Transcript of Proceedings

(Reconvened at 10:00 a.m.)

COMMISSIONER MacCALLUM: Yes, Mr. Hodson?

MR. HODSON: Morning, Mr. Commissioner. I  
thought I would start out this morning with just  
a bit of an outline as to where we're at and  
where we're going for the next three weeks. I  
would like to call up OP02, please.

This is our phase 1 list of  
witnesses. We've completed 1, 2, and 3. This  
week we'll be dealing with number 4, Albert  
Cadrain. We have had a bit of a change, the  
hotel re-enactment witnesses will be up after  
Albert Cadrain, followed by Ron Wilson, and then  
the week of March 7th will be Nichol John and the  
related sexual assaults.

The Cadrain evidence,  
Mr. Commissioner, Albert Cadrain passed away in  
1995, and of course Mr. Cadrain was the first  
person who went into the Saskatoon City Police  
and identified Mr. Milgaard as a potential  
suspect and is a key player in this. We have two  
recorded interviews from Albert Cadrain, one in  
the early '80s by an author, Peter  
Carlyle-Gordge, or a writer, and the -- secondly

1 in 1993 by the RCMP. As well, we have  
2 transcripts and some documents from Mr. Cadrain,  
3 and due to the importance of Mr. Cadrain I intend  
4 to go through, today and tomorrow, a bit of  
10:05 5 chronology outlining where Mr. Cadrain fit in,  
6 what the police reports say about him, what his  
7 statements say, and as well we will be playing  
8 the two lengthy tapes.

9 Just while we're on the Cadrain  
10:05 10 family, if I could call up OP12, please. I have  
11 tried to put together just a bit of a list, we'll  
12 be hearing from some of these people, and these  
13 are the ages as of January 1969. The parents,  
14 Leonard and Estelle Cadrain, are both passed  
10:05 15 away. At the time, January 1969, Celine was at  
16 home. In fact she was home the morning of  
17 January 31, 1969, and we will be hearing from  
18 Celine later this week. Marcel was not living at  
19 home at the time; Albert, who has passed away;  
10:05 20 Dennis, who was one year younger, we will be  
21 hearing from Dennis next Monday; Larry, we could  
22 not find his age, and he does not have any  
23 information, we will not be calling him; Rita we  
24 will be hearing from on Wednesday; Ricky and  
10:05 25 Philip we will not be hearing from viva voce, we

1 will have some read-in from them; and Kenny, who  
2 was five at the time, was home that morning and  
3 we will be hearing from him Wednesday, Thursday.  
4 So this just gives us an idea of where Albert  
10:05 5 fits in with the Cadrain family and the ages of  
6 the children at the time.

7 So the starting document --  
8 again, just keep in mind that January 31, 1969  
9 was the date of the murder -- the first  
10:05 10 involvement of Albert Cadrain with the city  
11 police, the Saskatoon City Police, was March 2nd,  
12 1969. And if I could call up document 106640,  
13 and this is a report dated March 22nd, 1969, it's  
14 by Lieutenant Charles Short, and if we could just  
10:06 15 call out that top part. Although the report is  
16 dated March 22nd it talks about:

17 "Sunday, March 2nd, 1969, Dennis and Albert  
18 Cadrain came to this station and discussed  
19 for a few minutes a matter with Staff  
10:06 20 Sergeant Brady and were in turn brought to  
21 the detective office, to Superintendent  
22 Wood's office where I was in charge. These  
23 both boys, brothers, who live at 334 Avenue  
24 O South related a story to me in regards to  
10:06 25 the Gail Miller murder and subsequently a

1 statement was taken from both of these boys,  
2 the one of most importance from Albert  
3 Cadrain by Detective Karst and is self  
4 explanatory. This episode involving David  
5 Milgaard of Langenburg, Sask. and Nichol  
6 John female of Regina and Ron Wilson of  
7 Regina, who had apparently come here on the  
8 morning in question of the murder January  
9 31, '69 and had later picked up Albert  
10 Cadrain at his home at 334 Avenue O South  
11 and later had proceeded that afternoon to  
12 Calgary, Edmonton, Calgary, Banff, Regina.  
13 According to Albert Cadrain he was unaware  
14 of this murder until he returned home on  
15 Saturday March 1/69 and was told by his  
16 parents of this murder and he then with his  
17 brother discussed it and decided that one or  
18 all three of these persons may have been  
19 implicated. It was in my opinion at the  
20 time after having interviewed these boys for  
21 a considerable length of time probably one  
22 or two hours or more that there was  
23 something to this and it should be  
24 investigated."

25 The next report is of Detective Karst, if we

1           could call up document 009233, and again this is  
2           dated March 7th, this is Detective Karst's  
3           report, it says '68, it should be '69. And it  
4           talks again, if you could just call out that  
10:08 5           portion, please -- and this is Detective Karst'  
6           report of a meeting on March 2nd with Albert  
7           Cadrain:

8                        "On Sunday March 2nd at approximately noon  
9                        one Albert Henry Cadrain date of birth  
10:08 10                      August 19th, 1951 of 334 Avenue O South of  
11                      this city attended the police station and  
12                      advised Staff Sergeant Brady and Lieutenant  
13                      Short that he felt he had information  
14                      pertinent to the murder of Gail Miller  
10:08 15                      approximately one month ago in this city.

16                                After interrogating this youth  
17                      Lieutenant Short advised me to take a  
18                      statement from him with regards to this  
19                      information which was done at approximately  
10:08 20                      12:30 p.m. March 2nd in which Cadrain  
21                      advised us of the following incidents which  
22                      he felt were of a suspicious nature with  
23                      regards to one David Edgar Milgaard of  
24                      Langenburg, Sask.

10:09 25                                That on the morning of January

1 31st, Milgaard along with a few other  
2 persons Ronald Wilson of Regina and Nichol ?  
3 John arrived at his home at approximately  
4 9:30 in the morning. Cadrain states that  
10:09 5 the Milgaard youth seemed extremely nervous  
6 and he noted that he also had blood on his  
7 trousers and shirt and consequently Milgaard  
8 changed these garments while at his place on  
9 the morning of January 31st. It should be  
10:09 10 noted that Cadrain, referred to as "Shorty",  
11 did not pay particular interest to these  
12 incidents at this time as he states he was  
13 not aware of the murder until arriving back  
14 in Saskatoon approximately 1 month later.

10:09 15 He also states that while the  
16 three above mentioned persons were visiting  
17 at his place on the morning of January 31st  
18 Milgaard left his house alone and drove  
19 around the block several times, which did  
10:09 20 not appear to be the normal thing for a  
21 person to do, and a short time later, when  
22 having the car repaired at a local garage at  
23 Avenue P and 22nd Street, that he seemed  
24 very nervous and in a hurry, and also that  
25 while leaving the city he did not stay on

1 the main highway and drove in an erratic and  
2 extremely fast rate of speed and also that  
3 Milgaard appeared to be under some sort of  
4 influence of drugs, etcetera."

10:10 5 If we could go down to the bottom part of that,  
6 please:

7 "It was also a point of interest that the  
8 Milgaard youth and his associates appeared  
9 to be out of money at this time as they  
10:10 10 requested Cadrain go with them as they were  
11 advised that he did have a little money in  
12 the bank which he could withdraw. Cadrain  
13 further relates the story of going on to  
14 Calgary on this afternoon of January 31st,  
10:10 15 arriving there in the early hours of the  
16 morning, and then buying some drugs noted as  
17 weeds and proceeding on to Edmonton and then  
18 on to a small town 8 to 10 miles north of  
19 Edmonton known as St. Albert where some  
10:10 20 friends were visited and the evening spent  
21 in the motel, these further statements  
22 becoming rather vague at this time.  
23 Cadrain's reasoning for this is that they  
24 were at this time well under the influence  
10:10 25 of the weeds. He further relates that they

1 then returned to Calgary and then on to  
2 Banff and then approximately one week later  
3 after leaving Saskatoon they arrived in  
4 Regina where he states himself and the girl  
10:11 5 Nichol John are dropped off at a local  
6 coffee and hippie house on Cornwall Street  
7 in Regina, and further stated that he had  
8 not seen any of these persons, the girl nor  
9 Milgaard or Wilson since that date. He then  
10:11 10 advised that he was consequently arrested by  
11 the Regina police department on a vag.  
12 charge..."

13 which I believe is vagrancy:

14 "... and then worked for several days on a  
10:11 15 farm out of Regina and consequently returned  
16 to Saskatoon approximately a month after the  
17 murder, arriving here by bus. He further  
18 stated that although he had some mention  
19 made of the murder in Regina he did not pay  
10:11 20 particular attention to it and only after he  
21 returned to Saskatoon and had conversation  
22 with his family did he become suspicious of  
23 the actions, etcetera, with regards to  
24 Milgaard and consequently was advised by his  
10:11 25 parents to attend at the police station and

1           advise us of same which he did.

2           Consequently, on the afternoon of March 2nd,  
3           further inquiries were made by myself and  
4           Lieutenant Short with regards to Cadrain's  
10:12 5           stories and various parts of his  
6           conversation checked out with regards to  
7           Milgaard's actions, his nervousness with  
8           service station attendants where the car was  
9           fixed, the tow truck driver which he had  
10:12 10          been in conversation with, also the fact  
11          that Cadrain was in custody in Regina,  
12          etcetera, etcetera, and it was felt that  
13          Cadrain's information warranted further  
14          investigation.

10:12 15                         Lieutenant Short advised the  
16          chief of this information, consequently this  
17          department was in touch with Inspector  
18          Riddell of the RCMP detachment Regina, and  
19          through those efforts it was revealed that  
10:12 20          Milgaard was presently staying at a motel in  
21          Winnipeg, Manitoba. It was then decided  
22          that a member of this department should  
23          attend in Winnipeg and interview this  
24          suspected Milgaard."

10:12 25           The next note, if I could call up document

1 278794 -- I should just pause there, Mr.  
2 Commissioner.

3 We will be hearing various  
4 documents and evidence and taped interviews, and  
10:13 5 one of the issues that's identified here is what  
6 knowledge Mr. Cadrain had of the murder before he  
7 arrived in Saskatoon, and I will be referring to  
8 that in some later reports.

9 This document is Detective  
10:13 10 McCorrison's notebook, which we have seen  
11 before, and there is a couple remarks here. If  
12 you could go to 0 -- 278820, and this is  
13 Detective McCorrison's note:

14 "Detective office, checked files with Dennis  
10:13 15 Cadrain, taken to the Hide Out and returned  
16 to detective office with lunch for himself  
17 and brother Albert. 1.60 paid by Lieutenant  
18 Short.

19 Detective Sergeant Porter  
10:13 20 transported to 334 Avenue O South re:  
21 Witness statement...",  
22 and that's Cadrain's address. And I should  
23 actually just scroll up to the top of that page,  
24 and that is of course Sunday, March 2nd, and he  
10:14 25 reports for duty at I think that's 1:40 p.m. If

1           you could then go to page 278821, and again this  
2           is still March 2nd, '69:

3                   "Called at station for Detective Hein.

4                               4:00 p.m. called at 19th and P,  
10:14 5           picked up Albert Cadrain brought him to  
6           station where taken to detective office by  
7           Detective Hein."

8           And then finally page 278823, and this is  
9           Wednesday, March 5, and we'll just finish up  
10:14 10          with -- again this is not legible, it comes  
11          through on the bottom, but it says:

12                   "9:00 p.m. with Detective Hanson, called 334  
13                   O South, oldest child home, was girl,  
14                   approximately nine years. Called at  
10:15 15          Miller's Hatchery. Mr. Cadrain reportedly  
16          on way down to station."

17          And then just down here at the bottom:

18                   "9:35 p.m. to 10:25 p.m., questioned Albert  
19                   Henry Cadrain, 17 years, re: Occurrence  
10:15 20          641-NEG. Partially in presence of Staff  
21          Sergeant Edmondson, RCMP. Cadrain shown  
22          small bone handled hunting knife found on  
23          fence at scene. Doesn't recognize same."

24          It says at the bottom:

10:15 25                   "Discussion with Lieutenant Short, RCMP

1                   officers and morality department re:  
2                   Cadrain."

3                   And then the next page, 278824, it says:

4                   "11 p.m., Albert Cadrain taken home, 334  
10:15 5                   Avenue O South."

6                   So those three reports are the only police  
7                   reports that we have in our records outlining the  
8                   first meeting with Albert Cadrain.

9                   The next document is his first  
10:16 10                  statement, and if you could call up 018501. This  
11                  has been transcribed and perhaps I'll just show  
12                  you the handwritten portion starts on 018503,  
13                  Albert Henry Cadrain, and it's March 2nd of '69,  
14                  and it looks like 12:30 p.m. We weren't able to  
10:16 15                  identify any witness of that statement on any of  
16                  those documents, but I'll go back to the first  
17                  page to the typewritten version. Mr. Cadrain  
18                  states:

19                  "I live at home 334 Avenue O South with my  
10:16 20                  parents and sisters and brothers. I was  
21                  working with Masonry Contractors in  
22                  Saskatoon until about the middle of January  
23                  when I was laid off."

24                  Just a point, we have heard and we'll hear more  
10:17 25                  evidence, Mr. Commissioner, that Larry Fisher was

1 employed at Masonry Contractors in January of  
2 1969. Carrying on the second paragraph:

3 "I had known a fellow by the name of David  
4 Milgaard from Langenburg about a year ago.  
10:17 5 This fellow came to our house the morning of  
6 the murder of Gail Miller at about 9:05 a.m.  
7 That was the first time I had seen him for  
8 about a year. I had not known about this  
9 murder until a few days ago when I came to  
10:17 10 Regina and then last night when I got my  
11 mother told me about it. Getting back to  
12 the morning of the murder, David or Hopy as  
13 I call him came to our house and brought in  
14 some friends - a boy by the name of Ron and  
10:17 15 a girl by the name of Nichol John. I didn't  
16 know these people.

17 About the first thing Hopy said  
18 was that they had to leave town right away.  
19 He seemed excited but not scared. I decided  
10:17 20 I was going to leave a him. I was getting  
21 dressed and I noticed that Hopy changed his  
22 pants and shirt. Now I recall that he had  
23 blood on his shirt on the front and bottom  
24 and also blood on his pants. These change  
10:18 25 of clothes were Ron's and he changed in our

1 living room in front of everyone. Hopy took  
2 the keys from Ron and said he wanted to  
3 drive a couple of blocks, he came back  
4 shortly seemed very excited because he had  
10:18 5 got stuck in the car. Ron's car was about a  
6 1956 Chev, white roof, cream hood and green  
7 body. We all went out to the car and there  
8 was something wrong with it. Hopy went into  
9 the house with me and he phoned for a tow  
10:18 10 truck from the Texaco Service at Avenue P  
11 and 22nd Street. He first asked me if I had  
12 some money which I did. The car stuck on  
13 the south side of the house facing west.  
14 The tow truck came and pushed us to the  
10:18 15 garage at 22 and P. Nichol and I left  
16 (walking) and went to my place, picked up  
17 the Credit Union book and went to Credit  
18 Union (St. Mary's) and I withdrew my money  
19 \$70.00. I stopped at Frank's variety and  
10:18 20 bought a couple of things, then went back to  
21 the garage."

22 Scroll down to the bottom.

23 "While the car was being fixed we went over  
24 to the B.A. cafe and had a drink then went  
10:19 25 back to the garage. The car was ready about

1 noon and we left after I paid the bill for  
2 \$21 and some cents. Hopy always seemed in a  
3 hurry. I can't remember actually what he  
4 did with his soiled clothes but I think he  
10:19 5 put them back in the suitcase and took them  
6 out to the car. We left for Calgary and  
7 Hopy drove like crazy, over a hundred miles  
8 an hour on the icy roads. Sometimes he  
9 drove on the side roads. We stopped at some  
10:19 10 little town Rosetown and bought \$10 worth of  
11 food at a big store. Then we kept going for  
12 Calgary, Hopy still driving like a mad man.  
13 We got to Calgary that night and Hopy got  
14 some grass and we smoked it, then we went on  
10:19 15 to Edmonton, I think the only reason we went  
16 to Calgary was for the drugs which I paid  
17 for - forty dollars worth. We got to  
18 Edmonton about 6:00 a.m. but he went through  
19 to St. Albert about seven miles further. We  
10:19 20 couldn't find the people he knew and we were  
21 getting short of money so Hopy sold some of  
22 it. We stayed in a hotel in St. Albert that  
23 night and stayed on the grass."

24 Next page.

10:20 25 "The next day we went to Calgary I don't

1 remember things too clearly from then on but  
2 on the way back to Calgary I think Hopy  
3 faked car trouble. After a transport came  
4 along after some light blinking and Hopy  
10:20 5 talked to the driver and gave him some  
6 packages out of car trunk. Then he gave us  
7 a fake push and we went on. I was  
8 pretending I was sleeping. Later on Hopy  
9 got me alone and asked me if I was asleep  
10:20 10 last night, I said I was pretty sure I knew  
11 what was going on. He told me he was in the  
12 Mafia. Sometime after this we ended up in  
13 Banf and were picked up by the police, they  
14 gave us a meal ticket. I should also  
10:20 15 mention that Nichol bounced some cheques in  
16 Edmonton.

17 From Banf we went to Regina.  
18 This would be about a week after leaving  
19 Saskatoon, as I said after smoking all that  
10:20 20 grass I don't remember too good. In Regina  
21 Nichol and I were dropped off at Cornwall  
22 House, I stayed there a couple of days and  
23 then got picked up by the Regina police on a  
24 vag charge and spent a week at the  
10:21 25 institute. After I got out I went back to

1 Cornwall House and left. I got a job on a  
2 ranch 10 miles east of Regina. I got this  
3 job through the nuns in Regina. When we  
4 first got into Regina I said that Nichol and  
10:21 5 I were dropped off at Cornwall House - a  
6 kind of hippy joint. I have not seen Ron or  
7 Hopy or Nichol since.

8 I worked on this farm a couple  
9 of weeks and got fed up yesterday and came  
10:21 10 to Regina and got the 6 o'clock bus and came  
11 back home. That's actually the first run  
12 down I got of the murder here and I started  
13 to think about all the things that happened  
14 and the way Hopy acted that first day and  
10:21 15 him changing clothes and blood and I think  
16 he is involved. I talked to my brother  
17 Dennis all night and discussed this. We  
18 decided to tell our parents which we did  
19 this morning and they told us to come to the  
10:21 20 police which we did.

21 Hopy always talked about  
22 cleaning the car but he either didn't have  
23 money or did not get around to it. Hopy  
24 talked about a gun once but I never seen  
10:21 25 one. I never noticed any blood or knives in

1           the car. I never did see into the trunk.  
2 Just scroll down. He then gives a description of  
3 the three and finishes off:

4           "Everyone seemed to be afraid of Hopy all  
5 the time."

10:22 6           So that was the statement on March 2nd. If I can  
7 then go back to Detective Karst's report of  
8 009233, just go chronologically. So Sunday,  
9 March 2nd, '69 was the day Mr. Cadrain went into  
10:22 10 the police. If you can go to the second page,  
11 009234, just scroll there, and again the first  
12 paragraph which I read earlier but I'll repeat,  
13 and this is March 2nd:

14           "Lieutenant Short advised the chief of this  
10:22 15 information. Consequently this department  
16 was in touch with Inspector Riddell of the  
17 RCMP detachment, Regina, and through those  
18 efforts it was revealed that Milgaard was  
19 presently staying in a motel in Winnipeg,  
10:23 20 Manitoba. It was then decided that a member  
21 of this department should attend in Winnipeg  
22 and interview this suspected Milgaard."

23           Again this is Detective Karst's report. He goes  
24 on:

10:23 25           "On the morning of March 3rd I attended at

1 the Vaughn Street Boys Correctional  
2 Institute in Winnipeg where David Edgar  
3 Milgaard, 16 years of age, date of birth  
4 July 17th, 1952, home address Langenburg,  
10:23 5 Sask was being held on a suspicion of murder  
6 charge having been detained there by a  
7 member of the Mounted Police, one Constable  
8 Charles Kopang of the GIS section of that  
9 division. Milgaard was transported to the  
10:23 10 Mounted Police barracks where he was  
11 interviewed at length by myself and other  
12 members of the Mounted Police along with  
13 Staff Sergeant Stan Edmondson of Saskatoon  
14 who was attending in Winnipeg at the same  
10:23 15 time and after a lengthy interrogation and  
16 statements taken from this youth, it was  
17 decided that there were many points for  
18 which his answers were too vague to be  
19 actually authentic. Milgaard's body was  
10:23 20 checked with regards to the physical marks.  
21 Although old scratches etc. were noted on  
22 his hands and on the back of his neck, it  
23 was nothing that could be connected with any  
24 recent struggle. It should also be noted at  
10:24 25 this time that during the day of March 3rd I

1 attended at room number 3 and number 4 which  
2 was being used by Milgaard at the Boulevard  
3 Motel in Winnipeg, the premises thoroughly  
4 searched, also his luggage, clothing etc.  
10:24 5 checked, however nothing was noted which  
6 would be of any assistance in this  
7 investigation, however it was noted that all  
8 his shirts, etc., trousers, etc., had been  
9 drycleaned and still had drycleaning tags of  
10:24 10 Perth's Drycleaning business in Winnipeg  
11 where he stated all of his clothes had been  
12 drycleaned recently as they had become  
13 soiled. However as noted in and covered in  
14 the statement he does not know what happened  
10:24 15 to this particular clothing which he had  
16 changed at the Cadrain residence on the  
17 morning of the murder, stating that he may  
18 have thrown them in the suitcase or he may  
19 have thrown them out of the car or left them  
10:24 20 in a motel room or in fact stated he didn't  
21 know what had become of them. Through  
22 investigation and statements taken from  
23 Milgaard, there were several points of  
24 interest noted."

10:25 25 Just scroll down, please.

1 "1. That his arrival time in Saskatoon  
2 coincided with the time of the murder."

3 2. He can be placed in the vicinity of the  
4 murder due to his own admission.

10:25 5 3. And we know he was travelling in the  
6 lanes having been told from same --"

7 It should be towed, it says told:

8 "-- having been towed from same by tow  
9 trucks which we have information and  
10:25 10 statements with regard to.

11 4. Also that Milgaard attended at the  
12 Cadrain residence and also through his own  
13 admission was in an excited condition and  
14 although he denies this, Cadrain stated that  
10:25 15 he had blood on his clothing, this clothing  
16 not to be found or located at this time.

17 5. Also that from Inspector Riddell's  
18 conversation with the other youth involved,  
19 Ronald Wilson in Regina, stating that  
10:25 20 certainly Milgaard was excited giving the  
21 reason as his girlfriend having ditched him  
22 for one of the other youths, when in fact it  
23 is found through Milgaard's statement that  
24 he was a little excited and in a hurry due  
10:26 25 to the fact that he was going to see his

1 girlfriend in St. Albert, Alberta, this  
2 girlfriend being Sharon Williams, he giving  
3 her address as 54 Gillian Crescent,  
4 St. Albert.

10:26 5 6. That we know these persons were under  
6 the effect of drugs through their own  
7 admission.

8 7. Also that these persons were in  
9 financial trouble.

10:26 10 8. Also to be taken into consideration is  
11 the record and type of offences which  
12 Milgaard has a record, this being covered in  
13 the statements taken from him.

14 9. There is also some indication from one  
10:26 15 of the service station attendants that while  
16 the vehicle was being fixed at the garage at  
17 Avenue P and 22nd Street that Milgaard made  
18 various attempts to clean the auto out."

19 And I'll pause there for a moment,

10:26 20 Mr. Commissioner. We did hear from the service  
21 station attendants both in read-ins in the second  
22 week of the hearings.

23 "10. And one of the most important factors  
24 to be kept in mind is the time element  
10:26 25 involved, as there is no accounting for the

1 time which they arrived in the city, which  
2 is approximately 5 or 5:30 by their own  
3 testimony, and statements and we cannot  
4 account for any of their actions until  
10:27 5 approximately 20 minutes to eight when they  
6 were stuck in a lane in the 100 block off of  
7 south of 22nd between Avenue T and U. This  
8 portion being covered by a further statement  
9 from Wally Danchuk of 129 Avenue P South who  
10:27 10 had also observed these persons that  
11 morning.

