references are to sources, it says:
15		"Asper said he has heard that only
16		Fisher's files are missing, and that
17		there has been no large-scale loss of
18		older police files in Saskatoon.
19		He has his own sources who say
20		the files were in the computer system

7		Miller's body was found. Do you have any
8		recollection of that, being involved in looking
9		for that?
10	A	I never looked for that file, but I became aware
11		of that information about (V4) we
12		pronounced it (V4)
13	Q	You may be I can't remember what she told us.
14		Whatever it was, I used it wrong. (V4) or
15		(V4)
16	A	I understand it to be (V4)
17	Q	Okay, (V4)
18	A	And I got all of that information from Dave
19		Roberts.
20	Q	I see. So this is information you would have
21		learned from Mr. Roberts as opposed to you getting
22		it out of the police files?
23	А	That's correct, sir.
24	Q	And what did Mr. Roberts tell you about (V4)
25		(V4)?
	I	<b>A</b>

1	A	Well, there was an attempted sexual assault and
2		the woman was able to get away and later on Gail
3		Miller's body was found and the area it was solved
4		I think was about Avenue K and 22nd Street and
5		this would have been, where they found the Gail
6		Miller body was much closer to where Fisher was
7		living at that time, so their theory was (V4)
8		(V4) was attacked
9	Q	Sorry, their theory being Roberts' or whose?
10	А	Roberts', and maybe Asper's.
11	Q	Yeah.
12	А	(V4) $(V4)$ was attacked, Fisher then makes a
13		B-line towards home down the railroad tracks, runs
14		into Gail Miller, murders and rapes her and then
15		it's only a short distance from his house.
16	Q	And as far as
17	А	That information I did not get from any police
18		source, I got that from Roberts.
19	Q	And as far as a file about this information, were
20		you involved in any way in looking and trying to
21		locate file information about $(V4)$ $(V4)$ and
22		her complaint to the police?
23	А	Not that I remember.
24	Q	If you could call up 220383, and this is a report,
25		again August 30, 1991, this is the Winnipeg Sun,
		4

and Mr. Asper is quoted here about sources, and it's a little bit different than the other two articles, I just want to ask you about it, it says here:

"Follow the bouncing ball. That was the game initiated by the Saskatoon Police Department yesterday following media reports that police files linked to the David Milgaard case have vanished since a new application was made for a retrial earlier this month.

And the timing of the disappearance likely isn't coincidental, Milgaard's lawyer said yesterday.

"Shortly before filing the application Aug. 16, the reports were there. Within days, they disappear. To say that it's coincidence may stretch credulity," David Asper said. There must be something very damning in those reports for someone to take such a risk and tamper with the computer system."

And again, and I appreciate I've asked you this question with different words, but again, I take it, Mr. Vanin, is this anything that you -- would

1		this information that I just read to you that Mr.
2		Asper has stated, would any of this information
3		have come from you to him?
4	A	No, sir, and I don't agree with Mr. Asper's
5		statement.
6	Q	In what way?
7	A	Well, that they appeared, or disappeared, the
8		files disappeared just shortly before their
9		application. I my belief is that the files had
10		been missing for a long, long time.
11	Q	And is that something you think you would have
12		discussed with Mr. Asper?
13	А	I don't remember discussing it with him. I could
14		have. I don't remember discussing it with him.
15		MR. HODSON: This is probably a good spot
16		to break, Mr. Commissioner.
17		COMMISSIONER MacCALLUM: Okay.