12 Intensive interrogation and  
13 questioning of Milgaard by myself and Staff  
14 Sergeant Edmondson revealed that he does not  
10:27 15 account for this period of time and states  
16 he just doesn't remember other than probably  
17 driving around looking for his friend  
18 (Shorty's) residence. It was also noted  
19 that Inspector Riddell had the same results  
10:27 20 with regards to the time element when  
21 questioning the Wilson youth in Regina.

22 I might also add that a  
23 peculiarity of Milgaard noted was that upon  
24 my arrival in Winnipeg and the questioning  
10:28 25 of him in the early morning of March 3rd, he

1 did not appear nervous or in a tense  
2 condition as would be anticipated of a 16  
3 year old youth being held on a suspicion of  
4 murder charge, being held for several hours  
10:28 5 in anticipation of what might be coming, he  
6 made no mention of obtaining legal aid,  
7 which is a usual custom when dealing with  
8 youths with a record of his type.

9 Also noted that Milgaard has in  
10:28 10 fact received psychiatric treatment during  
11 the past years from the Psychiatric Centre  
12 in Yorkton, Sask, his doctor being at that  
13 time Dr. Andres, this portion being admitted  
14 by Milgaard, however not checked out. It  
10:28 15 was also noted that although Milgaard's  
16 clothing has not been located he states that  
17 when attending at the Trav-a-leer Motel in  
18 the early morning of January 31st in regards  
19 to obtaining a map for directions, he  
10:28 20 recalls his crotch being completely ripped  
21 out of his trousers. It was also noted that  
22 Milgaard's reason for driving in the lanes  
23 while in the city on the morning in  
24 question, his explanation for being in the  
10:29 25 lanes was that he was looking for his

1 friend's residence and for St. Mary's  
2 cathedral as he would be able to get  
3 directions from this. However, it is felt  
4 that anyone being lost and not knowing  
10:29 5 directions would hesitate to drive in the  
6 alleys to get bearings. It was noted that  
7 Inspector Riddell checked out the Wilson  
8 vehicle which was located in Regina and  
9 found nothing that would indicate that it  
10:29 10 was involved in the murder in the same,  
11 however it was also noted that the suitcase  
12 mentioned nor the articles of clothing were  
13 located in the same, nor has the girl been  
14 located or interviewed, namely Nichol John,  
10:29 15 which may be of some value with regards to  
16 interrogation and further information with  
17 regards to this suspect Milgaard.

18 My personal feelings after  
19 interrogating this youth and after being in  
10:29 20 conversation with Sergeant Edmondson is that  
21 he could be responsible for an offence of  
22 this type and there are many areas which I  
23 think should be cleared up further with  
24 regards to time element and discrepancies  
10:29 25 and statements made etc. which I believe

1                   should be done before this person should be  
2                   eliminated as a suspect with regards to this  
3                   file."

4                   The next page he finishes:

10:30 5                   "Further detailed accounts of the  
6                   conversation with Milgaard with regards to  
7                   his employment, type of person, type of  
8                   answers received when questioning him and  
9                   his general attitude are noted through the  
10:30 10                  statements taken from him which is attached  
11                  to this file.

12                                   After a further conversation  
13                   with Inspector Riddell I was advised that  
14                   the Milgaard youth should be released at  
10:30 15                  that time due to insufficient evidence  
16                  obtained with which to lay charges.  
17                  Consequently on the evening of March 3 the  
18                  suspect was released to the Boulevard Motel.

19                                   As a point of interest it is  
10:30 20                  noted that the Cadrain youth was again  
21                  interrogated and a further statement taken,  
22                  however he stuck close to his original  
23                  story. He insists that the marks on  
24                  Milgaard's pants and shirt were blood and  
10:30 25                  that Milgaard stated at the time that he had

1 blood on his clothes, however when  
2 interrogating the suspect he denied any  
3 knowledge of this blood on his clothing."

4 So that report, although dated March 7, '69,  
10:31 5 details the March 3rd interrogation of David  
6 Milgaard.

7 Going chronologically, the next  
8 is 106640 and this is Lieutenant Short's report  
9 that I referred to earlier, it's a report dated  
10:31 10 March 22nd, '69, but is a chronology of events  
11 through early March. Starting right there,  
12 Lieutenant Short says:

13 "On Wednesday, March 5, '69 Albert Cadrain  
14 was again brought in by my request and  
10:31 15 another statement taken from him at which  
16 time he verified and stuck with his story  
17 and he was interviewed at that time by  
18 several members of this department and one  
19 Inspector Riddell of the RCMP and also Staff  
10:31 20 Sergeant Edmondson, I might mention here  
21 that on Sunday, March 2, '69 after getting  
22 in touch with Superintendent Wood and Chief  
23 of Police James Kettles that it was decided  
24 that Detective Karst would go to Winnipeg,  
10:32 25 Manitoba where it was learned through the

1 assistance of Inspector Riddell that one  
2 David Milgaard who was here at that time --"  
3 Et cetera, and we have referred to that in  
4 Detective Karst's report.

10:32 5 The next document is  
6 Mr. Cadrain's March 5, '69 statement which is  
7 006723 and this is dated March 5, '69, and the  
8 last page, when I get to that, it's Raymond  
9 Mackie who took that statement, 5:25 in the p.m.,  
10:32 10 I will go through parts of this. This is the  
11 first paragraph:

12 "In addition to my statement of March 2,  
13 1969 --"

14 I won't go through all of this, Mr. Commissioner,  
10:33 15 some of it I don't think bears on anything we  
16 will be hearing further evidence on, but this  
17 part here he talks about:

18 "After this I went with Leonard Gorchuk, 218  
19 D South to Regina. We hung around a hippie  
10:33 20 place on Cornwall Street. This was probably  
21 during the week of January 20 to 25. We  
22 were in Regina and I met Betty Weeks. She  
23 hitchhiked to Saskatoon with a friend of  
24 her's. This is when I traded boots with  
10:33 25 Betty."

1 Et cetera. If you can go to page 2, and we'll be  
2 hearing from Mr. Gorgchuck on Thursday. 006724,  
3 Mr. Cadrain states:

4 "Since I came home from my trip with Hoppe  
10:33 5 my brother Dennis told me Betty Weeks was in  
6 Maple Creek.

7 On the way to Calgary Milgaard  
8 talked mad and indicated he was mad because  
9 I was with his girl. He told me he wasn't  
10:34 10 mad. He drove just as bad after he picked  
11 up another girl in Edmonton - this one he  
12 took to St. Albert. I took Nichol John with  
13 me to a motel room in St. Albert. Hoppe got  
14 a room also with the girl he had.

10:34 15 Before leaving Saskatoon  
16 January 31 we went to Leonard's house first.  
17 We then tried to find Betty so I could get  
18 my boots back but we couldn't find her."

19 Onto the next page. Parts of this are a bit  
10:34 20 unclear, but I believe it says:

21 "In Regina a fellow who calls himself "the  
22 great bear" came."

23 And this he's talking about before January 31:

24 "They started smoking grass. This was at a  
10:34 25 sort of arts studio by City Hall in downtown

1 Regina. It was on the second from top floor  
2 of this building. I was not on a grass  
3 party in Saskatoon of January 30, 1969.

4 I had heard that Hoppe was in  
10:35 5 Regina when I was there. I enquired for him  
6 but never saw him.

7 The motel we stayed at in  
8 St. Albert was on the road in from Edmonton.  
9 I don't know whether the suitcase which  
10:35 10 Milgaard put his clothes into was taken into  
11 the motel room. The guy who ran the place  
12 helped us start the car in the morning. The  
13 blood I saw on his clothes was on his shirt  
14 tail and on his pants going down. I thought  
10:35 15 at first he had had a virgin. The boots he  
16 wore were black sno boots. His pants were  
17 badly torn.

18 When he first came he said he  
19 had been looking for my place all night. He  
10:35 20 asked also if I had any grass.

21 Milgaard wore a brown coloured  
22 coat. It was torn up from acid. He must  
23 have stolen some batteries. It was ragged  
24 about 3/4 length.

10:35 25 Hoppe mentioned he had blood on

1 his clothes and had to change. I did not  
2 see any blood on his shorts.

3 Nichol John was not having her  
4 period when I was with her in St. Albert.

10:36 5 When we were in Rosetown a  
6 little paring knife was bought to butter the  
7 bread. There was no mention of any other  
8 knife. When we were in --"

9 I'm sorry.

10:36 10 "On the trip there was no mention of Hoppe  
11 or anyone else having had a girl in a back  
12 lane."

13 Then the last page, and there's Detective  
14 Sergeant Mackie's signature, Cadrain finishes  
10:36 15 stating:

16 "I remember someone carrying a suitcase out  
17 of Hoppe's room in the morning before we  
18 left. I don't remember anyone taking it in  
19 the night before."

10:36 20 So that's his March 5, 1969 statement and those  
21 are the only two statements in our records that  
22 were provided to the police.

23 The next report I wish to call  
24 up is an RCMP report and it is 00 -- pardon me  
10:37 25 250597, and some of the police reports that I had

1 read, there was reference to members of the RCMP  
2 being involved in the interviews.

3 If you could go to the next  
4 page, 250598, and this is by a Constable  
10:37 5 Rasmussen. It refers to the Gail Miller murder.  
6 It's received by the Attorney General's  
7 department on May 16, 1969. It's dated May the  
8 7th, '69 and goes through a chronology of events.  
9 If I could have you go to 250600 and this is the  
10:37 10 RCMP's account of Mr. Cadrain. I'll just skip  
11 ahead here to some of the important parts there.  
12 It says:

13 "Cadrain stated the first thing Milgaard  
14 said was that he had to leave town right  
10:38 15 away and that he seemed very excited but not  
16 scared. Cadrain himself decided to leave  
17 with them. Cadrain said he was getting  
18 dressed, at which time he noticed that  
19 Milgaard changed his pants and shirt.  
10:38 20 Cadrain recalled that Milgaard had blood on  
21 his shirt on the front and bottom and also  
22 some blood on his pants. Apparently the  
23 clothes that Milgaard changed into belonged  
24 to Ron Wilson and he changed in the living  
10:38 25 room in front of everyone. When the change

1 had been completed, Milgaard took the car  
2 keys from Ron Wilson who apparently owned  
3 the vehicle, stating he wanted to drive a  
4 couple of blocks. Milgaard returned shortly  
10:38 5 and seemed very excited and indicated he had  
6 got stuck with the car."

7 Cadrain describes the car and then just down to  
8 this part here, if you could call out that, this  
9 is where the RCMP describe Cadrain's statement  
10:39 10 regarding the driving:

11 "They proceeded west on their way to Calgary  
12 with Milgaard driving in a very fast manner  
13 and sometimes leaving the main highways to  
14 proceed on side roads. In his statement  
10:39 15 Cadrain goes on to describe the trip which  
16 lasted a number of days and the events  
17 during this trip. He stated that Milgaard  
18 was always talking about cleaning the car  
19 but he either didn't have enough money to do  
10:39 20 so or didn't get around to it. Cadrain  
21 stated he did not actually remember what  
22 Milgaard did with his soiled clothes but  
23 believed he put them back in his suitcase  
24 and took them out to the car. Milgaard was  
10:39 25 apparently never approached by Cadrain

1           regarding any blood or knives on his person  
2           or in the car. Cadrain apparently never did  
3           see in the trunk. Cadrain advised that he  
4           did not hear about the murder until a few  
10:39 5           days prior to returning to Saskatoon when he  
6           was in Regina."

7           And then Cadrain's statement is attached. And  
8           then just scroll down and this is the report of  
9           the RCMP interview with Mr. Milgaard, it says:

10:40 10            "This date Staff Sergeant Edmondson and  
11            Detective Karst, Saskatoon City Police,  
12            interviewed Milgaard at Winnipeg, Manitoba.  
13            Milgaard stated that in the early a.m. of 31  
14            January 69 he, accompanied by Wilson,  
10:40 15            departed Regina for Saskatoon. Stated they  
16            were on their way to Edmonton to see his  
17            girlfriend, Sharon Williams. Stated that on  
18            their way to Saskatoon they had trouble with  
19            Wilson's car and they had borrowed a battery  
10:40 20            for it. Stated that when they arrived in  
21            Saskatoon they started looking for Albert  
22            Cadrain's place whom he had met before.  
23            They didn't know exactly where Cadrain lived  
24            but knew it was in the Pleasant Hill area of  
10:40 25            Saskatoon. Stated while driving around they

1 became stuck in an alley in that area  
2 however, could not give the exact location.  
3 Stated that as they drove up the alley they  
4 came upon a car ahead of them and when they  
10:40 5 tried to give it a push they also became  
6 stuck. The car was described as a 63 or 64  
7 Ford and was occupied by a man and a woman.  
8 Stated the man called for a tow truck and  
9 they all subsequently went into this  
10:41 10 person's house and waited for it to come.  
11 When it arrived the other vehicle was pulled  
12 out but as Milgaard had no money the tow  
13 truck left without assisting him. Milgaard  
14 believed that he got to Cadrain's place at  
10:41 15 approximately 9 or 10 a.m. Subject admitted  
16 changing clothes at Cadrain's house and  
17 stated maybe his pants contained acid from  
18 the battery and maybe his shirt did as well,  
19 however he was not sure. When asked what he  
10:41 20 did with the clothing he took off, Milgaard  
21 stated maybe he had thrown it out. Subject  
22 also stated the reason for changing his  
23 clothes was that his pants had a hole in the  
24 crotch. Stated he did not know if there was  
10:41 25 any blood on his clothes. After changing

1 his clothes, subject apparently went back  
2 out to the vehicle which was parked across  
3 the street. Subject then turned the vehicle  
4 around and disappeared for a few minutes.  
10:41 5 Stated the only reason for moving the car  
6 was to put his suitcase in and also that the  
7 car was across the street facing in the  
8 wrong direction. Stated he had driven in a  
9 lane possibly twice and gave his reason for  
10:42 10 this as liking to drive. Subject gave his  
11 reason for being in a hurry or excited as  
12 wanting to see his girlfriend in Edmonton  
13 and stated that he gets excited very easily  
14 and frequently. Statement obtained from  
10:42 15 Milgaard attached."

16 We'll be getting into that later. Carrying on to  
17 paragraph 11, and again this is the RCMP report  
18 about their involvement, it says:

19 "This same date --"

10:42 20 Which would be March 3 of 69:

21 "-- Inspector Riddell located and  
22 interviewed Ronald Dale Wilson. Wilson  
23 stated that he, accompanied by Milgaard and  
24 Nichol John, left Regina in his 1958 Pontiac  
10:42 25 about 1 a.m. of 31 Jan. 69. Stated that

1                   they drove directly to Saskatoon where they  
2                   planned on meeting 'Albert', who was later  
3                   found to be Albert Cadrain. Stated they  
4                   arrived in Saskatoon about 5 or 6 a.m. that  
10:42 5                   morning and began driving around looking for  
6                   Albert's house. Apparently Milgaard had  
7                   been there before and stated he would  
8                   recognize the house which he believed was in  
9                   the 'Peace Hill' district. Wilson was  
10:43 10                  driving and when going down on alley, came  
11                  across a car that was stuck ahead of them.  
12                  Wilson stated he couldn't get by and  
13                  couldn't back up as the reverse gear of his  
14                  car was gone. Wilson stated he attempted to  
10:43 15                  give this man a push and as he did so,  
16                  stalled his car and couldn't get it going  
17                  again. Stated they tried for about an hour  
18                  to get this fellow's car out by pushing but  
19                  when this could not be done, this man  
10:43 20                  invited Wilson, John and Milgaard into his  
21                  house to get warm while he phoned for a tow  
22                  truck. The tow truck arrived, pulled this  
23                  person out and then left. This person then  
24                  gave Wilson a push with negative results.  
10:43 25                  This unknown male then drove the three to a

1 service station and they returned with a two  
2 truck which gave them a boost. When the car  
3 started, the tow truck driver didn't have  
4 any change so they told him they would  
10:43 5 return to this service station and pay him  
6 however, this was not done. The fellow in  
7 the red car just went into his house and  
8 Wilson went on to try and find Albert's  
9 place. By this time it was daylight and  
10:43 10 about 8 or 9 a.m. Milgaard was finally able  
11 to find Cadrain's house and they parked on  
12 the street in front of it. The three  
13 eventually went into the house where they  
14 started talking about this trip and Albert  
10:44 15 decided to come with them."

16 Just scroll down.

17 "Stated Milgaard went out to get his  
18 suitcase so he could change clothes as his  
19 were dirty. When he got dressed, he went  
10:44 20 out and apparently drove the car around the  
21 block so it would be parked on the same side  
22 as the house. At this time the line to the  
23 transmission broke. After checking the  
24 vehicle, a tow truck was again summoned and  
10:44 25 when it arrived, pushed them to the garage

1 at the corner of 22nd St. and Avenue P.  
2 Wilson gave the reason for Milgaard changing  
3 clothes as because his were dirty. Wilson  
4 stated that he changed his pants because he  
10:45 5 had spilled battery acid on them. Stated  
6 that at no time while they were in Saskatoon  
7 was Milgaard out of his sight for more than  
8 a minute or two, except for the one time  
9 when he drove the car around the block and  
10:45 10 this was well after daylight. Stated he  
11 never knew of Milgaard having a knife.  
12 Stated that Milgaard was wearing a brown  
13 coat which is now at Wilson's place and it  
14 also has acid burns. The pair of pants he  
10:45 15 changed are now in the rear of his car.  
16 Wilson's statement is attached."

17 And then paragraph 12:

18 "At the time of this interview, Wilson's  
19 vehicle was being held in the Regina City  
10:45 20 Police compound. Inspector Riddell searched  
21 same and located one pair of grey trousers  
22 under the front seat, same containing no  
23 blood stains. Subject's mother indicated  
24 she had thrown ...",

10:45 25 and I think "subject" there is Ron Wilson:

1                    "... subject's mother indicated she had  
2                    thrown the brown jacket referred to in  
3                    subject's statement into the garbage some  
4                    time earlier. She stated the jacket had  
10:45 5                    several acid burns but she hadn't noticed  
6                    any blood stains. Inspector Riddell  
7                    indicated that Wilson gave his statement in  
8                    a straightforward manner and did not appear  
9                    to be trying to hide anything. Wilson was  
10:46 10                   not sure of the exact times he gave in his  
11                   statement but felt that it was between the  
12                   hours of 6:30 and 8 a.m. that they were  
13                   driving around trying to locate Cadrain's  
14                   place and became stalled in the alley behind  
10:46 15                   the house of the fellow driving the red  
16                   car."

17                   Next in the chronology, if we could go back to  
18                   Lieutenant Short's report, 106640, and again this  
19                   is the March 22nd report. Starting right here it  
10:46 20                   says:

21                   "Also, it should be mentioned that on and  
22                   around March 31 . . . ,"

23                   I believe that should be March 3:

24                   "... Inspector Riddell obtained a statement  
10:47 25                   from Ron Wilson who was and is in the Regina

1 gaol and on March 11 another statement was  
2 obtained from Nichol John female who was in  
3 the City of Regina. Both these persons  
4 admitted having been in Saskatoon at the  
10:47 5 time but knew nothing of this particular  
6 murder. On Tuesday March 18/69, Detective  
7 Karst and myself took Albert Cadrain to  
8 Regina and were in touch with the Regina  
9 City Police there and later we proceeded to  
10:47 10 the Regina gaol and interviewed Ron Wilson  
11 again, however, nothing further was learned  
12 from him and we also found his home and  
13 talked to Mrs. Wilson where there was some  
14 discrepancies found in the clothing that  
10:47 15 these boys both Wilson and Milgaard were  
16 wearing when they left Regina. Also female  
17 Nichol John was located in a hippie house in  
18 Regina and she was after considerable  
19 persuasion brought to the Regina gaol and  
10:47 20 interviewed by Karst and myself and was  
21 placed in a room with Cadrain and allowed to  
22 discuss this matter and it was learned from  
23 her after this discussion that through  
24 interrogation that she was of the opinion  
10:47 25 that Cadrain was telling the truth and that

1 everything he said was exactly what had  
2 happened on this trip. She was of the  
3 opinion that Milgaard was of a dangerous  
4 character and that he had forced her to have  
10:48 5 intercourse etcetera several times and she  
6 was afraid of him. It is my opinion that  
7 Milgaard is a dangerous person and it is  
8 known that he had a record as a juvenile for  
9 several serious offences and although at  
10:48 10 this time we did no not locate Milgaard it  
11 is my opinion that he should be located and  
12 probably followed and kept under close  
13 contact for some time in hopes of learning  
14 something further in regards to this  
10:48 15 person's activities while in Saskatoon with  
16 Nichol John and Wilson. I have since  
17 learned from Malanowich who has recently  
18 made a trip to Edmonton to locate a girl in  
19 that city who Milgaard contacted on this  
10:48 20 trip that they made, and that this  
21 particular girl is of the same opinion as  
22 Nichol John and Cadrain in regards to  
23 Milgaard, that he is of a dangerous  
24 character."

10:48 25 So that is March 18th, and we can then go back to

1 250597, and this is the RCMP report that I  
2 referred to earlier of Rasmussen of May 7th, '69,  
3 and if you could go to page 250603, just down at  
4 the bottom -- this is the RCMP report -- it says:

10:49 5 "Our Crime Detection Laboratory at Regina  
6 advised that seminal fluid found at the  
7 scene was very probably from a secretor of  
8 Group "A". The lab defined a 'secretor' as  
9 a person who secretes their "AB" blood  
10:49 10 grouping substance and other bodily fluids.  
11 Copy of lab. report attached."

12 Paragraph 19:

13 "It is mentioned that during the late fall  
14 of 1968 the local police department had  
10:50 15 reports of two rapes and one attempted rape.  
16 These investigations were conducted by the  
17 City Police with negative results. Persons  
18 involved were as follows:",

19 next page. And I blacked out, Mr. Commissioner,  
10:50 20 the names of those three victims. If we could  
21 just call out that part, and these are I think  
22 victims one, two, and three in the time line,  
23 these three individuals mentioned in this report  
24 are the assaults for which Larry Fisher later  
10:50 25 plead guilty to. And the report goes on:

1 "In these three instances the M.O. was  
2 similar in that the male approached his  
3 victim from the rear, covered their mouth  
4 with his hand and pointed a knife into their  
10:50 5 back, forcing them down the lane. The  
6 descriptions of the assailant given by all  
7 three were very similar and it appeared that  
8 the same person was involved. The assailant  
9 would force his victim to undress at  
10:51 10 knifepoint and always managed to stay in the  
11 shadows or behind them in order that his  
12 identity would not be detected. He would  
13 then have the victim lie on her coat at  
14 which time intercourse would take place. In  
10:51 15 the blank case, the assailant was scared  
16 away as a result of lights of a vehicle  
17 approaching down the lane."

18 Carry on down, paragraph 20, and this is under  
19 March 10, 1969, is where these paragraphs come in  
10:51 20 the RCMP report, paragraph 20:

21 "As none of the exhibits obtained in any of  
22 the above cases had been analysed by our  
23 Laboratory, it was suggested that this be  
24 done in order to establish whether or not  
10:51 25 the person responsible in these incidents

1 was the same one responsible for the Miller  
2 murder. Accordingly, on 20 March '69  
3 exhibits obtained from blank were  
4 transported to the C.D.L., Regina for  
10:51 5 serological examination. These included two  
6 smears on microscope slides, one pair of  
7 blue panties and one plaid jacket. Results  
8 of this examination indicated agglutinogens  
9 of Type "A" were found on the blue panties  
10:52 10 and plaid jacket. No attempt could be made  
11 to determine the agglutinogens on the slides  
12 as they did not provide enough sample for  
13 the test. It is not known if blank is a  
14 Group "A" secretor however, an attempt is  
10:52 15 being made by the Saskatoon City Police to  
16 obtain further samples such as saliva for  
17 further examination. Statements originally  
18 obtained from these girls by the Saskatoon  
19 City Police are attached."

10:52 20 Paragraph 21:

21 "As a result of the foregoing, it is felt  
22 there is a strong possibility the three  
23 rapes and the murder are directly connected.  
24 In view of this, extensive interrogation was  
10:52 25 conducted with blank with negative results.

1 She, however, did indicate and named a  
2 person who was later interrogated and  
3 submitted to a blood test which indicated he  
4 was a member of the "O" Group. These three  
10:52 5 girls have been interviewed at length to no  
6 avail. All stated that they have not seen a  
7 person as described in their statement nor  
8 have they any idea who may have been  
9 responsible."

10:53 10 And just scroll down to paragraph 22, and this is  
11 March 11th, '69:

12 "This date Inspector Riddell located and  
13 interviewed Nichol John, at which time she  
14 outlined the trip from Regina to Saskatoon  
10:53 15 and confirmed statements given by Milgaard  
16 and Wilson. Stated that throughout the  
17 morning they were in Saskatoon the three of  
18 them were together and she was sure Milgaard  
19 and Wilson never left her for more than a  
10:53 20 few minutes at a time. Statement of John is  
21 attached."

22 And then to the next page. I won't read these  
23 out, Mr. Commissioner, but 23 and 24 deal with  
24 the RCMP review of the same information regarding  
10:53 25 the tow trucks.

1                   If you could go down to  
2                   paragraph 25, and this is March 20, 1969:

3                   "This date Morality Officer J. Molanovich,  
4                   Saskatoon City Police, interviewed Sharon  
10:54 5                   Ann Williams ... of 54 Julian Crescent, St.  
6                   Albert, Alberta. Williams advised that she  
7                   was contacted by Milgaard on Saturday, 1  
8                   February '69 at approximately 6:30 p.m.

9                   At that time he told her he had arrived in  
10:54 10                   Edmonton early Friday, 31 January. She was  
11                   questioned as to whether or not she saw any  
12                   blood on his clothing or clothing in his  
13                   possession however, she could not give any  
14                   information of value in this regard. She  
15                   admitted looking into his suitcase in St.  
16                   Albert and noted some nylons in it which  
17                   were the only items of women's clothing.  
18                   She questioned him in this regard and he  
19                   indicated they belonged to Nichol John. She  
10:54 20                   indicated she felt that Milgaard would be  
21                   quite capable of murder. When she saw  
22                   Milgaard on 1 February she indicated he was  
23                   definitely different on this occasion and it  
24                   seemed to her that he was running away from  
10:54 25                   something. Morality Officer Molanovich also

1 interviewed the owners of the Trail Inn  
2 located just outside of St. Albert who  
3 indicated they had received \$8 from a Ron  
4 Wilson of Regina, operating a vehicle  
10:54 5 bearing Sask. licence 304865 for a room in  
6 Cabin #1. Stated this party left the cabin  
7 sometime during 2 February '69, leaving a  
8 number of articles of clothing behind."

9 Next page, paragraph 26, again this is under the  
10:55 10 date of March 20, '69:

11 "It is mentioned that on 4 April '69 a  
12 wallet fitting the description of that which  
13 had belonged to Miller was located near the  
14 residence of Albert Cadrain. The wallet was  
10:55 15 in a yard and was exposed as a result of  
16 melting snow. The papers from the wallet  
17 were scattered around the yard and bore the  
18 identification of Gail Miller. There was no  
19 money in the wallet when found. Extensive  
10:55 20 enquiries were made throughout the area with  
21 negative results. In view of the foregoing  
22 and as it now appears that Milgaard and  
23 Cadrain could be very good suspects and as  
24 Milgaard was considered capable of this  
10:55 25 offence, they were again interviewed at

1 length however nothing of value could be  
2 received. Even though other persons  
3 interviewed indicated Milgaard did not have  
4 blood on his clothing in the a.m. of 31  
10:56 5 January, Cadrain still stated definitely  
6 that Milgaard did have blood on his shirt  
7 and some on his pants. Milgaard still did  
8 not know whether or not this was the case.  
9 Both subjects volunteered to blood tests.  
10:56 10 Cadrain is a member of "O" Group. Milgaard  
11 was found to be of Group "A" however, is not  
12 a secretor and has also been eliminated as a  
13 possible suspect."

14 Next in the chronology is a police report,  
10:56 15 investigation report, dated April 18th, 1969, and  
16 it's 106661, and this is a report of Detective  
17 Karst of April 18th, 1969. It says:

18 "On Monday, April 14/69, in company with  
19 Staff Sergeant Edmondson local Mounted  
10:57 20 Police Detachment, further inquiries were  
21 made in Regina with regards to the Nichol  
22 John girl and Ronald Wilson who resides at  
23 126 Cornwall Street North, Regina, and also  
24 with regards to David Milgaard.

10:57 25 The above inquiries were made

1 in addition to those previously made at that  
2 centre by Lieutenant Short and myself as  
3 further information had been obtained and  
4 more answers needed with regards to these  
5 persons.

6 With the assistance of Ken  
7 Walters, Constable with Regina City Police,  
8 we located the Nichol John girl at 817  
9 Victoria Avenue and transported her to the  
10 City Police Station and was interviewed at  
11 length. Further investigation of this girl  
12 when she was interviewed gave one the  
13 feeling that she was telling the truth and  
14 she emphatically stated she could not recall  
15 any time while they were in the City of  
16 Saskatoon during the morning of the murder  
17 at which time Wilson or Milgaard had left  
18 the vehicle in which they were driving long  
19 enough to commit this offence. She denied  
20 that Milgaard had left their vehicle at any  
21 time to go to a bathroom or go for a cup of  
22 coffee which she could recall. The girl did  
23 however state that she felt Milgaard was  
24 capable of an offence of this nature and  
25 admitted having sexual relations with him at

10:57

10:57

10:57

10:58

1 different times and that he was more of the  
2 animal nature than you would expect of a  
3 human."

4 Scroll down, please:

10:58 5 "She was again questioned with regards to  
6 the alleged blood on Milgaard's clothing and  
7 changing clothing at the Cadrain's  
8 residence, 334 Avenue O South, Saskatoon,  
9 however she states she could not recall  
10:58 10 seeing any blood on his clothes, and thought  
11 he had changed the trousers for the reason  
12 that they had been ripped. Questioning of  
13 this girl also revealed that her thoughts of  
14 Milgaard had been that he had acted in a  
10:58 15 queer manner when in Saskatoon to the effect  
16 that he was always in a rather hurry also  
17 that he drove unusually fast when in the car  
18 leaving Saskatoon and did not seem to be  
19 himself at that time.

10:58 20 The Nichol John girl described  
21 Milgaard's jacket which he had worn at that  
22 time as being made of brown suede material  
23 with lighter coloured knitted cuffs and  
24 knitted stripes down the front and also a  
25 collar, and she did not think there were any

1 buttons on this jacket. She also stated he  
2 was wearing a dark coloured toque when in  
3 Regina however she did not recall seeing  
4 this toque again. This being of interest as  
5 a toque had been found by myself in the yard  
6 directly north on Cadrain residence which  
7 had red substance on it which Lieutenant  
8 Penkala at present has sent to lab. for  
9 further analysis."

10:59 10 Carry on down to the bottom. Actually, you can  
11 go to the next page, 106662. The report states:

12 "Although there are many unanswered  
13 questions with regard to Milgaard's  
14 activities on that particular morning, if  
10:59 15 one is to believe the girl, Nichol John, and  
16 it appears that she is very convincing with  
17 her story, then there is no way in which  
18 Milgaard can connected with this crime.

19 On April 18/69 in Saskatoon  
11:00 20 David Milgaard was interviewed staying at  
21 this centre in the Big T Motel, however no  
22 further information was obtained, Detective  
23 Barrett did however take a further statement  
24 from him and a blood sample was taken from  
11:00 25 him by Dr. Brad and this taken to the Red

1 Cross where it was analyzed and found to be  
2 of "A" type of which we are interested.  
3 Lieutenant Penkala obtained a saliva sample  
4 for a further analysis with regard to being  
11:00 5 a secreter or not and further hair samples  
6 obtained by Identity Officer Kleiv with  
7 regards to further investigation. Milgaard  
8 was interviewed at length by various members  
9 of this department however seems to be no  
11:00 10 way to shake that youth's story. He denies  
11 emphatically having any blood on his  
12 clothing when changing them and when  
13 confronted with the statement that Cadrain  
14 stated he did have blood on his trousers he  
11:00 15 stated that Cadrain was a lyer.

16 With regards to the above  
17 information it now appears that further  
18 questioning of Cadrain is warranted with  
19 regards to the blood as both youths Milgaard  
11:01 20 and Wilson along with the girl, Nichol John  
21 deny that Milgaard had any blood on his  
22 clothing, while Cadrain emphatically states  
23 that he observed this blood. There is also  
24 the fact to take into consideration that  
11:01 25 when the Cadrain youth first attended at the

1 Police Station some weeks ago to advise us  
2 of this information he denied that he knew  
3 anything of this murder in Saskatoon until  
4 he returned home approximately 1 month later  
5 when his mother advised him of same.

6 However this was found to be untrue when  
7 speaking to the Regina City Police we were  
8 advised by them that they had advised  
9 Cadrain of this murder and in fact  
10 questioned about same when they had him in  
11 custody at that point some 2 weeks prior to  
12 coming to Saskatoon. Also it should be  
13 noted that the dead girl's wallet and  
14 contents were found near the Cadrain  
15 residence which could be implicating for  
16 either Cadrain or Milgaard and that in case  
17 they were both known to be in the area.

18 A blood sample was taken from  
19 Cadrain one week ago by Dr. Cross at  
20 University Hospital however to date of  
21 writing this report we have been unable to  
22 obtain the results of this due to other  
23 complications and possibly further efforts  
24 should be made to get another blood sample  
25 from Cadrain to ascertain the typing of his

1 blood grouping.

2 Efforts should be made in the  
3 near future to interrogate both of all 3 of  
4 the Cadrain youths along with the parents to  
5 ascertain with their stories coincide when  
6 all are taken at separate times and apart  
7 from one another.

8 It is also known that through  
9 inquiries made to 218 Avenue D South where I  
10 interviewed Leonard Wytowich, that contrary  
11 to Cadrain's story he was in fact smoking  
12 pot or weed on the night prior to the murder  
13 which Cadrain denied when I originally  
14 interviewed him. A statement was taken from  
15 Woytowich to this effect and he himself  
16 states that at approximately 10 p.m. on the  
17 evening prior to the murder when he was  
18 associated with Cadrain they were both very  
19 high in fact he himself was stoned.

20 Investigations continue with regards to this  
21 particular aspect of this file."

22 Now the next document, Mr. Commissioner, we were  
23 able to obtain records from the Regina City  
24 Police recording Mr. Cadrain's incident in  
25 February of 1969. If I could call up document

1 042761, these are from a microfiche so they are  
2 not very good copies, I think you could zoom in.  
3 I think this is a vagrancy card which has Mr.  
4 Cadrain's address, date of birth, and a file  
11:03 5 number.

6 If you could go to page 042764,  
7 and this is an Offence Report, February, Regina  
8 City Police Department February 6th, 1969  
9 vagrancy charge, Scarth Street at 12th Avenue,  
11:03 10 Regina, on Thursday, February 6th. If we could  
11 then go down to the main document and just call  
12 out that part, it says:

13 "At 3:20 p.m. this date, while patrolling in  
14 radio car #26 and accompanied by Constable  
11:04 15 Leitner, the writer observed a young male  
16 person walking in the vicinity of Scarth  
17 Street and 12th Avenue. He was acting in a  
18 suspicious manner and it appeared that he  
19 was trying to avoid being confronted by the  
11:04 20 police. He was unshaven and was in need of  
21 a haircut. He was shabbily dressed and was  
22 carrying a coat under his arm.

23 This man was approached and he  
24 identified himself as Albert Henry Cadrain,  
11:04 25 date of birth 19/08/51. He stated that he

1 was from Saskatoon and that his parents live  
2 at 334 Avenue O in Saskatoon. He had no  
3 proof of identification on his person. He  
4 stated that he had been in Regina for about  
11:04 5 two days and was staying at a house in the  
6 2100 block Cornwall Street. He had no money  
7 and was not working. He stated that he had  
8 left Saskatoon about one week ago and had  
9 travelled to Calgary and to Banff before  
11:05 10 coming to Regina. He had been approached by  
11 the police at both locations."

12 And then just down at paragraph 4, it says:

13 "Cadrain was taken to the police office  
14 where he was interviewed by Superintendent  
11:05 15 Juno and Detective Dyck. He was  
16 incarcerated in the police cells. When  
17 searched it was noted that he was extremely  
18 filthy and had not bathed for some time."

19 Next, if you could go to  
11:05 20 document 042766, page number, and this is the  
21 information that Mr. Cadrain was charged the next  
22 day with vagrancy, and then to 042762 which is  
23 the record of his conviction, and he was given  
24 seven days in jail on February 7th, 1969. And  
11:06 25 there are no other records that we have been able

1 to locate from his Regina police visit, and we  
2 may be hearing from some of the officers, or  
3 reading in earlier reports from them.

4 The next document is  
11:06 5 Mr. Woytowich's statement, that's document  
6 019403, and this is a typewritten version, at the  
7 back, I'll just go to the statement. If you  
8 could go to 019408, and it's Leonard Gorgchuck,  
9 he changed his name from Woytowich to Gorgchuck,  
11:07 10 I believe, and goes by Gorgchuck, so this is his  
11 handwritten statement. I'll just go back to the  
12 typed version and read parts of that. Back to  
13 the first page, please, second paragraph:

14 "On January 24, 1969 Albert Cadrain and I  
11:07 15 got the train to Regina for the weekend. We  
16 did not go for and reason other than the  
17 weekend but Albert Cadrain had a girlfriend  
18 there by the name of Betty Weeks.

19 On January 24 when we arrived  
11:07 20 in Regina we could not find Betty Weeks so  
21 we spent the night in the Central Motel on  
22 Albert Street. On Friday, January 24 we ...  
23 the Apollos (Regina M.C. Gang). There were  
24 4 or 5 of them stayed in our room for about  
11:07 25 5 hours. We checked out of this motel at

1 noon on January 25/69."

2 If I could pause there, Mr. Commissioner, when we  
3 are hearing tapes of Cadrain's interviews, Albert  
4 Cadrain's interviews with the RCMP, and I believe  
5 with Peter Carlyle, he goes into detail with  
6 respect to these visits in Regina, and we will be  
7 hearing from Mr. Gorgchuck later this week. Page  
8 2 of that statement, it says:

9 "On January 25, 1969 Saturday afternoon we  
10 went to a high school in Regina (Belfour  
11 Tech) and we met Betty Weeks in the school.  
12 The three of us went down town and then to  
13 the Cornwall house. This is a hippy house.  
14 Albert Cadrain and I were smoking Marijuana  
15 at this house. We (Cadrain and I) bought  
16 this Marijuana at Smitty Pancake House. We  
17 bought \$20.00 worth. Albert Cadrain took  
18 \$10.00 worth and I took \$10.00 worth. It  
19 was Alberts that we smoked at the Cornwall  
20 house. While I was high on Marijuana Albert  
21 and Betty left for another part of the house  
22 alone. (Cubby hole)."

23 Next page:

24 "Albert and Betty go and shortly after a  
25 friend of Alberts I believe this friend is

1 David Milgaard. They tried to make a loan  
2 from me to go to Calgary but I had no money.  
3 After they could not get any money from me  
4 they left shortly afterwards.

11:09 5 On January 30, 1969 Albert  
6 Cadrain came to my house in the later  
7 afternoon and we did up some marijuana and  
8 as we were smoking we talked about our trip  
9 to Regina. Some time before two a.m.  
11:09 10 Cadrain left my house to go home. Cadrain  
11 and I were stoned from Marijuana at about  
12 10:00 p.m. when Cadrain later he would not  
13 be as high as at 10:00 I believe. It would  
14 be around 2:00 a.m. January 31, 1969."

11:09 15 Next report is a police report, 106680, and this  
16 is a report of Detective Karst of July 2, 1969.  
17 The first paragraph deals with locating the  
18 toque, call out the second paragraph, it says:

19 "At this time, mention should also be made  
11:10 20 of other information which has apparently  
21 not been attached to this file. This being,  
22 in fact, the portion where Albert Cadrain,  
23 the informant in this matter, advised myself  
24 and Lieutenant Short, that at the time  
11:10 25 himself, along with Milgaard, Wilson and

1           Nicholjohn attended in Calgary, the girl  
2           Nicholjohn and Wilson had left the car at  
3           one time, and at this time David Milgaard  
4           approached Cadrain and made suggestions to  
11:10 5           the effect that he would obtain a gun for  
6           Cadrain to dispose of the other two as they  
7           apparently knew too much. Cadrain advised  
8           that although no gun was in sight and he  
9           never heard Milgaard speak of one at any  
11:10 10          other time, he does recall that these are  
11          the words which were said to him, and it  
12          obviously was in reference to a gun.

13          Cadrain was questioned extensively in this,  
14          however, stuck to this particular story."

11:11 15          And the next police report is 106684, and this is  
16          a report of August 26, 1969, by Detective Ullrich  
17          and refers to a discussion with Albert Cadrain in  
18          Mr. Caldwell's office, and I think August of '69  
19          was when the preliminary hearing was ongoing.  
11:11 20          I'm not sure whether this is before or after  
21          Mr. Cadrain's evidence, I believe before.

22                 "On August 25/69 I with Detective Sergeant  
23                 R. Mackie and Mr. Caldwell, the prosecutor  
24                 interviewed the witness Albert Henry Cadrain  
11:11 25                 in Mr. Caldwell's office. Mr. Cadrain

1 repeated the story he had formerly given to  
2 the police with some additional information.  
3 He stated that he first met Milgaard in  
4 Calgary in the spring of 1968 at which time  
11:11 5 Milgaard on more than one occasion had given  
6 teen age females drugs, had placed them into  
7 a bath tub containing water and had sexual  
8 intercourse with them. The water was to  
9 dispose of any blood which might appear as a  
11:12 10 result of the act. Cadrain claimed that he  
11 observed this act on more than one occasion,  
12 that some of the females were virgins and  
13 blood appeared. Milgaard on one occasion  
14 invited him to come in stating, "Your next."  
11:12 15 Cadrain states that Ed Schellenberg who  
16 lives with his mother near E.D. Feehan  
17 Collegiate was present in Calgary at the  
18 time and could corroborate his story."

19 So that's the last of the police reports,  
11:12 20 Mr. Commissioner, next is excerpts from the  
21 preliminary and trial transcript, if this is an  
22 appropriate time to break?

23 COMMISSIONER MacCALLUM: 15 minutes.

24 (*Adjourned at 11:06 a.m. )*

11:24 25 (*Reconvened at 11:35 a.m.)*

1 MR. HODSON: Next, Mr. Commissioner, I'll  
2 be referring to Albert Cadrain's testimony at  
3 David Milgaard's preliminary hearing and trial.  
4 I don't propose to -- I mean, all of those  
5 transcripts will go in on the record. I propose  
6 to just highlight key portions and as well refer  
7 to some areas. When we hear Mr. Cadrain's taped  
8 interviews later this afternoon and tomorrow, I  
9 want to lay some of the foundation from his  
10 evidence so that we better appreciate what he  
11 says when he's later interviewed.

12 The first transcript is 007869  
13 and that's the preliminary hearing and this is  
14 his examination by Mr. Caldwell, and down at the  
15 bottom, this just refers to -- Mr. Cadrain is I  
16 believe 17 at the time he's testifying here.

17 "Q And how far did you go in school?

18 A Grade seven.

19 Q When did you finish schooling?

20 A About three years ago."

21 Next page:

22 "Q And what are you doing right now for  
23 occupation?

24 A I'm working on the farm.

25 Q Where is that?

1 A Jackfish Lake."

2 Then if you could go to page 007871, down to  
3 question 30, and Mr. Caldwell is asking him about  
4 Mr. Milgaard.

11:36 5 "Q When after that would be the next time  
6 you saw him?

7 A The morning of the murder.

8 Q Now, do you remember a date in  
9 connection with that?

11:36 10 A Could you say that again?

11 Q Could you remember a date, month, day,  
12 year type of thing?

13 A No.

14 Q Alright, so at any rate you saw him one  
11:36 15 morning?

16 A Yah.

17 Q What year was this?

18 A The last time I seen him?

19 Q Yes.

11:37 20 A When we come back from Banff.

21 Q I see. Well fine, but what I'm getting  
22 at is when was the last time you saw him  
23 that you saw him in Saskatoon?

24 A Oh yah, well, he left the next day but  
11:37 25 I can't remember the dates or nothing.

1 Q Are you talking about this hitchhiking  
2 trip now?

3 A Yah.

4 Q Alright. Now, I'm talking about after  
11:37 5 this trip, the next time you saw him.

6 A Oh, yah. The last time I seen him?

7 Q Yah. Now, do you remember the date of  
8 the beginning of the last time you saw  
9 him or not?

11:37 10 A Sunday, no, I don't know -- when we  
11 came back from Banff ..."

12 Just scroll down to the bottom, question 40:

13 "Q What I'm talking about Cadrain, is the  
14 beginning of that trip when you went to  
11:37 15 Banff.

16 A Oh yah. Well, it was the morning of  
17 the murder like.

18 Q Okay. Now, what year was this and in  
19 what month, or do you know?

11:38 20 A It was this year, wasn't it?

21 Q This year.

22 COURT: This year.

23 MR. TALLIS: This year, wasn't it, he said.

24 A I'm not too sure.

25 MR. TALLIS: Yah, not too sure."

1 The next page, again Mr. Caldwell:

2 "MR. CALDWELL: Do you know what month it  
3 was?

4 A Around Christmas time, wasn't it.

11:38 5 Q Around Christmas?

6 A Yah, I'm pretty sure."

7 And then scroll down to question 45, please.

8 "Q And what time of day did you see him on  
9 that occasion?

11:38 10 A It was about nine o'clock in the  
11 morning.

12 Q Whereabout?

13 A At my house, coming running in the  
14 house.

11:38 15 Q Pardon?

16 A Come running in the house.

17 Q And was anyone with him when he came in?

18 A No.

19 Q And who was home at that time?

11:38 20 A My little brother Kenney, and my big  
21 sister, she was upstairs in bed and I  
22 was sleeping on the couch downstairs.

23 Q This would be on the ground floor  
24 downstairs?

11:39 25 A Yah.

1 Q And what did Milgaard have to say to you  
2 when he showed up that morning?

3 A He just opened up the door and he said  
4 'Hi Shorty' and I just seen him and he  
11:39 5 said that he had some friends out in  
6 the car.

7 Q Yes.

8 A I said call them in, have a cup of  
9 coffee or something."

11:39 10 And onto the next page, if I could just call out  
11 that, question 54:

12 "Q He said he had some friends out in the  
13 car and what?

14 A And they're just out in the car.

11:39 15 Q Yes.

16 A And I said call them in and he tried  
17 to call them in but they didn't want  
18 to come in, called them about three or  
19 four times and they stayed out in the  
11:39 20 car and well they came in after about  
21 the fourth time.

22 Q Who did these people prove to be?

23 A Ron Wilson and Nichol John.

24 Q Now, did you know either of them before  
11:39 25 then?

1 A No.

2 Q And were you introduced by David  
3 Milgaard?

4 A Yes.

11:40 5 Q I see. And what happened once these two  
6 got in the house?

7 A Well, they were kind of nervous and  
8 running around, I guess, and Hoppy said,  
9 'I got blood on my clothes and I have  
11:40 10 to change' - well, first before that,  
11 he said, 'We have to -- we got to get  
12 out of town, we're going to Edmonton,'  
13 and he was kind of hinting for some  
14 money, so since I had money ... well, he  
11:40 15 had blood on his clothes after that and  
16 he wanted to change and he asked if I  
17 had any clothes to give him."

18 Next if you could go to page 007875 starting at  
19 question 63:

11:40 20 "Q I think possibly you could start back at  
21 where - what did David say to you first  
22 of all when he got in?

23 A 'Hi Shorty'.

24 Q Right.

11:40 25 A He never seen me in a dogs age or

1 something like that.

2 Q Mhmm.

3 A "Got any dope?" That's it, I guess  
4 and he said 'we have been driving  
11:41 5 around all night looking for you' ...

6 Q Alright.

7 A 'Couldn't find your place, so went and  
8 got a map' or something like that.

9 The he said he had two friends in the  
11:41 10 car that came with him from Regina and  
11 I said then, I said, well call them  
12 in, so he tried to call them in.

13 After they came in - no, he tried to  
14 change his clothes right away, I guess  
11:41 15 and after they came in, well, he  
16 changed right in front of all of us.

17 Q Did you see that going on?

18 A Yes, I was sitting right there.

19 Q Mhmm.

11:41 20 A We all were sitting there.

21 Q Now, did you look at his clothes before  
22 he changed?

23 A It wasn't hard to notice. Yes, I did  
24 look.

11:41 25 Q You did look, and did you see anything?

1 A Yes.

2 Q What did you see?

3 A I seen, well, he had his coat on and  
4 everything else, he took his coat off,  
11:41 5 when he was changing, he had a brown  
6 coat and there was acid all over it  
7 and it was all chewed up, the crotch  
8 of his pants was all ripped up the  
9 back and he had blood on his shirt and  
11:42 10 on his pants.

11 Q What areas, or what places on the shirt  
12 and pants?

13 A Right going down on his shirt and his  
14 pants, right here.

11:42 15 Q And what happened then?

16 A Well, he wanted to change pretty bad  
17 and Ron come in and he called Ron in  
18 with a suitcase, Ron was in and he  
19 sent Ron out to get his suitcase, I'm  
11:42 20 pretty sure it was Ron who went out  
21 and got it.

22 Q Right.

23 A And then that's when he changed but he  
24 asked me if I had any clothes to give  
11:42 25 him, but I got ...

1 Q What did you say?

2 A I said none that would fit him.

3 Q I see.

4 A I never had any.

11:42 5 Q What happened then?

6 A I guess Hoppy, he wanted to go for a  
7 car ride, he was fighting with Ron for  
8 the keys and Ron said, 'that's my car,  
9 I want it, it's mine, and you can't  
11:42 10 drive it.' Well Hoppy says, 'oh yah',  
11 well he just grabbed them anyway, he  
12 was the boss, he just grabbed them and  
13 took off, went around the block, he  
14 must has been, I don't know, because  
11:42 15 he was only gone about five or ten  
16 minutes."

17 And then the next page, question 84:

18 "Q Alright, now you mentioned that your  
19 recollection of Ron bringing in a  
11:43 20 suitcase?

21 A Yah.

22 Q What happened, if anything, with respect  
23 to the suitcase once it got in the  
24 house?

11:43 25 A I can't remember. I can't really

1 remember about the suitcase. I  
2 remember it sitting out on the floor  
3 there and David went in a different  
4 room, but he changed his pants in  
11:43 5 front of all of us, shirt too, I  
6 guess. I don't know if Ron changed, I  
7 can't really remember."

8 And then the next page, down at the bottom,  
9 question 98:

11:43 10 "Q Alright. Now, did you see anything  
11 being done with any clothes that were  
12 taken off?

13 A No.

14 Q Alright.

11:43 15 A I think I seen - I'm pretty sure they  
16 put it back in the suitcase and put it  
17 back in the car. I'm pretty sure  
18 about that.

19 Q Did you see anything done with the  
11:43 20 suitcase then?

21 A No, it was put in the back of the car,  
22 in the trunk of the car and later on  
23 on the trip one night, I'm pretty sure  
24 David gave the suitcase to a transport  
11:44 25 driver or something."

1 Next to page 007882. Pardon me, 007886. This is  
2 -- again Mr. Caldwell went through the evidence  
3 about the car going into the service station.

4 "Q But what I'm asking you is, did any of  
11:44 5 you do anything with, or to the car  
6 while it was there?

7 A No, not really. Just that he wanted  
8 an aerial put on the radio, to get the  
9 radio fixed.

11:45 10 Q Who wanted that?

11 A David.

12 Q And was there anything done about that?

13 A No, they never had no aerials there.

14 Q Did you hear this conversation?

11:45 15 A Yes, I was there."

16 Next page, 007887, question 180, Mr. Cadrain is  
17 asked:

18 "Q And went where?

19 A Well, went to Leonard Woytowich's  
11:45 20 house first, he's a friend of mine and  
21 asked him if he wanted to come too.

22 Q Did you see Leonard?

23 A Yes.

24 Q Without going into what was said, did he  
11:45 25 end up coming with you?

1 A No, he didn't want to come."

2 And the next page, 007889, question 202:

3 "Q Now on the way to Calgary, who drove?

4 A David.

11:46 5 Q What was the manner of the driving?

6 A He was driving like a madman really.

7 Q Why do you say that?

8 A Well, there was ice an inch thick on  
9 the highway and it was dangerous, and  
11:46 10 he was going as fast as the car could  
11 go and the girl was screaming and  
12 crying her head off, he still wouldn't  
13 slow down, he just tried to go  
14 faster."

11:46 15 And then the next page, 007890, and this is a  
16 portion, Mr. Commissioner, dealing with a  
17 transport truck incident that we'll hear much  
18 more about later. Question 215:

19 "Q And then what happened?

11:46 20 A Then we went on the highway, like out  
21 on the highway and I guess we went all  
22 the way out there.

23 Q To Calgary?

24 A Yah.

11:46 25 Q Do you remember any other particular

1 stops along the way?

2 A It was quite late at night, I don't  
3 know how to say it, but I'm pretty  
4 sure Ron was sleeping and the girl was  
11:47 5 sleeping, but I was awake and he was  
6 switching the lights off and on.

7 Q Who was this?

8 A David, he was driving.

9 Q Where were you in the car?

11:47 10 A I was in the back seat.

11 Q What was the lighting condition out?

12 A It was good, the car seemed to be good  
13 to me.

14 Q No, I mean the sky.

11:47 15 A There was snow, it was snowing.

16 Q Was it daylight?

17 A No, it was dark at night.

18 Q Okay. And what happened?

19 A He was switching the lights off and on  
11:47 20 and I think he faked car trouble,  
21 well, I can't say that I guess.

22 Q Alright. You just say what you saw.

23 A But the car stopped and I was in the  
24 back seat and I looked up and there  
11:47 25 was a transport truck driver talking

1 to David in the back.

2 Q How do you know it was a transport  
3 truck?

4 A Because I heard a big truck and I  
11:47 5 looked back, the trunk was open and  
6 there was a crack there and I could  
7 see a big truck.

8 Q Where was it from the car?

9 A It was right behind the car and David  
11:48 10 handed him something and he said  
11 good-bye and then he took off.

12 Q Do you mean you heard someone say  
13 good-bye?

14 A Yes, the window was right open.

11:48 15 Q And who said good-bye?

16 A David.

17 Q And what did he do then?

18 A He jumped in the car and he said  
19 'guess what guys' and woke everybody  
11:48 20 up and said 'guess what guys, I ..'  
21 well, never woke everyone one up right  
22 away but then everyone woke up, he  
23 said 'we just got a push by a  
24 transport truck driver'.

11:48 25 Q Now, had you been asleep at any time

1                   during this episode with the truck?

2                   A     No, just happened for about five  
3                   minutes and he was gone.

4                   Q     And did the truck push the car?

11:48 5                   A     Maybe he did, I'm not too sure.

6                   Q     I see. At any rate, I suppose David got  
7                   back in, did he?

8                   A     Yah.

9                   Q     And then what?

11:48 10                  A     Then he went straight to Calgary."

11                  Next to page 007902 and this is his evidence  
12                  dealing with his trip to Regina. This is again  
13                  Mr. Caldwell's examination.

14                  "Q     Okay. So you said you and Nichol were  
11:49 15                  dropped off at the house on Cornwall?

16                  A     Yah.

17                  Q     Had you ever been there before?

18                  A     Yes, I had been there once before.

19                  Q     And who dropped you off there?

11:49 20                  A     David.

21                  Q     Where was Ron?

22                  A     He was with David.

23                  Q     I see. Did you see any more of Ron or  
24                  David in Regina?

11:49 25                  A     No, I never seen them again.

1 Q Now, when you -- how long did you stay  
2 at that house on Cornwall?

3 A I stayed there for about one day and  
4 after that - maybe two days, I'm not  
11:49 5 too sure.

6 Q Mhmm.

7 A And after that I stayed right next  
8 door to the city hall in this top  
9 storey place."

10 Question 323:

11 "Q What -- like was there some rooms?

12 A A place where sort of beatniks, they  
13 paint and stuff like that.

14 Q Where did you stay next, after that?

11:50 15 A I was picked up and I was thrown in  
16 jail for vagrancy.

17 Q Was this in Regina?

18 A Yes."

19 Next page, 007903, question 330:

11:50 20 "Q And when you got out of jail what did  
21 you do?

22 A I got a job on a ranch 10 miles east  
23 of - I think it's east of Regina,  
24 White City.

11:50 25 Q At White City?

1 A Yah.

2 Q How long did you stay working there?

3 A Two weeks.

4 Q And what did you do after that two  
5 weeks?

6 A I -- well, I got a right straight to  
7 the bus depot and took the bus  
8 straight to Saskatoon and come home.

9 Q And what day of the week was it that you  
10 got home to Saskatoon?

11 A I'm pretty sure it was on a Sunday.

12 Q And after you got home to Saskatoon, did  
13 you have occasion when you got here to  
14 go to the police department?

15 A No, I never thought of nothing, you  
16 know, I never knew nothing either.

17 Q But did you end up eventually going to  
18 see the police?

19 A Yes.

20 Q How long after you got home?

21 A Oh no, it was a Saturday night."

22 Next page:

23 "Q Now what ...

24 A The next afternoon.

25 Q Now, what was a Saturday night?

1 A Pardon?

2 Q What was a Saturday night?

3 A Well, Saturday night was the night I  
4 got home.

11:51 5 Q The night you got home?

6 A I went to see them the next day.

7 Q Went to see the police the next day?

8 A Yes.

9 Q I see. And when you went to see the  
11:51 10 police the next day, did you give them a  
11 statement of some sort?

12 A Yes."

13 Just scroll down to the bottom, question by Mr.  
14 Caldwell.

11:51 15 "MR. CALDWELL: Just one or two more things,  
16 Your Honour. Now Albert, on this trip,  
17 were there ever occasions on which you  
18 were alone with David?

19 A Yes, once in Calgary.

11:52 20 Q And on which Calgary time was this?

21 A Oh, I'd say maybe 10 o'clock at night,  
22 maybe later.

23 Q Do you know on which of the occasions  
24 you were in Calgary this was?

11:52 25 A The first time.

1 Q The first time?

2 A Yes.

3 Q And where was it that you were alone  
4 with him?

11:52 5 A No, it was the second time, I think it  
6 was.

7 Q The second time. Okay. Where was it  
8 that you were alone?

9 A I don't know where it was. What did  
11:52 10 you say?

11 Q I said, where was it that you were  
12 alone?

13 A Oh, it was down some street, just an  
14 ordinary street, you know, houses on  
11:52 15 both sides.

16 Q Were you in the car?

17 A Yes.

18 Q And was anyone else in the car? I  
19 presume David was in?

11:52 20 A Yes.

21 Q Anyone else in the car?

22 A Well, Ron and the girl, they went  
23 because I was going to leave too. We  
24 had enough of his driving and  
11:52 25 everything.

1 Q But at any rate, they were out of the  
2 car, were they?

3 A Yah.

4 Q And did you have any conversation while  
11:52 5 you were in the car with him alone?

6 A Yes, he said Shorty stay here, so -- I  
7 want to talk to you.

8 Q Yes.

9 A So I stayed there and he says I  
11:53 10 want -- I got to tell you something.  
11 They know something, you know,  
12 something that I have done.

13 Q Yes.

14 A And he said, I'm in the Mafia gang and  
11:53 15 I got a gun in the back seat here and  
16 I'll show it to you, but he never.

17 Q Mhmm.

18 A And he says you go kill those two off  
19 and I'll tell you and I just laughed  
11:53 20 at him, I didn't believe him and he  
21 left it at that time.

22 Q I see.

23 A And they came back and I never told  
24 them right away.

11:53 25 Q You never what did you say?

1 A I never told them. I never thought of  
2 it, I thought he was just ...

3 Q Yah. And did you see any gun or  
4 anything like this?

11:53 5 A No, he never showed me nothing."

6 Next to page 007907, again this is Mr. Caldwell:

7 "Q Now, at any time, from the time when  
8 David and the other two came to your  
9 house the morning of, through this trip  
11:54 10 and back to Saskatoon, during any of  
11 this time, were you aware of any murder  
12 in Saskatoon?

13 A I was in Regina when I was out in jail  
14 and they police, they asked me. That  
11:54 15 was about the same -- they asked me  
16 what time I left Saskatoon, you know.

17 Q Mhmm.

18 A And they said that was about the same  
19 time as the murder, but I never  
11:54 20 thought about it.

21 Q Who said that?

22 A The policeman."

23 Next page, 007908, last question by Mr. Caldwell:

24 "Q And did you hear of a murder when you  
11:54 25 got back?

1                   A     Yes, as soon as I walked in the  
2                             house."

3                   Next some excerpts from Mr. Tallis', page 007918,  
4                   question 99, and this is Mr. Tallis  
11:55 5                   cross-examining:

6                   "Q    I see. And now you mentioned then that  
7                             on this trip, as I understood it, and I  
8                             tried to note it down chronologically as  
9                             my learned friend dealt with the  
11:55 10                   evidence, that at one point along the  
11                             way on this trip to Calgary, this is  
12                             after you left Rosetown ...

13                  A     Yes.

14                  Q     That the car stopped?

11:55 15                 A     Yes.

16                 Q     And now, did the car stop along the  
17                             highway in Saskatchewan or Alberta?

18                 A     It must have been in Alberta.

19                 Q     In Alberta. Can you remember how far  
11:55 20                             you were into Alberta when the car  
21                             stopped?

22                 A     No.

23                 The next page, 106:

24                 "Q    You don't know. In any event, there  
11:55 25                             came a time, as I understand it, when

1 the car came to a stop, is that correct?

2 A Yes.

3 Q And then as I understand it, this car  
4 then had a transport truck of some sort  
11:56 5 pull up behind it?

6 A Yes.

7 Q In other words, the truck was  
8 travelling, as you say, in the same  
9 direction as David had been driving?

11:56 10 A I don't really know, see.

11 Q Well, you told my learned friend that it  
12 came right behind the car?

13 A No, but -- yes, that's true.

14 Q Is that true?

11:56 15 A Yah, but I don't know if it came from  
16 the side, or ...

17 Q You don't know whether it came from a  
18 side road or not?

19 A Yah.

11:56 20 Q But as a understand your evidence, it  
21 was a large transport truck?

22 A Yes."

23 Down to question 120:

24 "Q I see. You saw the truck driver handed  
11:56 25 something through the window, I presume?

1 A No, outside. He was outside in the  
2 back.

3 Q Oh, he got outside?

4 A Yes. I never seen him get outside, I  
11:57 5 seen him outside.

6 Q You saw him outside?

7 A Yes.

8 Q And you saw David hand him something?

9 A Yes.

11:57 10 Q Near the back of the truck?

11 A Yes."

12 Next page, 128:

13 "Q I see. Well, how large would you say it  
14 was?

11:57 15 A It's pretty hard to say, about the  
16 size of a suitcase or a big basket or  
17 something, you know."

18 The next page, 007922, 138, again about the  
19 package, Mr. Tallis asks:

11:57 20 "Q About the size?

21 A Yes.

22 Q And did you have an opportunity to  
23 observe the colour of it?

24 A No, it was dark.

11:57 25 Q And could you tell us whether or not the

1 basket was ...

2 A Whatever it was, it was something.

3 Q Or suitcase was open or closed?

4 A I couldn't tell you.

11:57 5 Q I see. And just so that I understand  
6 this then, you only saw one man come out  
7 of the truck?

8 A Yes."

9 Then the next page, 147:

11:58 10 "Q I see. Now, was this before or after  
11 the truck driver had given you a push?

12 A Well after like, but I don't know for  
13 sure if he gave us a push, I don't  
14 think he did.

11:58 15 Q I see.

16 A He might have, but I doubt it.

17 Q Well now, just a minute. You have no  
18 recollection of the truck giving you a  
19 push?

11:58 20 A He must have pushed us."

21 At the bottom there:

22 "MR. TALLIS: I see. Well now, when this  
23 transport came along you mentioned  
24 something to my learned friend about  
11:58 25 there being a light flicking?

1 A Yes.

2 Q Now, who was doing the light flicking?

3 A David.

4 Q David. But so that this was for a truck  
11:58 5 that was coming from behind rather than  
6 in the opposite direction?

7 A There was trucks in front and trucks  
8 in the back.

9 Q I see. But the one that stopped was at  
11:59 10 the back?

11 A Was in the back.

12 Q Now ...

13 A There was some on the hill too.

14 Q I see.

11:59 15 A They were flicking back.

16 Q But they didn't stop though?

17 A Not that I know of.

18 Q Well now, just a minute, was there only  
19 one truck that stopped?

11:59 20 A Yes."

21 Down to 157. Pardon me, down to 160:

22 "Q Was there just one incident when a  
23 transport came along on the highway?

24 A Yes, came behind us and stopped."

11:59 25 Next page 007933, question 228, this is

1 Mr. Tallis' cross-examination with respect to Mr.  
2 Cadrain's observation of Mr. Milgaard's clothing:

3 "Q Now, then, what colour trousers was he  
4 wearing?

12:00 5 A I can't remember.

6 Q You have no recollection of the colour?

7 A No, I can't.

8 Q What type of trousers were they?

9 A How they were wrecked?

12:00 10 Q No, no, what type?

11 A I don't know. They weren't baggy, I  
12 know that, and they weren't too tight.

13 Q Were there any acid marks on them at  
14 all?

12:00 15 A I don't think there was.

16 Q No acid marks on them?

17 A No.

18 Q Pardon?

19 A I don't think so, he just had a rip in  
12:00 20 his pants.

21 Q He just had a rip in his pants?

22 A Yeah."

23 And on to the next page, please, 244:

24 "Q Now you told us about him having  
12:01 25 trousers and then this jacket, now, what

1                    clothes did he have on under the jacket  
2                    that you observed?

3                    A    He had a shirt and I can't remember  
4                    what colour it was.

12:01 5                    Q    I see. But he wasn't wearing a sweater?

6                    A    Yeah, I think he was ....

7                    Q    I see.

8                    A    But what colour ....

9                    Q    And as I understand it, you saw blood on  
12:01 10                   the shirt?

11                   A    Yes.

12                   Q    But you didn't see any blood on the  
13                   sweater?

14                   A    No.

12:01 15                   Q    And the sweater was over the shirt?

16                   A    Yes.

17                   Q    What type of sweater was it in colour?

18                   A    I can't remember.

19                   Q    I see. And then as far as the trousers  
12:01 20                   are concerned, you say that there was  
21                   blood on the front of them?

22                   A    Yes.

23                   Q    And you say -- was there any blood on  
24                   the legs?

12:01 25                   A    I don't think so.

1 Q You don't think so?

2 A I never noticed any.

3 Q You never noticed any?

4 A No.

12:01 5 Q But when you say there was blood on the  
6 front of them ...

7 A Yes.

8 Q What do you mean by the front of them?

9 A Well, from here down to -- down to  
12:02 10 .....

11 Q From here down to where, your crotch  
12 area?

13 A Yes.

14 Q And was it on both sides?

12:02 15 A Well, it's pretty hard to explain, but  
16 it was just like taking, say a bit of  
17 ink and spilling it on you.

18 Q I see?

19 A It sprinkles.

12:02 20 Q And I gather from what you told my  
21 learned friend that this blood was so  
22 obvious when you first saw him that you  
23 wouldn't have to really look for it to  
24 see it?

12:02 25 A Not when he started stripping.

1 Q I see. And you say it on him, did you,  
2 right when he came in?

3 A No, I never noticed it when he had his  
4 coat on and then I noticed it and he  
12:02 5 said "I got some blood on my  
6 clothes." "

7 Question:

8 "Q I see. When did you first see the blood  
9 then, when he took his coat off?

12:02 10 A Yes.

11 Q And when he took his coat off, where did  
12 you see the blood?

13 A He took his shirt off, his sweater, he  
14 start stripping right away.

12:02 15 Q I see, and you saw it on his trousers as  
16 well?

17 A Yes."

18 Down to 272 at the bottom:

19 "Q I see. Now you have told my learned  
12:03 20 friend that as I understand it he  
21 changed while all of you were there?

22 A Yes.

23 Q That is, he didn't start to strip when  
24 he first came in?

12:03 25 A Not when he first came in.

1 Q No. And as I understand it, it was  
2 after the others came in that he changed  
3 his clothes?

4 A Yes.

12:03 5 Q Now, did Ron change his clothes?

6 A I don't really know, you see.

7 Q I see. Well, did you see Ron changing  
8 his clothes?

9 A I never seen Ron but I seen David.

12:03 10 Q Well now, I'm asking you about David.  
11 Did you see Ron change his clothes at  
12 all?

13 A I think he went in the bathroom."

14 Down to 278:

12:03 15 "Q I see. Now I gather from what you told  
16 my learned friend that David changed his  
17 clothes in front of all of you?

18 A Yes.

19 Q When you say all of you, are you  
12:04 20 including Nicky in this?

21 A Yes.

22 Q I see. So there was Nicky, yourself and  
23 Ron present when he stripped off his  
24 clothes?

12:04 25 A Yes.

1 Q And as I understand it, he changed these  
2 clothes really not in the bedroom?

3 A No, right in the living room.

4 Q Right in the living room. Not in a  
12:04 5 hallway or anything like that?

6 A No.

7 Q Now, was it sort of in the middle of the  
8 living room?

9 A Right by the T.V., that's pretty close  
12:04 10 to the middle ...."

11 And carry on down to 291, pardon me, 290:

12 "Q He wasn't, he was just wearing an  
13 ordinary shirt next to his skin?

14 A Yah.

12:04 15 Q And shorts; is that correct?

16 A Yah.

17 Q Did he change his shorts?

18 A No.

19 Q But he changed his trousers?

12:04 20 A Yes."

21 Next to page 007940:

22 "Q What was done with the clothes?

23 A Put back in the suitcase.

24 Q They were put in the suitcase?

12:05 25 A Yah.

1 Q And then what was done with the suitcase  
2 after they were put back in?

3 A Put back in the trunk of the car.

4 Q Put in the trunk of the car?

12:05 5 THE COURT: I think this probably might be  
6 a good place to stop.

7 MR. TALLIS: Yes. Well just one other  
8 question. And who took the suitcase out  
9 to the trunk of the car?

12:05 10 A I think David did, I'll just say I  
11 don't know.

12 Q Pardon?

13 A I'll just say I don't know. No, I  
14 think John, Nichol did.

12:05 15 Q Nichol John ...

16 A Yes.

17 Q Took it out to the car?

18 A That's not saying she did, that's just  
19 saying I think, because, you know,  
12:05 20 it's quite awhile."

21 Next to page 007947, question 365, again this is  
22 Mr. Tallis:

23 "Q Fine. Now, you told my learned friend  
24 this morning and I believe you told me  
12:06 25 about seeing blood on the front of

1 David's shirt?

2 A Yes.

3 Q And you gave an indication with your  
4 hands and I wonder if you could indicate  
12:06 5 roughly where you remember the blood  
6 being on the shirt?

7 A Well, it's pretty hard if you got --  
8 well, blood it sprinkles just like ink  
9 or anything else and it's hard to  
12:06 10 explain, but, I can't say, you know.

11 Q You indicated you saw it after he took  
12 his sweater off?

13 A Sweater off, yes.

14 Q Yes, and this was before he took his  
12:06 15 trousers off, is that correct?

16 A Yes.

17 Q So it was above the beltline that you  
18 saw this blood?

19 A Yes, and on his pants.

12:06 20 Q And on his pants. And would you say  
21 then that the blood stains were on the  
22 chest or stomach area?

23 A Stomach area.

24 Q Stomach area above the belt?

12:06 25 A Yes.

1 Q And I take it that's the only place you  
2 observed the blood stains on the shirt?

3 A Yes.

4 Q And you mentioned that you observed  
12:07 5 blood stains on the front of his  
6 trousers?

7 A Yes."

8 374:

9 "Q Now, then, I think you told my learned  
12:07 10 friend about him undressing in the about  
11 the middle of the living room and he  
12 didn't change his shorts?

13 A No.

14 Q And was there any blood on his shorts?

12:07 15 A No, I never noticed any.

16 Q Well, you saw him with his shorts on?

17 A Mhmm.

18 Q And you didn't see any blood in the --  
19 either front or back?

12:07 20 A No.

21 Q And when you saw him in the house with  
22 his trousers on, that's before he took  
23 them off?

24 A Uh-huh.

12:07 25 Q I take it you didn't see any sign of

1 seminal stains around the fly area?

2 A What's seminal?

3 Q Well one of the boys had trouble  
4 yesterday. You know what sexual  
12:07 5 intercourse is?

6 A Yes.

7 Q Yes. So now do you know what seminal  
8 stains are?

9 A Yes. No, I never noticed any.

12:07 10 Q You never noticed any seminal stains.  
11 And I take it, and I'm not trying to  
12 embarrass you, you are familiar with the  
13 appearance of relatively fresh seminal  
14 stains?

12:08 15 A Yes.

16 Q And I take it you are familiar with  
17 dried seminal stains?

18 A Yes."

19 Page 007950, down at the bottom, question 398:

12:08 20 "Q I see. You can't recall. Now, when you  
21 were in the car going to Alberta, I take  
22 it that you never noticed any blood or  
23 anything like that in the car?

24 A No.

12:08 25 Q And you were sitting on the dash -- that

1 is, on the front seat for awhile?

2 A Yeah.

3 Q And you would have had an opportunity to  
4 see the dash?

12:08 5 A Yah.

6 Q Hands being put on there, is that  
7 correct?

8 A I never seen any.

9 Q Nothing there. Nothing on the steering  
10 wheel or anything like that?

11 A No."

12 Page 007954, this is Mr. Tallis cross-examining  
13 Mr. Cadrain about his visit with the Regina  
14 police, question 435:

12:09 15 "Q And as I understand it, a policeman came  
16 to the jail to interview you?

17 A Yes.

18 Q And do you recall the name of the police  
19 officer who came to see you when you  
12:09 20 were serving time?

21 A A police officer came -- there is none  
22 that came to see me in gaol.

23 Q Well, did they see you before you went  
24 to gaol?

12:09 25 A Yes.

1 Q I see.

2 A There was a bunch.

3 Q You say a bunch of policemen?

4 A Yes.

12:09 5 Q When we're talking about a bunch of  
6 policemen coming to see you, can you  
7 tell us how many approximately?

8 A They were detectives.

9 Q They were detectives?

12:09 10 A Yes.

11 Q By what you mean they were in plain  
12 clothes?

13 A Yes.

14 Q But they introduced themselves to you as  
12:09 15 detectives, did they?

16 A Yes.

17 Q Do you recall the names of any of them?

18 A No, I don't know any of them. I just  
19 seen them.

12:10 20 Q Were they Regina city policemen?

21 A Yes.

22 Q Or R.C.M.P. plain clothes officers?

23 A No, Regina.

24 Q Regina city police. And I take it that  
12:10 25 they questioned you at that time?

1 A Yes.

2 Q And were you asked for a statement in  
3 writing at that time?

4 A No.

12:10 5 Q I see. But did all of them participate  
6 in the questioning?

7 A Yes.

8 Q Or just one or two of them?

9 A All of them that were in the room with  
12:10 10 me.

11 Q Pardon?

12 A That were in the room with me.

13 Q How many were in the room with you?

14 A I'm not really sure.

12:10 15 Q Well ...

16 A There was five anyway.

17 Q Five anyway?

18 A Yeah.

19 Q Well, were you frightened with this many  
12:10 20 in the room?

21 A No.

22 Q You weren't?

23 A No. It's just that they were treating  
24 me kind of rough.

12:10 25 Q Oh, they were treating you kind of

1 rough. Well, that would frighten me.

2 When you say they were treating you sort

3 of rough ...

4 A Yes.

12:11 5 Q I take it you weren't manhandled or

6 cuffed around?

7 A No, but they stripped me.

8 Q Oh, well that's maybe just as bad. I

9 take it that you were stripped against

12:11 10 your will?

11 A No.

12 Q I see. Well when you say they stripped,

13 me, how did they go about stripping you?

14 A Well, they told me to take off all of

12:11 15 my clothes and they checked

16 everything.

17 Q I see. And did they take any of your

18 clothes with them?

19 A No, they put it in a bag and put them

12:11 20 in the gaol, I guess.

21 Q Pardon?

22 A No, they gave it all back to me."

23 On to question 463:

24 "Q I see. And then gave it back to you?

12:11 25 A Yeah.

1 Q And what particular clothes were you  
2 wearing on this date?

3 A Well, I was -- I got -- well I had  
4 these shoes, golf shoes on that, you  
12:11 5 know ...

6 Q Yes?

7 A And white socks, I think.

8 Q Yah?

9 A A vest, an old timer one, an old timer  
12:12 10 tie, shirt -- no white -- well, white  
11 shirt like this, it's got little black  
12 stripes on it and quite an old coat  
13 and, you know, old timer stuff."

14 Down to 467:

12:12 15 "Q I see. This is before you were taken to  
16 gaol?

17 A Yes.

18 Q On the vagrancy charge?

19 A Yes.

12:12 20 Q You were in a room with these officers,  
21 was this in the room where you were  
22 staying or what room was it in?

23 A No, in the police station.

24 Q Oh, they came and took you to the police  
12:12 25 station?

1 A Yes.

2 Q And this had nothing to do with the  
3 vagrancy charge?

4 A No.

12:12 5 Q It had to do with the Gail Miller  
6 murder, as you found out?

7 A No.

8 Q You knew nothing about it?

9 A I didn't know nothing about it.

12:12 10 Q I see.

11 A They told me.

12 Q Oh, they told you. You learned about  
13 it?

14 A Yeah.

12:12 15 Q So it didn't take you long to find out  
16 that this was ...

17 A When I came home, I talked about it  
18 with my brother.

19 Q Yes. We're not talking about that now.  
12:12 20 When you were down there with the police  
21 officers, you learned of the Gail Miller  
22 murder, is that correct?

23 A Yes.

24 Q And did more than one of them mention  
12:13 25 this to you?

1 A I think there was two that mentioned  
2 it to me.

3 Q Two of them that mentioned it?

4 A Yes.

12:13 5 Q And they were Regina policemen, were  
6 they?

7 A Yes.

8 Q Were they making notes while you were  
9 being interviewed?

12:13 10 A I don't think so.

11 Q I see. You don't have any recollection  
12 of them taking notes?

13 A No. They might have been.

14 Q In any event, the clothes that you had  
12:13 15 on at that time certainly weren't the  
16 clothes you had been wearing on this  
17 trip to Alberta the way you have  
18 described them?

19 A That's right.

12:13 20 Q They weren't."

21 And then the next page, now sorry, down at the  
22 bottom, question 496:

23 "Q Now, but you were being interviewed by  
24 the police officers in Regina?

12:13 25 A Yes.

1 Q In this room you have told us, we will  
2 call it the occasion when you were  
3 stripped?

4 A Yeah.

12:13 5 Q Was this the only occasion you were  
6 interviewed in Regina by a police  
7 officer?

8 A Yes.

9 Q So there was only one occasion then  
12:14 10 where you were stripped and interviewed?

11 A Yes.

12 Q In Regina?

13 A Yes.

14 Q And I take it that on that particular  
12:14 15 occasion you were questioned with  
16 respect to the tragic killing that had  
17 taken place in Saskatoon?

18 A Yes.

19 Q And I take it that you were asked why  
12:14 20 you left Saskatoon ...

21 A Yes.

22 Q In such a hurry?

23 A Yes.

24 Q Isn't that right?

12:14 25 A Yes.

1 Q And it was pointed out to you that it  
2 was rather strange that you had taken  
3 off the same morning?

4 A Yes.

12:14 5 Q Is that correct?

6 A Yes.

7 Q And I take it you realized that you were  
8 a suspect?

9 A I never took it then, but when I came  
12:14 10 home, that's when I put the puzzle  
11 together."

12 Next page, 508:

13 "Q You realized that you were a suspect  
14 then?

12:14 15 A Yes.

16 Q Because of something that your mother  
17 said to you, I suppose?

18 A Yes, and she reminded me and I talked  
19 to my brother about it.

12:15 20 Q I see. Well now, coming back to when  
21 you were talking to the police officers  
22 in Regina, I presume that you were asked  
23 whether you had seen David Milgaard that  
24 morning?

12:15 25 A No.

1 Q You weren't. Were you asked if you had  
2 seen Ron Wilson that morning?

3 A No.

4 Q Well, were you asked who was with you  
5 that morning?

12:15 6 A Oh, yeah, yeah, I was asked all this.

7 Q Oh yeah. Well okay.

8 A You are mixing me up."

9 514:

12:15 10 "Q Just take your time, you were asked by  
11 the police officers in this room in  
12 Regina if you had seen David Milgaard  
13 that morning?

14 A Say that over again.

12:15 15 Q Were you asked if you had seen David  
16 Milgaard that morning?

17 A The morning -- he never said David  
18 Milgaard, he said who were you with  
19 ...

12:15 20 Q Who were you with?

21 A When you left town.

22 Q I see. And you told them you were with  
23 David?

24 A Yes.

12:15 25 Q Nichol John?

1 A Yes.

2 Q And Ron Wilson?

3 A Yes.

4 Q And I suppose that you were asked if you  
12:16 5 had seen any signs of blood or anything  
6 like that?

7 A No.

8 Q You weren't asked at all?

9 A No.

12:16 10 Q Well, were you asked if you had seen  
11 anything strange or unusual?

12 A No.

13 Q You weren't. In any event, you didn't  
14 make any mention to them at that time of  
12:16 15 having seen blood on David?

16 A No.

17 Q And did you make any mention to them at  
18 that time of David driving like mad?

19 A No, I never, no.

12:16 20 Q You never. Well, what did you tell them  
21 on that occasion then?

22 A Well, I said, you know, they were  
23 trying to put the blame on me, so I  
24 looked at them and I laughed, you  
12:16 25 know, they said it was around your

1 place, so they just left it at that  
2 and after, when I got home, I put the  
3 puzzle together and I said it could be  
4 and it could not be, but I'll go just  
5 in case.

12:16

6 Q I see. How long were you in the room  
7 with all these officers?

8 A Oh, about a half hour."

9 The next page, 527:

12:17

10 "Q Half an hour. And were you stripped  
11 while they were interviewing you?

12 A Well, not really.

13 Q Well, what do you mean by that, did you  
14 have a pair of shorts on?

12:17

15 A Not even.

16 Q Not even that. Okay. You had a pair of  
17 shoes on, did you?

18 A No.

19 Q I see. So actually you were stripped,  
12:17 20 were you, when they were interviewing  
21 you?

22 A Yeah, but I put them back on after.

23 Q After, but was this before the interview  
24 was concluded or finished?

12:17

25 A It wasn't really an interview, it was

1 a talk, if that means the same.

2 Q I see. Well, we'll call it a talk.

3 When the blame was being put on you, how  
4 did they go about doing it? I mean, you  
12:17 5 say that they said right in your area,  
6 you left town that morning, what else  
7 was said to you?

8 A Well, they said, don't hang around the  
9 streets, you know, don't go back to  
12:17 10 school and go back home and he says  
11 don't hang around the streets because  
12 you will find yourself dead in an  
13 alley.

14 Q One of the policemen said this to you?

12:18 15 A Yes.

16 Q During the course of the interview?

17 A Yah.

18 Q And any suggestion who would fill you  
19 in?

12:18 20 A I'm pretty sure, I can recognize them,  
21 I know that.

22 Q I see. But was there any intimation or  
23 any suggestion to you as to who would  
24 fill you in if you went, you know,  
12:18 25 around on the streets?

1 A I don't know. Well, what do you mean?

2 Q You said they told you not to walk  
3 around the streets ...

4 A Yeah.

12:18 5 Q Because you will find yourself dead in  
6 an alley?

7 A Yeah.

8 Q Well, was there any suggestion who was  
9 going to finish you off in an alley?

12:18 10 A No.

11 Q They didn't say?

12 A No.

13 Q I see. Well, didn't this frighten you,  
14 something like that coming from a  
12:18 15 policeman? If a policeman told me that,  
16 I would be frightened.

17 A Well, when I went to jail I did a lot  
18 of thinking and I got a job when I got  
19 out.

12:18 20 Q But just a minute, was there no  
21 discussion as to who was going to kill  
22 you when the police were there talking  
23 to you?

24 A No.

12:18 25 Q They just said that somebody will kill

1                   you in an alley, in effect, if you don't  
2                   ...

3                   A    We might find you dead in an alley, he  
4                   said.

12:19 5                   Q    I see.  But in any event, during the  
6                   course of this interview, they were  
7                   certainly asking you for information as  
8                   to what happened that morning when you  
9                   left?

12:19 10                  A    Not really.

11                  Q    They didn't asked ask you who was there?

12                  A    Well, that's all.

13                  Q    That's all?

14                  A    Yeah.

12:19 15                  Q    Nothing else?

16                  A    No, never talked that much.

17                  Q    I see.  They were doing all the talking,  
18                  is that right?

19                  A    Yeah.

12:19 20                  Q    And I take it, in any event you told  
21                  them that you hadn't noticed anything  
22                  unusual?

23                  A    They never even asked if there was  
24                  anything unusual.

12:19 25                  Q    I see.  They didn't?

1 A No, they just said it was kind of  
2 close to your place and all this, you  
3 know.

4 Q And they didn't suggest it was kind of  
12:19 5 unusual that you should have left town?

6 A Yes.

7 Q Yes.

8 A Yes, I just sat there and I looked at  
9 them and I laughed, I know I shouldn't  
12:19 10 have, but I did.

11 Q You laughed at them?

12 A Yeah, and right away they threw me in  
13 gaol.

14 Q And then they threw you in jail?

12:20 15 A Put me in.

16 Q Well, what did he put you in gaol for?

17 A Vagrancy, I never had no money.

18 Q Oh, I see. I see. So then you were  
19 brought up in court were you?

12:20 20 A Yes."

21 Next to page 007968, question 689, again this is  
22 Mr. Tallis:

23 "Q Nothing like that. In any event, then  
24 you ended up coming to Saskatoon?

12:20 25 A Yes.

1 Q And after you got back to Saskatoon you  
2 learned that the police had been pretty  
3 interested in you?

4 A Yeah.

12:20 5 Q Is that correct?

6 A No, just that the kids were talking  
7 about this and as soon as I come in my  
8 mother she told me.

9 Q I see. And the police had obviously  
12:20 10 been around to your place while you were  
11 gone, from what you were told?

12 A Yeah.

13 Q And they were interested in you?

14 A No.

12:20 15 Q They weren't interested in you?

16 A No.

17 Q I see. But in any event, so then you  
18 told my learned friend about going down  
19 to the police station and giving a  
12:21 20 statement?

21 A Yes.

22 Q And this happened after the day after  
23 you got into Saskatoon?

24 A Yes.

12:21 25 Q And it was after the kids had talked to

1                   you?

2                   A     Yes.

3                   Q     And after your mother had talked to you?

4                   A     Yes, because it had reminded me.

12:21 5                   Q     I see. Your memory came back then?

6                   A     Yes, the blood on the clothes.

7                   Q     Yes, but when you were talking to the  
8                   police officers in Regina ....

9                   A     Yes.

12:21 10                  Q     You didn't remember that?

11                  A     No, you can't think when you are  
12                  starving."

13                  Next page, 702:

14                  "Q     Pardon?

12:21 15                  A     You can't think when you are starving  
16                  I guess.

17                  Q     Well, can you think when you are  
18                  stripped?

19                  A     No, maybe that's why.

12:21 20                  Q     I see. In any event, when you were  
21                  talking to them on that occasion, you  
22                  were sober?

23                  A     To the police?

24                  Q     Yes?

12:21 25                  A     Well, I guess I was, yes.

1 Q Now when you came back to Saskatoon, you  
2 have told us about hair samples and a  
3 couple of blood samples being taken from  
4 you?

12:22 5 A Yes.

6 Q When you were asked for blood samples  
7 and a hair sample, you realized you were  
8 still a suspect?

9 A What do you mean by still a suspect?

12:22 10 Q Well ...

11 A Oh yeah.

12 Q You know what I mean, don't you?

13 A Yeah.

14 Q Now, did they take the blood samples  
15 from you on the same day?

16 A No. No.

17 Q On, on separate days?

18 A On separate days.

19 Q And did the same person take the blood  
20 sample on each occasion?

21 A No.

22 Q And do you recall who it was that took  
23 the blood sample on the first occasion?

24 A It was a doctor, I know -- maybe it  
12:22 25 was a nurse. Yeah, it was a nurse."

1 Then to page 007974, 752:

2 "Q I see. And this happened immediately  
3 after your first statement that is  
4 shortly I should say a few days after,  
12:23 5 did it?

6 A Oh, quite a while after."

7 And this is referring to a saliva sample.

8 "Q Quite a while after. And then I take it  
9 that you were down there again later on  
12:23 10 to give a second statement, were you?

11 A Yes.

12 Q Now did you go down on your own for the  
13 second statement or were you called in?

14 A They phoned me up.

12:23 15 Q Pardon?

16 A They phoned me up, they came and got  
17 me.

18 Q Who phoned you up?

19 A Mr. Karst.

12:23 20 Q Mr. Karst?

21 A I'm pretty sure because he has worked  
22 with me.

23 Q Pardon?

24 A He is the one that was with me most.

12:23 25 Q Mr. Karst spent the most time with you?

1 A Yeah.

2 Q Now, while you were on this trip to  
3 Alberta and while you were there, there  
4 was no mention of David or anyone else  
12:23 5 having had a girl in a back lane, was  
6 there?

7 A No."

8 Question 761:

9 "Q Now I take it that you are familiar with  
12:23 10 the term L.S.D.?

11 A Not a whole tab, but I had it once in  
12 my life.

13 Q I see. So you have used drugs yourself?

14 A Yes.

12:24 15 Q And the type of drugs that you use, do  
16 you go on trips?

17 A No.

18 Q They don't affect you at all?

19 A Well, you can -- not really, you know.

12:24 20 It's not much worst than like  
21 marijuana, that's all.

22 Q I see. Do you get feeling high on it?

23 A Yes.

24 Q And to what extent do you get feeling  
12:24 25 high?

1 A Well, just like drinking two beer.

2 Q Just like drinking two beer?

3 A Yeah, for me anyway.

4 Q So that it doesn't affect ...

12:24 5 A Well, it affects you a little more  
6 than that, but ...

7 Q I see. It affects you more than that.  
8 Well, what other drugs have you used?

9 A That's all."

12:24 10 Next to page 007977, bottom question, 796:

11 "Q And I take it that you in fact told the  
12 police, you have said that you don't  
13 remember things very clearly because of  
14 the use of drugs?

12:25 15 A Yes."

16 Next page:

17 "Q Is that correct?

18 A Yes.

19 Q And in many of the things that you ....

12:25 20 A It comes out.

21 Q Yes, and in many of the things you tried  
22 to remember you could be mistaken?

23 A Mhmm.

24 Q Because of that?

12:25 25 A And it could be the other way around.

1 Q I see. You just don't know?

2 A Yeah, but I'm pretty sure, you know  
3 some things. I wasn't stoned all the  
4 time, you know. We weren't stoned all  
12:25 5 the time.

6 Q No, you think you're pretty sure about  
7 some things but you couldn't be  
8 positive?

9 A Yah.

12:25 10 Q While you weren't stoned all the time,  
11 you were stoned enough of the time that  
12 you don't remember things too clearly?

13 A Yes.

14 Q That's correct, is it?

12:25 15 A Yah.

16 Q I suppose when you were first  
17 interviewed in Regina by the police  
18 officers that had you stripped, you  
19 didn't make any mention to them about  
12:25 20 being stoned?

21 A No, because I wasn't.

22 Q You didn't want to get in trouble over  
23 any drugs, did you?

24 A No, well I, I never had any drugs but  
12:26 25 that's what they were checking me

1 for."

2 Page 807, or question 807 at the top, this is  
3 again Mr. Tallis:

12:26 4 "Q Oh, I see, you were being checked for  
5 drugs?

6 A Yes.

7 Q And this was the reason why you were  
8 being stripped right down?

9 A Yes.

12:26 10 Q So did they look in your mouth and  
11 everything?

12 A Yes.

13 Q Well now, this is something I didn't  
14 understand before. I take it they  
12:26 15 looked in your mouth to see if you had  
16 any drugs there?

17 A Yeah.

18 Q And I suppose they looked in all the  
19 seams, in everything in your clothes?

12:26 20 A Yeah, everything.

21 Q Everything. I see. To see if you had  
22 anything sewn in or anything like that?

23 A Yes, everything.

24 Q And did they look in other places on  
12:26 25 your person?

1 A Yes.

2 Q Did they look up your rectum?

3 A Yes.

4 Q So when you say you were stripped and  
12:26 5 searched, it was a pretty thorough going  
6 over that you had?

7 A Yes, that's why it took half an hour.

8 Q That's why it took half an hour?

9 A Yeah.

10 Q And while they were searching you they  
11 raised the question ....

12 A Yah.

13 Q Of why you left Saskatoon in such a  
14 hurry?

12:27 15 A Yes.

16 Q Well, when you get high on drugs, I  
17 don't think either Mr. Caldwell or I are  
18 familiar with it, would you tell us what  
19 kind of a sensation you get?

12:27 20 A Well, you will have to ask a doctor  
21 that because I can't describe it and I  
22 don't think -- it's pretty hard.

23 Q It's pretty hard to describe?

24 A Yes."

12:27 25 Down to 824:

1 "Q You have never had, you have never been  
2 to a doctor in connection with use of  
3 drugs?

4 A No, I never used drugs that much.

12:27 5 Q I see.

6 A I never had much.

7 Q I see. Do you sometimes see things  
8 differently, floating around, or ...

9 A No.

12:27 10 Q You don't. It doesn't affect you that  
11 way?

12 A No.

13 Q When was it you tried a trip with  
14 L.S.D.?

12:27 15 A Well, it wasn't really a trip, I just  
16 had a quarter of a tab."

17 Down to the bottom to question 836, there.

18 Mr. Tallis:

19 "Q You told my learned friend Mr. Caldwell  
12:28 20 about one occasion when you spoke to  
21 David alone, I think you told him that?

22 A Yes.

23 Q Told us that David had said I want to  
24 talk to you alone, or something like  
12:28 25 that?

1 A Yes.

2 Q And then he said I have got to tell you  
3 something; do you remember that?

4 A Yes."

5 Question 838:

6 "Q Now, I take it there was only one  
7 occasion on this trip to Alberta where  
8 he talked to you alone?

9 A Yes.

12:28 10 Q And I take it that when you were giving  
11 a statement to the police here in  
12 Saskatoon .....

13 A Uh-huh.

14 Q You were asked to recollect all of the  
15 details of that discussion?

16 A Uh-huh.

17 Q Is that correct?

18 A Yes.

19 Q And you tried to recollect them to the  
12:28 20 best of your ability at that time?

21 A Yes.

22 Q Now I put it to you, witness, that on  
23 that occasion you told the police  
24 officer, and I think it was Mr. Karst,  
12:28 25 wasn't it, that you gave the first

1 statement to?

2 A I guess so.

3 Q Mr. Karst. I put it to you that you  
4 simply said words to this effect "later  
5 on Hoppy got me alone and asked me if I  
6 was asleep last night and I said I was  
7 pretty sure I knew what was going on."

8 This was with reference to the transport  
9 truck. "He told me he was in the Mafia.  
10 Sometime after this we end up in Banff  
11 and were picked up by the police. They  
12 give us a meal ticket."

13 A Yes.

14 Q Now I take it you are prepared to admit  
15 that's what you told Mr. Karst at the  
16 time after considering the matter?

17 A Yes, the best I could."

18 And to page 007984, question 858, it says:

19 "Q You told my learned friend,  
20 Mr. Caldwell, that on this morning when  
21 David and Ron and Nicky came to see you  
22 ...

23 A Yes.

24 Q You were at home?

25 A Yes.

1 Q And your mother wasn't at home at that  
2 time?

3 A No.

4 Q What time had she left the house?

12:30 5 A I don't know. Like she woke me up and  
6 she told me to play T.V. bingo for  
7 her, so I went downstairs and I went  
8 to sleep.

9 Q I see. Well, about what time were you  
12:30 10 awakened then?

11 A It was I think about seven o'clock.

12 Q About seven o'clock?

13 A Yes.

14 Q And did you get up at that time?

12:30 15 A I just got up and went on the couch  
16 and fell asleep.

17 Q I see. Well, let's take one step at a  
18 time. Your mother awakened you around  
19 seven o'clock?

12:30 20 A Yes.

21 Q Is that definitely seven or what time --  
22 was she working at the time?

23 A No, she went to the hospital, I think.

24 Q So it was around seven o'clock that you  
12:30 25 were awakened, is that correct?

1 A Yes, awakened.

2 Q Pardon?

3 A I guess so.

4 Q Well now, I don't want you guessing,  
12:30 5 just give me your best recollection.

6 A Well, I'll say yes.

7 COURT: Well now, don't just 'I'll say yes'.

8 A Yes or no.

9 COURT: Well, the question has got to be  
12:30 10 answered with what you know, not what  
11 you guess.

12 A I'll think about it a bit.

13 MR. TALLIS: Well witness, just to go back  
14 for a moment, maybe this will assist  
12:31 15 you. You said your mother got up that  
16 morning and awakened you?

17 A Yes.

18 Q And then your mother left for the  
19 hospital?

12:31 20 A Yes.

21 Q Is that correct?

22 A Yes.

23 Q And you indicated that this was around  
24 seven o'clock in the morning?

12:31 25 A Yes.

1 Q Now, is there any way you can fix the  
2 time as being around seven?

3 A Well, no, no, I don't think -- maybe  
4 it's no then.

12:31 5 Q Pardon?

6 A Maybe it's no then."

7 Down to 882:

8 "Q She did. And were you the only one that  
9 was awakened by her, that you're aware  
10 of?

11 A Not by her but my dad woke up my  
12 brother to go to school.

13 Q I see.

14 A And all the other kids. All the other  
12:31 15 kids were at school, I think, so it  
16 wasn't seven.

17 Q It wasn't seven?

18 A No.

19 Q Well now, what time did you get up and  
12:31 20 dress?

21 A I never dressed up, I just put on my  
22 pants ...

23 Q I see.

24 A And that's all.

12:31 25 Q Well alright. So when your mother

1                   called you up, did you get up and put on  
2                   your trousers?

3                   A     Yah."

4                   And the next page, 007988. Pardon me, 007990,  
12:32 5                   question 921:

6                   "Q    Now, I take it you were never taken down  
7                   to the Cavalier Hotel for a polygraph  
8                   test or anything like that?

9                   A     I don't know what a polygraph test is.

12:32 10                  Q     I see. Well, were you ever taken to the  
11                  Cavalier Hotel by the police?

12                  A     No, no.

13                  Q     And you didn't meet a Mr. Roberts or  
14                  anything like that?

12:32 15                  A     No."

16                  Then down to 926:

17                  "Q    Now, you told us you took what grade in  
18                  school?

19                  A     Seven.

12:32 20                  Q     And when did you finish your grade  
21                  seven?

22                  A     Three years ago.

23                  Q     Two years or three?

24                  A     Three years, I guess.

12:32 25                  Q     Three years ago?

1           A     I could figure it out, I guess -  
2                     four -- no, three I guess. I quit  
3                     when I was 15."

4           Just to finish up here, Mr. Commissioner, I think  
12:33 5           I can get through this in a moment.

6                     That is all from the  
7           preliminary hearing transcript. It's 12:30.  
8           That might be an appropriate time to break.

9                     COMMISSIONER MacCALLUM: Thank you.  
12:33 10           Adjourned until two o'clock then, please.

11                     *(Adjourned at 12:34 p.m.)*

12                     *(Reconvened at 2:00 p.m.)*

13                     MR. HODSON: Mr. Commissioner, we'll  
14           proceed next with some short excerpts from the  
02:04 15           trial testimony. It's document 174908 and this  
16           is Mr. Cadrain's evidence at the trial of David  
17           Milgaard. Go to page 174909 right at the bottom,  
18           call that out, and Mr. Cadrain is questioned  
19           about his work experience, and it says:

02:05 20                     "Q You mentioned that you have done some  
21                     construction work?

22                     A Yes.

23                     Q Where was that?

24                     A I worked for Rans Construction and  
02:05 25                     Masonry Contractors and .."

1 And as I mentioned earlier, Masonry Contractors  
2 was where Mr. Fisher was employed in January of  
3 1969. Next at page 174912, that portion starting  
4 here, Mr. Caldwell asks Mr. Cadrain:

02:05 5 "Q And were you at home that morning so to  
6 speak?"

7 And they are talking about January 31, 1969.

8 "A Yes.

9 Q Had you been home over night?

02:05 10 A Yes.

11 Q And were you up yet?

12 A Yes - well, just for a second - I just  
13 went downstairs to sleep on the couch.

14 Q And I take it your bedroom would be on  
02:05 15 the upper floor?

16 A Yes."

17 Next to page 174916. This is Mr. Cadrain's  
18 evidence at trial regarding the blood on the  
19 clothes.

02:06 20 "Q Now, if we can just pause there. When  
21 these people were all in your house -  
22 this is when David was in and Wilson and  
23 John had come in ..

24 A Yes.

02:06 25 Q .. did you notice anything in relation

1 to the clothing of any of them?

2 A Yes I did.

3 Q And what did you notice?

4 A I noticed when David took off ..

02:06 5 THE COURT:

6 Q .. a little louder please?

7 A Well first he had a brown coat and it  
8 was all chewed up by acid and he had a  
9 rip on the crotch of his pants and  
02:06 10 there was blood on his clothes.

11 MR. CALDWELL.

12 Q Who was this?

13 A David.

14 THE COURT:

02:06 15 Q You say there was what - blood on his  
16 clothes?

17 A Yes.

18 MR. CALDWELL:

19 Q And where was that?

02:06 20 A On his shirt and on his pants.

21 Q And in what area of the clothes?

22 A Well, just below the belt and a little  
23 above in the stomach area - a little  
24 above."

02:07 25 And then next page 174919, just a portion here

1 about the suitcase.

2 "Q And you said though that David's pants  
3 and shirt he took off went into this  
4 suitcase, did they?

02:07 5 A Yes.

6 Q Who put them in?

7 A I can't remember.

8 Q Alright; now, did David get anything to  
9 put on - when you say changed clothes,  
02:07 10 did he get other pants and what-not?

11 A Yes.

12 Q And where did they come from?

13 A The suitcase.

14 Q The same one?

02:07 15 A Yes."

16 Next to page 174920, Mr. Cadrain is questioned:

17 "Q And had you been home say over the  
18 previous night, that is evening until  
19 morning?

02:08 20 A Yes.

21 Q Did you notice anything about David's  
22 emotional state, if any?

23 THE COURT:

24 Q Well, was there anything unusual about  
02:08 25 the appearance or actions of any of

1                   them?

2                   A     Well, he was excited - a little.

3                   MR. CALDWELL:

4                   Q     Why do you say that?

02:08 5                   A     Well, he always acted that way so I  
6                   don't think so."

7                   And then down a full page, please.

8                   "Q     Alright; now, when David's clothes were  
9                   in the suitcase - the ones he took off  
02:08 10                  according to what you said - did you see  
11                  anything done with the suitcase?

12                  A     They were brought back in the car.

13                  Q     Are you talking about the suitcase now?

14                  A     Yes.

02:08 15                  Q     And I take it there was only one, was  
16                  there?

17                  A     Yes.

18                  Q     But did you see something done with the  
19                  suitcase?

02:09 20                  A     No."

21                  Next to page 174932. This is the discussion  
22                  about the radio antenna which we'll hear more  
23                  about later.

24                  "Q     You had been in this car of Wilson's  
02:09 25                  being towed over to the ..

1 A .. yes.

2 Q Did it have a radio?

3 A Yes.

02:09 4 Q And when you were at the Texaco was  
5 there anything said or done about the  
6 radio?

7 A Yes.

8 Q What was that?

9 A They wanted to get an aerial on it.

02:09 10 Q Who wanted that?

11 A David.

12 Q And how do you know David wanted to get  
13 an aerial on it?

02:09 14 A Because he was talking to the service  
15 station man.

16 Q Did you hear that?

17 A Yes.

18 Q And was an aerial put on it while it was  
19 there?

02:09 20 A No."

21 Then next at page 174934, the bottom part, and  
22 this, Mr. Commissioner, I believe is the first  
23 instance where Mr. Cadrain has referred to, at  
24 least in the documents we have, to the compact  
02:10 25 being in the vehicle.

1 "Q Now, once you got out of Saskatoon did  
2 you see anything of an item being  
3 handled in the car?

4 A Yes.

02:10 5 Q What was the item?

6 A A compact.

7 Q What was the first you saw of the  
8 compact?

9 A When - I think it was Nichol - she  
02:10 10 picked it up and said 'Whose is this?'

11 Q Alright now, do you remember who was  
12 sitting where in the car at that time or  
13 not?

14 A Yes.

02:10 15 Q Who was where?

16 A Ron was sitting at the back, I was  
17 sitting by the door and David was  
18 driving and she was in the middle.

19 Q And were you by the right front door?

02:11 20 A Yes.

21 Q Three in the front and ..

22 A .. one in the back.

23 Q .. Ron in the back?

24 A Yes.

02:11 25 Q Dave driving?

1 A Yes.

2 Q Alright; and did you see where she  
3 picked it up from or just that she had  
4 it?

02:11 5 A I can't really remember.

6 Q Okay; and you said that she had it,  
7 though, and what did she say?

8 A She said 'Whose is this?'

9 Q And was there any answer from anyone?

02:11 10 A Yes.

11 Q Who said what?

12 A David said - no, he just grabbed it  
13 and he opened up the window and flung  
14 it out.

02:11 15 Q And which window?

16 A I can't remember which window.

17 Q Alright; and do you know where that  
18 episode took place in relation to  
19 Saskatoon?

02:11 20 A I think it was on the way to Rosetown.

21 Q Alright; now, you eventually - now,  
22 Albert, had you yourself seen that thing  
23 in the car - that compact?

24 A Yes.

02:11 25 Q No but I mean before this?

1 A No."

2 Next to page 174946, again Mr. Cadrain's evidence  
3 about when he learned of the murder.

02:12 4 "Q Now, what day of the week was it that  
5 you got back to Saskatoon?

6 A It was on a Saturday.

7 Q And do you know the date or not?

8 A No.

02:12 9 Q And when you got back to Saskatoon what  
10 time of the day was it on the Saturday?

11 A Oh, about - I don't really know.

12 Q Do you remember generally what part of  
13 the day it was?

14 A Night.

02:12 15 Q Night-time, eh - where did you go when  
16 you got to Saskatoon?

17 A Straight home.

18 Q And as I would understand it then, this  
19 of course would be the first time you  
02:12 20 had been home since you left with these  
21 people?

22 A Yes.

23 Q And were there any of your people at  
24 home?

02:12 25 A Yes.

1 Q Now, at some time, Albert, I presume you  
2 learned of what is known as the Gail  
3 Miller murder?

4 A Yes.

02:13 5 Q When was the first you learned of that  
6 yourself?

7 A When I first learned it - well, when I  
8 was in jail in Regina.

9 Q That's in the Boys School?

02:13 10 A Not in the Boys School - when the  
11 police questioned me.

12 THE COURT:

13 Q In the what?

14 A When the police questioned me."

02:13 15 And just down here:

16 "Q It was when you were picked up, I take  
17 it?

18 A Yes.

02:13 19 Q And would that be the Regina City  
20 Police?

21 A Yes - in the station.

22 Q And they questioned you?

23 A Yes.

24 Q Something about the Gail Miller murder?

02:13 25 A Yes.

1 Q And as I understand you that was the  
2 first you had heard of it?

3 A Yes."

4 Then next to page 174956 and this is Mr. Tallis'  
02:14 5 cross-examination at the trial regarding  
6 Mr. Cadrain's observations of blood.

7 "Q And you told my learned friend about  
8 some marks on the front of his trousers?

9 A Yes.

02:14 10 Q And would I be correct in suggesting to  
11 you any marks that you saw on the front  
12 of his trousers were relatively small  
13 ones?

14 A Yes.

02:14 15 Q And as a matter of fact just as if a pen  
16 had been shaken - I'm not going into the  
17 colour now but just like a sprinkle  
18 effect ..

19 A Yes.

02:14 20 Q .. rather than blotches? Is that  
21 correct?

22 A No - blotches.

23 Q Well ..

24 A .. a big blotch.

02:14 25 Q .. you told me about like a sprinkle?

1 A Yes - well, the same thing I guess.

2 Q Pardon?

3 A Just about the same thing.

02:14 4 Q No no, when I speak of a blotch I mean a  
5 big area. You previously described it  
6 as sort of a sprinkle effect?

7 A Yes.

8 Q And that's your evidence here under oath  
9 today?

02:14 10 A Yes.

11 Q Now, when you saw him in his shorts ..?

12 A Yes.

13 Q .. I understand there was no sign of  
14 blood on his shorts?

02:15 15 A No.

16 Q And there was no sign ..

17 A .. I never noticed any.

18 Q Pardon.

19 A .. I never noticed any.

02:15 20 Q Well, you were right there looking?

21 A Yes.

22 Q And you saw no sign of seminal stains -  
23 fresh or otherwise?

24 A I never noticed any.

02:15 25 Q And even a week or two after you got

1 back to Regina you had no recollection  
2 whatsoever of seeing any blood on any of  
3 David's clothes, did you? Isn't that  
4 correct, witness?

02:15 5 A Yes.

6 Q That's the truth?

7 A Yes.

8 Q And as a matter of fact you had every  
9 opportunity to recollect that for the  
02:15 10 police in Regina, didn't you?

11 A I never thought nothing of it.

12 Q No; you were trying to tell them the  
13 truth to the best of your ability at  
14 that time, weren't you?

02:16 15 A Yes.

16 Q And at that time you had no recollection  
17 of seeing any blood on David?

18 A No.

19 Q And that was when you were being  
02:16 20 questioned?

21 A Yes.

22 Q About the Gail Miller murder?

23 A Yes, but I could tell you why.

24 Q I see ..?

02:16 25 A .. but it's not nice to bring up but

1 I - it's okay."

2 And then there's some objections on the next page  
3 and it's not pursued.

4 If we could just go down to the  
02:16 5 next page, please, actually to page 174959. And  
6 this is, again, Mr. Tallis cross-examining  
7 Mr. Cadrain about the Regina police visit and he  
8 says:

9 "Q And it was at this time that you were  
02:16 10 asked whether you had any - well, you  
11 were asked whether or not you had seen  
12 any blood on David's clothes that  
13 morning ..?

14 A .. they never asked me.

02:17 15 Q You say they didn't ask you?

16 A They asked me like there was a murder  
17 somewheres around there - around  
18 Avenue N or somewheres - and they said  
19 "you left about the same time" and all  
02:17 20 this; but it never rang no bell then.

21 Q I see; well now, as a matter of fact  
22 they had you in for questioning because  
23 you had left town in such a hurry?

24 A No, because they were --

02:17 25 Q I see; but from were about five

1                   policemen there with you in a room?

2                   A     Yes.

3                   Q     And I take it that you were being  
4                   questioned about the Gail Miller murder?

02:17 5                   A     Yes, I was questioned.

6                   Q     And you were endeavouring to tell them  
7                   the truth to the best of your  
8                   recollection at that time?

9                   A     Yes.

02:17 10                  Q     And at that time you had no recollection  
11                  of this blood that we are talking about  
12                  here today - isn't that correct?

13                  A     I don't think so."

14                  Next page, again Mr. Tallis questioning:

02:17 15                  "Q     And now, as I understand it, they were  
16                  going at you pretty hard there?

17                  A     Yes.

18                  Q     I mean, you weren't being worked over  
19                  physically?

02:18 20                  A     No.

21                  Q     But you were being worked over in other  
22                  ways?

23                  A     Yes.

24                  Q     Did they strip you?

02:18 25                  A     Yes.

1 Q And this was in a cell, was it?

2 A No.

3 Q Or in an interviewing room?

4 A Yes.

02:18 5 Q And they took off all your clothes or  
6 had you take them all off and then they  
7 checked them over?

8 A Yes.

02:18 9 Q And while they were checking these  
10 things over there were these inquiries  
11 being made?

12 A Yes.

13 THE COURT:

02:18 14 Q Was this before or after you had been  
15 convicted?

16 A Before.

17 Q This was before you pleaded guilty?

18 A Yes."

19 Next to page 174963, 963 please, question here:

02:18 20 "Q And as a matter of fact initially you  
21 sort of laughed at them when they  
22 suggested that anyone in your group had  
23 had anything to do with this murder?

24 A Yes.

02:18 25 Q And you indicated to them that it just

1                   couldn't be as far as you were  
2                   concerned?

3                   A     I can't remember, I'm not sure; I  
4                   can't say.

02:19 5                   Q     Well, you said words to that effect?

6                   A     Yes.

7                   Q     And at that time you were endeavouring  
8                   to tell them the truth to the best of  
9                   your ability and recollection?

02:19 10                  A     Yes; yes.

11                  Q     And it was on this time you were told  
12                  that you had better not walk around the  
13                  streets, otherwise you might end up dead  
14                  in an alley?

02:19 15                  A     Yes.

16                  Q     Now, I take it that after you went to  
17                  jail and went to work you didn't hear  
18                  anything more from the police?

19                  A     No.

02:19 20                  Q     You weren't questioned any more?

21                  A     No.

22                  Q     As far as you were concerned ..?

23                  A     .. I was only questioned once.

24                  Q     As far as you were concerned you were no  
02:19 25                  longer a suspect in your mind?

1 A Never meant nothing to me anyway.

2 Q I see; it never meant anything to you  
3 anyway. Well then, when you got back to  
4 Saskatoon you in effect learned that you  
02:19 5 were still a suspect?

6 A No.

7 Q You didn't?

8 A No.

9 Q You had no idea that you were a suspect?

02:20 10 A No.

11 Q And this was never intimated to you?

12 A What does intimate mean?

13 Q Well, it was never suggested to you that  
14 you were a suspect?

02:20 15 A Yes, it was suggested on the last - on  
16 the preliminary hearing; but well,  
17 you've got me mixed up.

18 Q Oh, I see, you said that you realized  
19 that - when you were asked at the  
02:20 20 preliminary hearing whether you thought  
21 you were a suspect when you got back to  
22 the city ..?

23 A Yes.

24 Q .. you said yes to that?

02:20 25 A Yeah, but now I say no.

1 Q And now you say no to it?

2 A Yes.

3 Q But under oath at that time you said  
4 that you learned you were a suspect when  
02:20 5 you returned to the city?

6 A Yes."

7 And just down at the bottom of that page,  
8 question, and they are again talking about the  
9 Regina police treatment:

02:20 10 "Q It didn't worry you at all?

11 A No.

12 Q And it didn't worry you in Regina when  
13 you were ...",

14 next page:

02:21 15 "... when you were being interrogated by  
16 these people?

17 A No.

18 Q So you weren't under any particular  
19 stress then?

02:21 20 A What does stress mean?

21 Q Well, it didn't bother you?

22 THE COURT:

23 Q Worried - worried about it?

24 A No."

02:21 25 Then just scroll down there:

1                   "Q    I take it that it wasn't worry that  
2                                would cause you to be forgetful in  
3                                Regina when the police were  
4                                interrogating you?

02:21 5                   A    No."

6                   That is all for the trial transcript.

7                                The next documents in the  
8                   sequence relates to the reward.  If I could call  
9                   up document 002292, now this is not a very good  
02:21 10                  copy, but it's a letter to Mayor Buckwold, if you  
11                  could zoom in on that.  It's -- appears to be  
12                  from Albert Cadrain, received by the Saskatoon  
13                  Police on February 10, 1969.  If you can just --  
14                  it says:

02:22 15                  "I hereby make application for the \$2,000  
16                  reward offered by the City of Saskatoon."  
17                  I'm not sure I can read the rest, but this is the  
18                  letter that was received by the police, this is  
19                  the best copy we have.

02:22 20                  Next is document 002290, and  
21                  this is a letter May 19th, 1971 from the City  
22                  Solicitor, J.B.J. Nutting to His Worship the  
23                  Mayor regarding the claim for reward.  Call out  
24                  the first paragraph:

02:22 25                  "Pursuant to a resolution of the Board of

1 Police Commissioners in February 1969 an  
2 offer of \$2,000.00 for information leading  
3 to the arrest and conviction of the person  
4 or persons responsible for the murder of  
5 Gail Olena Miller, 20 years, 130 Avenue O  
6 South, Saskatoon, whose body was found in  
7 the lane of the 200 block, Avenue N South,  
8 at 8:40 a.m., Friday, January 31, 1969, was  
9 made. Conditions of payment of the reward  
10 money also provided that the Board of Police  
11 Commissioners "shall be the sole arbiter as  
12 to whom this reward shall be paid and in  
13 what proportion, should there be more than  
14 one claimant".

15 Following upon the offer of the  
16 reward, David Milgaard was arrested and duly  
17 convicted of the murder of the victim. As a  
18 consequence of the offer three applications  
19 have been received from persons who gave  
20 certain information to the authorities.  
21 Photocopies of the claim of each person are  
22 attached hereto.

23 After studying the applications  
24 and certain interviews with the agent of the  
25 Attorney General, T.D.R. Caldwell, Esq., the

1 person responsible for the prosecution and  
2 conviction of Milgaard, it appears that the  
3 applicant Albert Cadrain of 334 Avenue O  
4 South on March 2nd, 1969 attended at the  
5 city police station and voluntarily offered  
6 information which gave the Police the first  
7 concrete lead in connection with Milgaard's  
8 involvement in the crime of murder and which  
9 lead to search and capture of Milgaard.

02:24 10 Cadrain also gave material evidence in the  
11 case against Milgaard. In the opinion of  
12 Mr. Caldwell, which is shared by the writer,  
13 the information given by Cadrain was of such  
14 paramount significance that, without it, the  
02:24 15 case could still conceivably be under  
16 investigation. Cadrain's information was  
17 first in time and focused all Police  
18 activities thereafter in the search for and  
19 arrest of Milgaard.

02:24 20 Accordingly, although other  
21 information was subsequently received, it is  
22 the writer's opinion that the full amount of  
23 the award should be paid to Albert Cadrain  
24 of 334 Avenue O South, Saskatoon. However,  
02:25 25 in the interest of protecting this person

1 from any retaliation on his person in  
2 connection with his giving of this  
3 information and his participation  
4 throughout, I strongly recommend that his  
02:25 5 name not be made public.

6  
7 Yours truly,  
8 City Solicitor."

9 The next document I'll make reference to is  
02:25 10 002295, I won't go through this but this is a  
11 release, if you could go to the next page, signed  
12 by Mr. Cadrain acknowledging receipt of the  
13 reward money.

14 The next document in the  
02:25 15 sequence, Mr. Commissioner, is a police report  
16 related to one of the sexual assaults, it's  
17 document 105211. And this is a police report  
18 dated February 22, 1970, it would be about three  
19 weeks after David Milgaard's conviction, and it's  
02:26 20 a morality file. We've blocked out the name,  
21 this is sexual assault victim number 4 that  
22 Mr. Fisher had plead guilty to subsequently, and  
23 it's a report by Detective Sergeant Mackie and  
24 refers to a contact that he and Detective Karst  
02:26 25 made regarding this sexual assault. If we go

1 back to the main document, please, and there is a  
2 reference here to Mr. Mackie and Mr. Karst  
3 contacting Albert Cadrain, it says:

02:26 4 "Albert Cadrain, 334 Avenue O South was  
5 interviewed in regards to any information he  
6 might be able to supply concerning this  
7 suspect, without success."

02:26 8 I would now like to move into some of the medical  
9 records that the Commission obtained by way of  
10 subpoena of health records for Mr. Cadrain. They  
11 relate to an admission in 1973 at the University  
12 Hospital for mental conditions that he was  
13 suffering. I will go through some of those.

02:27 14 If I could call up document  
15 325508, and this is an Outpatient Medical Record  
16 and Report, if you could just zoom in on that  
17 area, please. It shows an admission date of  
18 April -- pardon me -- March the 4th, 1973, so  
19 this is about three years after Mr. Milgaard's  
02:27 20 conviction. If you could go back to the main  
21 document, please, just read that note:

22 "Psych nurse with him states he's  
23 interrupted prayer meeting - appears to  
24 think he is some devine spirit."

02:27 25 If you go down to the physician notes, please, it

1           says :

2           "Patient has been doing extra Bible reading  
3           for 5 months, tonight implying that he is a  
4           devine being and will save people. Referred  
02:28 5           to psych. Grossly delusional, grandiose,  
6           having visions which he won't discuss."

7           If we go to page 325510, and this is an admission  
8           note, I believe, signed by either a doctor or a  
9           nurse, admission note says:

02:28 10           "21 years old male brought into emergency by  
11           parents after he apparently disrupted a  
12           prayer meeting this evening. A more  
13           detailed history will have to be obtained in  
14           the a.m. as the patient was too delusional  
02:28 15           to relate a history and the parents were not  
16           successfully interviewed as Albert entered  
17           the room and terminated my hopes. Mental  
18           status, well dressed in suit smoking  
19           cigarette and pacing, mood one of  
02:28 20           grandiosity and euphoria. Patient states  
21           that he is the son of God. His speech is  
22           incoherent at times and frequently refused  
23           to answer questions and answered most other  
24           questions inappropriately. His thought  
02:29 25           content was preoccupied with religious ideas

1 with references to heaven, saving mankind,  
2 etcetera. He states he has had visions but  
3 refuses to discuss these. He appears to be  
4 paranoid especially in respect to myself.  
02:29 5 He appears to be orientated in place but not  
6 time or person. He has no insight into his  
7 problems."

8 And then some medication notes. Next page,  
9 please, it says:

02:29 10 "And quickly fell asleep despite his  
11 claiming never to sleep. He will be  
12 maintained on ...,"

13 certain medication:

14 "... and will be interviewed again  
02:29 15 tomorrow. Impression, schizophrenia.  
16 Physical exam, in no distress, S1/S2 normal,  
17 no murmurs or evidence of CHF."

18 And down at the bottom:

19 "Respiration is not laboured, no cyanosis,  
02:30 20 no abnormalities in percussion air entry",  
21 I'm not sure what the rest of that says. I think  
22 it relates to breathing tests.

23 Next, if you can go to page  
24 325514, and this is a Report of an Unusual  
02:30 25 Occurrence, I think it is on March 5, so it would

1 be two days after Mr. Cadrain entered the  
2 hospital. It says:

3 "Patient was found lying in hallway. When  
4 he attempted to get up he again fainted.  
02:30 5 Carried to his bed - pulse imperceptible at  
6 first and blood pressure 50 over 40. Once  
7 in bed pulse and BP came within normal  
8 limits, 90 over 50 - 70 within 15 - 30  
9 minutes. Patient was securely tucked into  
02:31 10 bed and close observation maintained."

11 Next is document 325515, which is a note March 5,  
12 1973, so this is two days after admission.

13 Under:

14 "Mental Evaluation: Pretends being asleep  
02:31 15 but indicates he has some indications with  
16 his fingers that he does not want to talk.  
17 Early in the afternoon he becomes more  
18 approachable and willing to co-operate. The  
19 patient denies having any disease or  
02:31 20 problems. He has a secret whose content  
21 will not communicate. With his eyes he  
22 indicates that it might be related with the  
23 special power given by God, he might be the  
24 son of God.

02:31 25 Q Do you have any pain?

1 A No, but I can cure the pain around me.  
2 Anyway this power is of a secret nature and  
3 he will not communicate it to me. Many of  
4 the answers are given by nodding or shaking  
02:31 5 his head. Possibly hearing voices from God  
6 but it is not clear whether these are  
7 hallucinations or thoughts felt as coming  
8 from outside. His thoughts are disorganized  
9 and his consciousness is clear.

02:32 10 Contact with the family will be  
11 made to complete the study. Diagnosis,  
12 schizophrenia."

13 And next is 325516, and this is a Certificate of  
14 a medical practitioner certifying that Mr. Albert  
02:32 15 Cadrain is mentally disordered and requires care,  
16 supervision and control for his or her own  
17 protection, and that certificate is dated March  
18 5, 1973. And the reasons there, if you could  
19 zoom in, are:

02:32 20 "Delusions of grandeur, ideas of references"  
21 or:

22 "Ideas of reference".

23 Next page is 325517 and, again, reference there  
24 in the certificate:

02:32 25 "Paranoid ideas of grandiosity. His

1                   judgement is impaired and needs admission  
2                   for his welfare and treatment."

3                   Next to page, document 325520, and this is the  
4                   Physician's Clinical Record now March 23, 1973.

02:33 5                   It says:

6                   "He has been seen twice with  
7                   Mr. Marjerisson. The paranoid symptoms have  
8                   decreased substantially, however during  
9                   interviews he behaves in a silly manner,  
02:33 10                  appearing as if he were of a lower IQ than  
11                  he really has and hebephrenic component is  
12                  postulated."

13                  And then down on March 30, 1973:

14                  "Mental status re-evaluation. Cooperative.  
02:33 15                  He smiles during all the interviews but for  
16                  a few moments. Albert's mood is on the side  
17                  of elation.

18                                 Well oriented in space, time  
19                                 and persons, no consciousness disturbance is  
02:34 20                                 detected."

21                  Next to page 325, 521, and this is a continuation  
22                  of the Mental Status Evaluation, it says:

23                  "Albert is confronted with the contradictory  
24                  material that he is giving to the nursing  
02:34 25                  staff, to medical students, and to Dr.

1 Marjerisson and myself, the patient accepts  
2 that he has been playing games in order to  
3 mislead some people, however interesting  
4 enough ...",

02:34 5 and the word is unknown:

6 "... while playing games are beyond his will  
7 power he has the feeling that he cannot stop  
8 doing so and consequently the act itself can  
9 be considered psychotic. Recently he was  
02:34 10 talking about being afraid of a criminal  
11 killing him (in reality a criminal ran away  
12 from the police and was caught later) He  
13 gave me today a good account of what  
14 happened when the accused and Albert were  
02:34 15 both 17 years old. The end result is that  
16 what appeared as a delusion is a mixture of  
17 true facts and some delusional components.  
18 Albert is still talking about the power. At  
19 a first glance this has the appearance of an  
02:35 20 analogy or image to make it easier the  
21 communication of normal beliefs. However,  
22 when the patient is asked to give a clear  
23 statement of what the power means to him he  
24 asks for a Bible and is willing to prove  
02:35 25 that a supernatural will is working through

1 him. He denies having a devine power but he  
2 states that the devine power works through  
3 him. He adds "anybody can get this power."  
4 He doesn't say when he has been chosen and  
02:35 5 not everybody else too. Diagnostic  
6 impression: Schizophrenia, schizoffective,  
7 hebephrenic. The psychosis is still active  
8 and there is a twofold ego orientation one  
9 towards reality (with rather good reality  
02:35 10 testing) and the other towards psychosis and  
11 the delusional components. Treatment: The  
12 possibility of putting him on ECT will be  
13 considered seriously."

14 And, next, page 325523 is an electrotherapy  
02:36 15 checklist which appears to report on various  
16 dates of electrotherapy.

17 Next, page 325525, and this is  
18 a Physician's Clinical Record of May 4, 1973. It  
19 says:

02:36 20 "Albert completed a series of ECT a few days  
21 ago. An important ...,"

22 and I can't make out the word:

23 "... lost and confusion was then observed, a  
24 state that has been decreasing gradually.

02:36 25 During the last five days memory loss is not

1                   improving ..."

2                   or:

3                   "... is not impairing with his daily  
4                   activity. There is no delusional material  
02:36 5                   present and his behaviour has improved. An  
6                   interview held today to investigate his  
7                   mental status did not show any trace of  
8                   delusion. Furthermore, he sees his previous  
9                   mystical beliefs as abnormal and his reality  
02:37 10                  testing is quite good."

11                  Next, page 325528, and this is a report as seen  
12                  on May 30th, 1973, and it's a department of  
13                  psychology out-patient report. Call out that  
14                  portion. It says:

02:37 15                  "Doing quite well. He is planning to leave  
16                  home soon and go to work 150 miles from  
17                  Saskatoon.

18                                 He is asked again about  
19                  hallucinations and delusions that he had  
02:37 20                  three years ago. He blames his abnormal  
21                  reaction to the abuse of drugs such as  
22                  marijuana and L.S.D., as well as to a  
23                  painful situation in which he told the  
24                  police that a former friend of his had  
02:37 25                  killed a woman. According to Albert apart

1 from seeing the virgin he also saw in the  
2 sky the picture of the killer smiling. He  
3 remembers that from then on he always was  
4 afraid that he was going to be killed for  
5 doing what he did.

6 Albert is reluctant to give details  
7 about these events and he appears somehow  
8 upset when talking about this."

9 The next document is 325529 and this is a report  
10 dated June 6, 1973, it's a discharge summary, it  
11 shows that he was admitted on March 4th, 1973,  
12 discharged on May 9th, '73, and just under mental  
13 status it states:

14 "He denies being sick. Convinced that he is  
15 the son of God and that he is here to save  
16 everybody. He talks about being given a  
17 special power allowing him to heal  
18 everybody. He has a secret that he will not  
19 communicate. The nature of it is indicated  
20 by nodding when asked if it has something  
21 related to God.

22 He had visual hallucinations  
23 over one year ago. He saw the virgin  
24 surrounded by red clouds while looking to  
25 the sky. At that time nobody in the family

1 thought that he had been already ill.  
2 Auditory hallucinations are not easily  
3 detectable. His attitudes are in favour of  
4 him being hallucinative. There is no  
02:39 5 consciousness disturbance and he is well  
6 oriented in time, space and person. His  
7 mood is somehow elated appearing sometimes  
8 manic-like. His general behaviour is  
9 somehow silly and appears as if he were  
02:39 10 hebephrenic. This is more obvious when he's  
11 asked to talk about his delusional ideas.  
12 Then he behaves as if he were joking with  
13 the interviewer."

14 Scroll down under history, it says:

02:39 15 "His present condition started three years  
16 ago when he saw the Virgin Mary in the sky,  
17 a fact that he interpreted by special powers  
18 from God. From then on he started building  
19 up his paranoid and religious delusion  
02:39 20 ending in his present condition."

21 And then next to page 325531, and this is again a  
22 treatment interview, August 2nd, 1973:

23 "The patient has been working satisfactorily  
24 on his uncle's farm at Cochin. He has  
02:40 25 reduced his Stelazine to 10 milligrams o.d.

1 and is leaving tomorrow for Vancouver to  
2 take a job as carpenter's helper, working  
3 and living with his brother. Mood is  
4 neutral. He has formed relationships with  
02:40 5 male friends and a girlfriend and appears to  
6 be in good emotional state."

7 Then next, page 325533, it's a letter from  
8 Dr. Marjerisson of August 4th, 1976, it says:

9 "He has not been seen or heard from since.  
02:40 10 His recovery at the time of discharge and  
11 follow-up appeared to be complete. There is  
12 no family history of psychosis and it is  
13 possible that the development of his  
14 condition may have been related to the use  
02:40 15 of illicit drugs rather than any  
16 constitutional factor. His physical  
17 condition and laboratory findings were  
18 normal."

19 That is all of the medical records.

02:41 20 The next document in the  
21 chronology is a letter, document 106839, and this  
22 is a letter, January 16, 1981, from Detective  
23 Sergeant Karst to J.E. Gibbon, Chief of Police,  
24 it says:

02:41 25 "I contacted Albert Cadrain, who now resides

1 at 301 - 895 Confederation Drive. He  
2 requested his whereabouts not be divulged to  
3 anyone with regards to this matter for  
4 obvious reasons. (He had been threatened by  
02:41 5 Milgaard at the trial.) I assured him this  
6 department would make every effort to abide  
7 by his request.

8 I contacted Inspector Walters  
9 of the Regina City Police, who assisted with  
02:41 10 the original investigation with Wilson and  
11 John. After making inquiries, he advised me  
12 of the following:"

13 The next matter,  
14 Mr. Commissioner, is a transcript of a  
02:42 15 conversation between Albert Cadrain and Peter  
16 Carlyle-Gordge and an unknown male. This tape  
17 and transcript was provided to us I believe by  
18 the RCMP and it relates to a conversation I think  
19 in the early 1980s with Albert Cadrain and Mr.  
02:42 20 Carlyle-Gordge with respect to a book I believe  
21 that he was writing, or contemplating. The tape  
22 is about 90 minutes, so we'll go for maybe half  
23 an hour and then take a break.

24 COMMISSIONER MacCALLUM: Very well.

02:42 25 MR. HODSON: And the quality is not the

1           greatest, it's an older tape, but it's the best  
2           that we have.

3                    COMMISSIONER MacCALLUM: Will the  
4           transcript run concurrently?

02:42 5                    MR. HODSON: Yeah, there's a written  
6           transcript that was prepared I believe by whoever  
7           gave us the tape, and it may have been Peter  
8           Carlyle-Gordge or the RCMP, and we in turn will  
9           be making an official transcript of the recording  
02:43 10           as well, but the transcript will play as we go.

11           (Audio tape commenced)

12

13                    (Knocking sound)

14                    UNKNOWN MALE #1: Yes.

15                    UNKNOWN MALE #2: Hi, does Albert Cadrain  
16           live around here.

17                    UNKNOWN MALE #1: Yeah.

18                    UNKNOWN MALE #2: Oh. My name is Peter  
19           Carlyle-Gordge I wrote to you last year?

20                    ALBERT CADRAIN: Uhmmm.

21                    CARLYLE-GORDGE: Do you remember getting my  
22           letter. I'm a writer.

23                    ALBERT CADRAIN: Uhmmm.

24                    CARLYLE-GORDGE: Could I chat with you.

25                    ALBERT CADRAIN: Ah, what's this about?

1 CARLYLE-GORDGE: Ah, I'm doing a book on  
2 four murder cases, one of them's the Gail Miller  
3 case. And what I've been doing is interviewing  
4 some of the people involved.

5 ALBERT CADRAIN: Uhmmm.

6 CARLYLE-GORDGE: Mr. (Unintelligible ...  
7 sounds like Tellis) people like that.

8 ALBERT CADRAIN: Uhmmm.

9 CARLYLE-GORDGE: And ah, wanted to fill in  
10 some of the blanks.

11 ALBERT CADRAIN: Hmm. Well geez the house  
12 is a hell of a mess.

13 CARLYLE-GORDGE: Oh don't worry. I got  
14 kids...

15 (unintelligible)

16 (Background noises as voices fade away. Baby(s)  
17 crying in background.)

18 CARLYLE-GORDGE: I know it's a long time  
19 back. I've got some of the transcripts  
20 (unintelligible).

21 ALBERT CADRAIN: I have a week's holiday  
22 right now, eh? I'm just about finished here and  
23 (unintelligible) so anyway.

24 CARLYLE-GORDGE: What you work at, ah  
25 Albert.

1 ALBERT CADRAIN: I'm baking now.

2 CARLYLE-GORDGE: Baking. Oh.

3 ALBERT CADRAIN: Sure I'll help

4 (unintelligible).

5 CARLYLE-GORDGE: Hi, what's your name.

6 ALBERT CADRAIN: That's Kimberly.

7 CARLYLE-GORDGE: Kimberly.

8 ALBERT CADRAIN: (Unintelligible) should be  
9 enibarassed

10 (unintelligible).

11 My wife's at work eh.

12 CARLYLE-GORDGE: Yeah.

13 ALBERT CADRAIN: (Unintelligible). Kim  
14 clean up.

15 CARLYLE-GORDGE: I've got one of those ah  
16 (unintelligible).

17 ALBERT CADRAIN: Well sit down here and  
18 (unintelligible).

19 CARLYLE-GORDGE: Okay.

20 ALBERT CADRAIN: (Unintelligible).

21 CARLYLE-GORDGE: Sure I'd love a cup.

22 ALBERT CADRAIN: Got anything ah for me to  
23 read up on so...

24 CARLYLE-GORDGE: ... Sure. I've got  
25 clippings.

1                   ALBERT CADRAIN: My brother was gonna write  
2 a book about that.

3                   CARLYLE-GORDGE: Oh it's interesting.

4                   ALBERT CADRAIN: Yeah.

5                   CARLYLE-GORDGE: Ya that'd be something.

6 That's another case and they have these. That,  
7 that one is to do with you.

8 (Loud rustling sound.) All I've basically done,  
9 I've gone over the transcript of the trial and ah  
10 talked to the crown, the defense and some of the  
11 witnesses in Saskatoon.

12 (Loud rustling sound.) Like the (Danchucks ...  
13 Phonetic), they filled me in.

14                   ALBERT CADRAIN: Uhmmm.

15 (Loud rustling sound.)

16                   CARLYLE-GORDGE: Ah. What I am interested  
17 in though is ah, what kind of character David  
18 Milgaard had because you knew him better, I don't  
19 know how well you knew him. I liked to find that  
20 out. And basically what, what you saw, what you  
21 heard. But ah, I know it's a long time ago...

22                   ALBERT CADRAIN: ... I'll tell you.  
23 David. I'll tell you how I met David. Okay?

24                   CARLYLE-GORDGE: That would be a good  
25 start.

1                   ALBERT CADRAIN: How I met him. When I was  
2 a young kid eh? Kim you get in the bedroom.

3                   CARLYLE-GORDGE: When was, when was that.

4                   ALBERT CADRAIN: No I'll just make a rough  
5 outline. You watch Brandy okay? BRANDY She's in  
6 bed.

7                   ALBERT CADRAIN: Oh Okay. You go and play  
8 in your room, okay? I don't wanna her to hear  
9 this.

10                  CARLYLE-GORDGE: No, well I can appreciate  
11 that.

12                  ALBERT CADRAIN: Ah, when we were kids.  
13 You don't have to copy this down now.

14                  CARLYLE-GORDGE: Okay.

15                  ALBERT CADRAIN: I'll give you a rough  
16 outline I'll tell you. When we were little kids,  
17 my brother Dennis, and he was, I think he was  
18 fourteen years old, I was fifteen...

19                  CARLYLE-GORDGE: ... Uhhmm ...

20                  ALBERT CADRAIN: ... and a friend of mine  
21 (H. Elmer... phonetic), he's a minister now.  
22 He, we all left home. We stuck out our thumbs  
23 and we were going to Vancouver.

24                  CARLYLE-GORDGE: Fourteen and Fifteen,  
25 that's pretty young.

1                   ALBERT CADRAIN: Yeah. So I said to hell  
2 with it, you know. There was too many kids come  
3 from a poor family eh.

4                   CARLYLE-GORDGE: Uhmmm.

5                   ALBERT CADRAIN: And ah. My, my mother she  
6 was bitchy and everything. And she said well  
7 what the. You got somebody waiting for ya?

8                   CARLYLE-GORDGE: Ah that's just a drive,  
9 friend from Saskatoon, yeah.

10                  ALBERT CADRAIN: There's no place to stay  
11 in Dalmeny, he can come in if he wants.

12                  CARLYLE-GORDGE: Oh, all right, sure.

13                  ALBERT CADRAIN: (Unintelligible) by  
14 himself.

15                  CARLYLE-GORDGE: Why not. (Sound of  
16 footsteps walking and a door opening.)  
17 (Unintelligible ... sounds like some type of  
18 name) This is a nice quiet town.

19                  ALBERT CADRAIN: Yeah. Nice and quiet  
20 that's why were.

21                  CARLYLE-GORDGE: Rural living.

22                  ALBERT CADRAIN: Yeah. Anyway, he, I'll,  
23 I'll get to the story (unintelligible).

24 (Loud rustling sound.)

25                  CARLYLE-GORDGE: All right. Okay.

1 ALBERT CADRAIN: Yeah. And ah we got to  
2 Vancouver. (Sound of door opening.) Hi. Hi.

3 CARLYLE-GORDGE: (Unintelligible) This is  
4 Rick (Sharade - phonetic).

5 ALBERT CADRAIN: Albert Cadrain.

6 RICK SHARADE: Hi Albert.

7 CARLYLE-GORDGE: Rick lives in Saskatoon.

8 ALBERT CADRAIN: Good morning. Well  
9 anyway, we hitch-hiked to Saskatoon.

10 CARLYLE-GORDGE: Uhmmm.

11 ALBERT CADRAIN: Kim get in your bedroom  
12 and read or something because I don't want you to  
13 hear this crap. None of your business.  
14 (Laughs).

15 CARLYLE-GORDGE: Ancient history.

16 ALBERT CADRAIN: Yeah. Anyway. We go to  
17 Vancouver and ah we, you know we hitch-hiked. It  
18 took us eighteen hours or so. I think ah one  
19 night we slept in Hanna, Alberta and ah I'll tell  
20 ya. We, we got, we had long hair eh.

21 CARLYLE-GORDGE: Uh-huh.

22 ALBERT CADRAIN: And ah kids in Hanna they  
23 started, fucking, they said ah, I guess the girls  
24 were starting to look at us eh.

25 CARLYLE-GORDGE: Uhmmm.

1                   ALBERT CADRAIN: And then there were rich  
2 farm boys driving around in their half ton trucks  
3 and squealing out, peeling all over the place eh.  
4 And ah they said they gave us five minutes to get  
5 out of town or they're gonna kill us.

6                   CARLYLE-GORDGE: Oh, like that.

7                   ALBERT CADRAIN: In Hanna, yeah. Yeah in  
8 Hanna Alberta.

9                   CARLYLE-GORDGE: Uhmmm.

10                  ALBERT CADRAIN: So what the hell we didn't  
11 really believe them eh. So we just said the hell  
12 with it. We had a couple of pennies...

13                  CARLYLE-GORDGE: ... Sure.

14                  ALBERT CADRAIN: ... Enough to ah go and  
15 ah buy some ah, some food at ah, A and W there or  
16 something. So we just ate and shit like that.  
17 Then they started chasing us all over fucking  
18 town, in and out and everything eh. And ah, what  
19 happened was...

20                  CARLYLE-GORDGE: ... And you were younger  
21 than they were, ya. Ya.

22                  ALBERT CADRAIN: We were just kids, ya.  
23 They were maybe nineteen twenty years old eh.

24                  CARLYLE-GORDGE: Right.

25                  ALBERT CADRAIN: And ah. They started

1 chasing us through yards and houses, back alleys  
2 and everything.

3 CARLYLE-GORDGE: Uhmmm.

4 ALBERT CADRAIN: Finally we snuck out of  
5 town. And ah, we hit ah, we crawled on our hands  
6 and knees in the ditches you know. And we were  
7 just covered from blood so, our knees are all cut  
8 open and everything. We found you know where  
9 these farmers used to stook their, their ah  
10 sheaves...

11 CARLYLE-GORDGE: ... Uhmmn ...

12 ALBERT CADRAIN: ... You know sheaves. We  
13 made a little hut out that. We, we slept in  
14 there with the mice all night. Sooner or later  
15 we got, we shivered all night, you know, and ah,  
16 we finally made it to Vancouver and I guess, Ed  
17 was with his relations and they didn't wanna  
18 board us or nothing or help us out at all. So  
19 they drove my brother Dennis and me to  
20 (unintelligible..., sounds like Merrill or  
21 Yarrow?) BC.

22 CARLYLE-GORDGE: Uhmmm.

23 ALBERT CADRAIN: (Unintelligible ... sounds  
24 like..., bye-bye). They got us a job picking  
25 beans. We made about fifty cents a day picking

1 raspberries and basically we were on our own.

2 CARLYLE-GORDGE: Yeah.

3 ALBERT CADRAIN: And we weren't coming  
4 home. No way. Too much pride and were, weren't  
5 afraid of work. But when we worked at Millar  
6 Hatcheries, I think I was thirteen when I started  
7 making boxes, chick boxes, or cleaning shit pans  
8 you know.

9 CARLYLE-GORDGE: Uhmmm.

10 ALBERT CADRAIN: I used to give all my  
11 money...

12 CARLYLE-GORDGE: ... So you.

13 ALBERT CADRAIN: ... To my dad to help  
14 support the family to feed us.

15 CARLYLE-GORDGE: Yeah.

16 ALBERT CADRAIN: I had it. To hell with  
17 this, I'm getting out of the house. Anyway.  
18 From Merrill, we moved around you know how bums  
19 are you know, kids. We went to Penticton,  
20 Kelowna, Gossypose, around.

21 CARLYLE-GORDGE: Oh well that was the  
22 hippie time too.

23 ALBERT CADRAIN: ... Yeah.

24 CARLYLE-GORDGE. ... The sixties.

25 ALBERT CADRAIN: You know, we just worked

1           when we could and, and bummed when we could eh.  
2           We ah, met this Peter (unintelligible ...  
3           Folk?)...

4                   CARLYLE-GORDGE:   ... Uhmmm.

5                   ALBERT CADRAIN:   ... Guy and ah he was from  
6           Calgary. I don't know where he is now or what he  
7           does, but he was from Calgary and we met him.  
8           And ah, hung around with him for awhile and  
9           Dennis and me split up and I was by myself for  
10          quite awhile in Penticton. And ah, anyways, gees  
11          it's a long way back.

12                   CARLYLE-GORDGE:   I know.

13                   RICK SHARADE:   Yeah.

14                   ALBERT CADRAIN:   What we, we, first, oh ya,  
15          when I first met David Milgaard, no I got some  
16          here I don't like this kind...

17                   CARLYLE-GORDGE:   ... (unintelligible)

18                   ALBERT CADRAIN:   ... The person, I, I,  
19          when I first met David Milgaard it was in  
20          Calgary, Alberta.

21                   CARLYLE-GORDGE:   Calgary eh, yeah.

22                   ALBERT CADRAIN:   I worked at the Java  
23          Espresso Cafe, it was a place where they sold  
24          drugs.

25                   CARLYLE-GORDGE:   Uhmmm.

1                   ALBERT CADRAIN: They bought and sold  
2 drugs. I was just a young kid.

3                   RICK SHARADE: Java Cafe in.

4                   ALBERT CADRAIN: Calgary.

5                   CARLYLE-GORDGE: Calgary.

6                   ALBERT CADRAIN: Yeah. Java Espresso Cafe.

7                   CARLYLE-GORDGE: Java Express Cafe.

8                   ALBERT CADRAIN: You know I tell you the  
9 Mafia, there's things I, I could, I could tell  
10 you, the mafia, they tried to kill me, in Regina.

11                   CARLYLE-GORDGE: What was it to do with the  
12 drug place.

13                   ALBERT CADRAIN: No. It was to do with  
14 Milgaard. He was in the fucking Mafia right up  
15 to his ears.

16                   CARLYLE-GORDGE: Really.

17                   ALBERT CADRAIN: Oh no shit man.

18                   UNKNOWN: ... (unintelligible)

19                   ALBERT CADRAIN: That's why I'm living  
20 here. When after the trial, the cops, I asked  
21 them to hide me. They were out to kill me. And  
22 they just about did.

23                   CARLYLE-GORDGE: Now you were how old then  
24 fifteen when you met him, around there.

25                   ALBERT CADRAIN: When I first met David I

1 was fifteen years old.

2 CARLYLE-GORDGE: And he'd be about the same  
3 would he.

4 ALBERT CADRAIN: Yeah.

5 CARLYLE-GORDGE: Oh yeah.

6 ALBERT CADRAIN: This guy, he had a horse,  
7 a cock on him like a fucking horse.

8 CARLYLE-GORDGE: Uhmmm.

9 ALBERT CADRAIN: I'm telling you and he was  
10 a stud. As far as that goes...

11 CARLYLE-GORDGE: ... Uhmmm.

12 ALBERT CADRAIN: ... He used to ah, get  
13 dope you know. Me I was never really into it.

14 CARLYLE-GORDGE: Right.

15 ALBERT CADRAIN: I, I just didn't know what  
16 was going on I went with the crowd eh.

17 CARLYLE-GORDGE: Right. A lot of people  
18 do...

19 ALBERT CADRAIN: ... (unintelligible)  
20 Milgaard, he knew lots. He knew what was going  
21 on. He was like a man, he was very smart and he,  
22 anything to do with drugs he could stop in town  
23 -- town and buy and sell it he knew. Cunt  
24 anywhere he went eh.

25 CARLYLE-GORDGE: He had the contacts.

1 Okay.

2 ALBERT CADRAIN: Yeah and another thing is,  
3 he used to take 13 year old girls in, when he was  
4 that age, into the bath tub and he used to getem  
5 stoned on something, I don't know what, and he  
6 used to break their virginity and he used to  
7 laugh at them he, he was possessed. As far as  
8 I'm concerned, he is possessed by the devil.  
9 Okay. But we were kids. Okay.

10 CARLYLE-GORDGE: Uhmmm.

11 ALBERT CADRAIN: He went his way and I went  
12 my way. Then I met this Betty (Weeks ...  
13 phonetic) girl. A friend of mine, I, I went back  
14 to Saskatoon for a little while and I, I got to  
15 work on ah, this ah, ah masonry contractors,  
16 working for a brick layer company, ah mud boy.

17 CARLYLE-GORDGE: Uhmmm.

18 ALBERT CADRAIN: A pretty hard job, but I,  
19 I worked there for awhile and ah, this Betty  
20 Weeks. I met this young girl and a friend of  
21 mine and he says, take care of her eh. Well, and  
22 ah, so anyway, the cops took her away from me.  
23 She lived with me upstairs in my, my bedroom in  
24 my house, like, I hid her in my house for ah, I  
25 shacked up in my house with her and my mom and

1                   dad never did (unintelligible).

2                   CARLYLE-GORDGE: Oh. What did they think?

3                   ALBERT CADRAIN: They didn't know.

4                   CARLYLE-GORDGE: Oh.

5                   ALBERT CADRAIN: I hid her. I kept her  
6 hidden under the bed, or in the closet and the  
7 old man came in my room, didn't ever knew she was  
8 there. And I snuck up food for her and anyways  
9 she stayed with me for two weeks. And even a  
10 friend of her's too, I forget her name. But ah,  
11 and then the cops caught them. I think she was  
12 about maybe sixteen by then. They caught 'em  
13 and sent them back, eh.

14                  CARLYLE-GORDGE: Uhmmm.

15                  ALBERT CADRAIN: Anyway, I sort of missed  
16 her a bit and she kept on writing me letters come  
17 and see me in Regina. Well that's a dangerous  
18 town.

19                  CARLYLE-GORDGE: That right?

20                  ALBERT CADRAIN: Never be seen in Regina.

21                  CARLYLE-GORDGE: Whys it dangerous?...

22                  ALBERT CADRAIN: (Unintelligible) ... Huh?

23                  CARLYLE-GORDGE: Why is it dangerous?

24                  ALBERT CADRAIN: Oh shit. I'll tell ya.

25                  I'll have to really think back, you know, because

1 I'll ah, (unintelligible).

2 EDITOR'S NOTE: Appears to be a break in  
3 tape recording. (Unintelligible) voices in  
4 background.

5 CARLYLE-GORDGE: That's not that bad.

6 RICK SHARADE: Yeah.

7 CARLYLE-GORDGE: When you got kids  
8 (unintelligible).

9 ALBERT CADRAIN: Ah, anyway I went to  
10 Regina. I met this Betty. She says Oh what's  
11 happening? You know her friend a big fat pig,  
12 you know. That was ah, with her. She says oh  
13 shes living at a, what ya, head house they call  
14 it now (unintelligible).

15 CARLYLE-GORDGE: Ya, right.

16 ALBERT CADRAIN: I had a friend, Leonard  
17 (Worchuck...Phonetic). And I used to play chess  
18 with him all night you know, when I was a kid eh.

19 CARLYLE-GORDGE: Uhmmm.

20 ALBERT CADRAIN: And ah, Leonard wanted --

21 EDITOR'S NOTE: Appears to be a break in  
22 conversation and then restarted on a newer topic  
23 with same people.

24 CARLYLE-GORDGE: (Unintelligible) talk  
25 about going to a hypnotist...

1 ALBERT CADRAIN: ... Yeah...

2 CARLYLE-GORDGE: ... Because she couldnt,  
3 she says she doesnt remember that. She remembers  
4 the police pulling the third degree on her. And  
5 she's sort of blank. But as far as she  
6 remembers, she didn't see him stab her.

7 ALBERT CADRAIN: I've been hypnotized  
8 before, you know, and it's routine. That's --

9 CARLYLE-GORDGE: ... It doesn't always  
10 work...

11 ALBERT CADRAIN: ... Yeah...

12 CARLYLE-GORDGE: ... For some people. For  
13 some people I think (unintelligible)...

14 ALBERT CADRAIN: ... If you wanna be  
15 hypnotized, you can be. But if you don't  
16 wanna...

17 CARLYLE-GORDGE: ... You can resist it, ya.

18 ALBERT CADRAIN: That's right so, and if,  
19 if I ever seen something like that, if I live to  
20 be 500 years old...

21 EDITOR'S NOTE: Appears to be a break in  
22 conversation and then restarted on a newer topic  
23 with the same people.

24 ALBERT CADRAIN: ... Right next door.  
25 There's little, there's a little (unintelligible)

1           ... chapel?), hotel next door there. And ah --  
2           Because we didn't feel comfortable about ah,  
3           didn't feel comfortable at all about staying in  
4           that hippie house because we got real bad vibes.  
5           Now these people, Leonard was, this is how the,  
6           probably how the murder (unintelligible  
7           ...whole?) Happened.

8                       CARLYLE-GORDGE: Uhmmm.

9                       ALBERT CADRAIN: You know.

10                      CARLYLE-GORDGE: Uhmmm.

11                      ALBERT CADRAIN: My friend had a real  
12           expensive thirty-five millimeter camera and he  
13           was into taking pictures and this and that. When  
14           we went into that hippie house he was going  
15           click, click, oh wow man, you know. Here's a  
16           little straight boy going oh wow wow. Look at  
17           these, I never seen this before. Click, click  
18           click. And you should have seen those weirdos  
19           look at us. They were sitting there and they all  
20           took knives out, sat around the sofa and couch,  
21           all around, they sat there with knives and they'd  
22           go like this. Weird, boy I was scared. And they  
23           were taking little packages of matches in the  
24           middle of the room, dropping them on the floor,  
25           you know shit like that. And they were ah...

1 (Phone rings in the background) Ah it's my wife.  
2 They were just trying to see through our minds  
3 to see what we, they thought we were informers  
4 eh. (Conversation on the phone).

5 "Hello. Hi, how are you. Did you find your  
6 ring? I'll go through the garbage and see  
7 if I can find it. How's work.

8 (Unintelligible). I'll have the house clean  
9 before you get back. (Unintelligible) lots  
10 of work eh? (Unintelligible). Vaccum bags  
11 in the vaccum cleaner and I'll vaccum the  
12 whole place. Okay. I'll vacuum the house  
13 up. Yeah. (Unintelligible). A little while  
14 ago, (unintelligible). Did you take your  
15 pills? (Unintelligible). Yeah. Yeah. Oh  
16 Yeah. Well there's no phone  
17 (unintelligible)."

18 (Conversation continues CARLYLE-GORDGE, CADRAIN and  
19 RICK SHARADE)

20 ALBERT CADRAIN: ... (unintelligible) The  
21 wife, she, she lost thirteen pounds and she lost  
22 her wedding ring, slipped off her finger.

23 CARLYLE-GORDGE: Uhmmm.

24 ALBERT CADRAIN: Second time.

25 CARLYLE-GORDGE: Oh no.

1                   ALBERT CADRAIN:   Geez, I don't know if she  
2                   had insurance for it this time.

3                   CARLYLE-GORDGE:   Hmmm.

4                   ALBERT CADRAIN:   Ah.

5                   CARLYLE-GORDGE:   Okay.   So you were taking  
6                   pictures.

7                   ALBERT CADRAIN:   I wasn't, Leonard was,  
8                   yeah.

9                   CARLYLE-GORDGE:   Leonard, yeah.

10                  ALBERT CADRAIN:   He didn't know better and  
11                  I didn't know, just a bunch of kids eh.

12                  CARLYLE-GORDGE:   Uhmmm.

13                  ALBERT CADRAIN:   Passed the dope around and  
14                  started doing that to us eh.   Then all of a  
15                  sudden they said you guys can't stay here.

16                  CARLYLE-GORDGE:   Uhmmm.

17                  ALBERT CADRAIN:   They said you could stay  
18                  in the city hall. We got a room for you in an  
19                  upstairs story of the city hall.   Where did they  
20                  get connections like that?   It's kind of a  
21                  story.   I says geez, you know, I, Milgaard was  
22                  around, I said does anyone know David Milgaard  
23                  from ahm, ah, Langenburg?   Everyone looked at me,  
24                  that was another mistake.   I got Milgaard in big  
25                  trouble because he, he thought he was connected

1 with some informers. They thought we were  
2 informers because Leonard was click, click,  
3 click, click, click, click...

4 CARLYLE-GORDGE: ... Ah, okay. Yeah.

5 ALBERT CADRAIN: You see.

6 CARLYLE-GORDGE: Yeah.

7 ALBERT CADRAIN: It's real scary and I  
8 asked Leonard you got them pictures, there might  
9 be a story to it. Can't find them. Those  
10 fuckers probably did get a hold of the film.

11 CARLYLE-GORDGE: Hmmm.

12 ALBERT CADRAIN: And here's how, that, oh  
13 ya, now we ended up going, we stayed at the, they  
14 wanted us to stay at the, at the city hall. We  
15 says, naa well, we got money, we'll go and get a  
16 hotel room and we did next to Smittys Pancake  
17 House eh.

18 CARLYLE-GORDGE: Uhmmm.

19 ALBERT CADRAIN: We bought a bag there.  
20 And a motorcycle gang was connected with those  
21 fuckers. That night they, they said, where do  
22 you guys live, we didn't know them, we told them.  
23 I said we'll be staying at the hotel here. That  
24 gotem more suspicious too, because you know. We  
25 stayed in a hotel next door.

1 CARLYLE-GORDGE: Uhmmm.

2 ALBERT CADRAIN: Asked us our room number.  
3 Anyway, I hear a knock about three o'clock in the  
4 morning. I had a good feel then and Leonard did  
5 too cause we were working pretty hard eh.

6 CARLYLE-GORDGE: Uhmmm.

7 ALBERT CADRAIN: And ah, all of a sudden I  
8 hear a, you know, (sound of knocking) real light  
9 on the door. And ah, Leonard ah, was still  
10 sleeping and I heard that knock. And I says who  
11 is it? He says it's me the guy that opened ah,  
12 the guy that ah sold you the pot. I got no place  
13 to crash tonight let me in.

14 CARLYLE-GORDGE: Uhmmm.

15 ALBERT CADRAIN: I says, just you? He says  
16 ya, ya just me. I opened that door and the whole  
17 room, the, the, the room was small like this.

18 CARLYLE-GORDGE: Uhmmm.

19 ALBERT CADRAIN: Honest, like this, just  
20 maybe not even that big, like this here.

21 CARLYLE-GORDGE: Right.

22 ALBERT CADRAIN: And I bet you there was 14  
23 or 15 motorcycle guys and they came in there.

24 CARLYLE-GORDGE: Uhmmm.

25 ALBERT CADRAIN: Apollos eh. They all

1 walked, big fuckers. I didn't show no fear  
2 though. I said okay you guys, no funny stuff if  
3 want to crash here, you can crash on the floor.  
4 Now listen to this. Those fuckers, I, I can't, I  
5 slept with one eye open all, night.

6 CARLYLE-GORDGE: Uhmmm.

7 ALBERT CADRAIN: And these guys crawled, I  
8 heard this, the camera was under the bed.

9 CARLYLE-GORDGE: Uhmmm.

10 ALBERT CADRAIN: ...With a locked case, eh.

11 CARLYLE-GORDGE: Yeah.

12 ALBERT CADRAIN: Now here's this, I heard  
13 these guys, all of a sudden I hear one guy,  
14 (sounds like rubbing or shuffling) on the floor  
15 eh? . I.

16 CARLYLE-GORDGE: Uhmmm.

17 ALBERT CADRAIN: And I heard, this guy was  
18 trying to pick the lock on the, on the camera  
19 case to get the film out. I'm sure of it eh. I  
20 heard click, click, click. And I just, I  
21 couldn't take that shit eh, I wasn't afraid to  
22 die or afraid of them fuckers eh. And I went  
23 flick, the light was right by me, I just, okay  
24 you fuckers, get out, everyone of you. Right  
25 now. They listened to me they got the fuck out.

1 CARLYLE-GORDGE: Uhmmm.

2 ALBERT CADRAIN: Everyone of them. And  
3 then from that day on boy, I was being followed,  
4 I was being watched. The cops are in it,  
5 everybody. The Mafia and I'm not fucking crazy.  
6 I'm telling you. Now listen to this. Finally  
7 Leonard said oh I'm getting real weird  
8 vibrations, I'm scared of this place. I'm going  
9 home.

10 CARLYLE-GORDGE: Uhmmm.

11 ALBERT CADRAIN: He had enough money to  
12 catch the, the bus home eh.

13 CARLYLE-GORDGE: Right.

14 ALBERT CADRAIN: He said I'm getting the  
15 hell out of here. And he did. Smart. I was  
16 dumb. I stayed. I stayed. Now listen to what  
17 happened. Oh I went back to the hip, hippie  
18 house, I wasn't afraid of nobody, I was maybe  
19 stupid, if I would've known what was really going  
20 on I would've got the hell out eh.

21 CARLYLE-GORDGE: Uhmmm.

22 ALBERT CADRAIN: Anyway, I went, I ended up  
23 staying in the ah hippie house. He says ah come  
24 on, you know, he's smooth talking one of these  
25 hippies eh, smooth talking me into the, staying

1 at the city hall upstairs, very top story.

2 CARLYLE-GORDGE: Yeah. Yeah.

3 ALBERT CADRAIN: It's kinda of nice little  
4 pad for you there. I said no. And it was the  
5 city hall, believe me. So okay I went there and  
6 my girlfriend came with me, Betty Weeks, she was  
7 in the gang too I'm sure. Eh?

8 CARLYLE-GORDGE: Uhmmm.

9 ALBERT CADRAIN: They always knew where I  
10 was or what I was doing. And ah, I, I realize  
11 this now, but I didn't know that then.

12 CARLYLE-GORDGE: Uhmmm.

13 ALBERT CADRAIN: Dopey little kid eh. And  
14 ah, we stayed there for about two weeks.  
15 Starved, tried to live on love eh, (laughing).  
16 Lost quite a bit of weight screwing and doing  
17 nothing else eh. But ah, she, one night we were  
18 screwing, and ah, there's two rooms here eh.  
19 There's one room here, that's the room I was in,  
20 there's one room here. You know those old  
21 fashion windows that you ...

22 CARLYLE-GORDGE: ...(unintelligible)  
23 Yeah...

24 ALBERT CADRAIN: ... And it opens up sort  
25 of like a little vent eh...

1 CARLYLE-GORDGE: ...Uhhmm. Oh ya right.  
2 Yeah.

3 ALBERT CADRAIN: You know t~ old fashion  
4 ones...

5 CARLYLE-GORDGE: ...Right.

6 ALBERT CADRAIN: And ah, there was a door  
7 on our side and it was closed and were getting.  
8 But I heard it, all of a sudden, about maybe nine  
9 o'clock at night, okay.

10 CARLYLE-GORDGE: Uhhmm.

11 ALBERT CADRAIN: It's about nine o'clock at  
12 night. I hear a bunch of noise. Lots of noise.  
13 I started to look up at the, the light was on in  
14 the other room eh, and you could see, it was a  
15 glass vent (unintelligible) window. Eh, and the,  
16 the smell, the stench of pot with this, wooo,  
17 just pouring in our room and these guys got  
18 louder and louder and they kept on talking about  
19 killing this little fucker if they ever get their  
20 hands on him. (Unintelligible) still, still so  
21 stupid I didn't know what they were talking about  
22 me, you know. I didn't know what was going on.  
23 So, what happened was, they stayed there for  
24 about maybe, about an hour and getting louder and  
25 louder and louder and talking about killing this

1 little fucker if they ever get their hands on  
2 them, and this and that eh.

3 CARLYLE-GORDGE: Right.

4 ALBERT CADRAIN: And that's all I can hear  
5 them make out...

6 CARLYLE-GORDGE: ...You thought they were  
7 after you.

8 ALBERT CADRAIN: No I didn't.

9 CARLYLE-GORDGE: Okay.

10 ALBERT CADRAIN: I didn't know nothing. I  
11 thought, I didn't know who he was I didn't even  
12 see him before in my life.

13 CARLYLE-GORDGE: Uhmmm.

14 ALBERT CADRAIN: So what happens after  
15 that, this is scary, my God they all go, they  
16 were wild. My girlfriend, she was mixed up in it  
17 to, bitch. She says we better go and see those  
18 people, she says. And I says, ah why, whaddya  
19 you want for. And I did anything for her, and  
20 you know I didn't ah.

21 CARLYLE-GORDGE: Uhmmm.

22 ALBERT CADRAIN: She says well, see what  
23 they want, who they are, what they want she says.  
24 Which was bullshit eh. They haven't seen us.  
25 Anyway they're all just about outside, and way

1 down the flight of stairs eh, I think there's  
2 about four or five sets of stairs eh, and ah she  
3 goes running out and she says to them, what'd you  
4 guys want. And they looked up and seen me  
5 (unintelligible). And I knew to this day I was  
6 sent to city hall, it was planned so they could  
7 ah look me over eh. So ah, I tell you what  
8 happened after that. They came up there like a  
9 bunch of cats, you know crawling after a mouse  
10 eh, fuck I just backed off. They took a big,  
11 about a pound of pot.

12 CARLYLE-GORDGE: ...Uhhmm.

13 ALBERT CADRAIN: ...They put it on the  
14 desk. Richard (Bare phonetic) head guy, I'll never  
15 forget that name, Richard Bare. He was the  
16 leader of the gang. They all had suits on, and  
17 I'm, I'm not, in those days they had \$300 suits  
18 on and they were only kids. 19, 20, no more than  
19 maybe 30 years old. Eh.

20 CARLYLE-GORDGE: Uhhmm.

21 ALBERT CADRAIN: All mafiso for sure. And  
22 ah, they all had suits on, and ah, they looked at  
23 me as if boy you're, you're lucky boy. Find out  
24 what the hells shaking and if you're in it, were  
25 gonna kill ya, you know. That's, I, I started

1 shaking, just so scared. I didn't know what's  
2 going on. Anyway they put me in a room and they  
3 started rolling joints. The head guy sat on the  
4 table and rolled joints and rolled joints steady.  
5 He must've rolled about 20 joints.

6 CARLYLE-GORDGE: Uhmmm.

7 ALBERT CADRAIN: There was 12 of them and  
8 one of me and, and my girlfriend. We were just  
9 kids. They started smoking up. I tried to stop  
10 smoking I said I had enough. Keep smoking.  
11 Smoke, smoke, smoke eh. Anyway they start ah,  
12 telling me that I'm a rat, an informer, who I for  
13 and shit like that. I denied everything of  
14 course because none of that bullshit was true.

15 CARLYLE-GORDGE: Uhmmm.

16 ALBERT CADRAIN: It was just, anyway, what  
17 happened was ah, Richard Bare come up to me and  
18 started punching me. He punched me and I go  
19 flying across the room. And they punch me I go  
20 flying, just like ah, punching bag all across the  
21 room. And there's my girlfriend just watching,  
22 the little bitch you know. (Unintelligible)  
23 calling. And I just flying across the room.  
24 Finally he grabbed me and he says I'm gonna kill  
25 you. And he grabbed me by the ah, I had a, I

1 think a blue jean jacket on, he grabbed me by  
2 that and he just whooo me right out of the  
3 window. Just like that, he says, I'm gonna drop  
4 you. Bastard. And ah, oh man, I thought for  
5 sure I was dead. So finally I guess some of the  
6 gang must have sort of knew that I was just a  
7 dopey little kid and didn't know fuck all, eh.

8 CARLYLE-GORDGE: Uhmmm.

9 ALBERT CADRAIN: And ah...

10 CARLYLE-GORDGE: Are you saying that  
11 Milgaard was one of them lot, with that gang.

12 ALBERT CADRAIN: I guarantee it. I'd cross  
13 my heart on it. He was, he was in the gang good.

14 CARLYLE-GORDGE: And he was in Regina at  
15 that time.

16 ALBERT CADRAIN: I'm not finished, I'll get  
17 to Milgaard again.

18 CARLYLE-GORDGE: All right.

19 ALBERT CADRAIN: I'll get to him again,  
20 very soon here. So anyway. He kept on doing  
21 that to me and finally, this Richard Bare, kept  
22 on saying he was going to kill me, and he grabbed  
23 my, my eyes like this and my nose like this,  
24 nothing (unintelligible) held, and I had my back  
25 like this, and he grabs some under arm deodorant,

1           shoved it in my nose and he pressed. And you  
2           know I was dying, honestly, I was just about  
3           dead. My heart went jisjisjis and it just  
4           stopped. And honestly I prayed. I prayed. And  
5           right away, soon as I prayed, now I'm not  
6           preaching or nothing...

7                   CARLYLE-GORDGE: ...Uhhmm...

8                   ALBERT CADRAIN: ... But I did pray. I  
9           asked Mother Mary to help me and son of a.

10                  CARLYLE-GORDGE: He stopped. Hmmm.

11                  ALBERT CADRAIN: And you know what he did?  
12           He left the dope on the table figuring I would  
13           pick it up. This is what I say now. Figuring  
14           that I, I would pick it up and ah, sell it, and I  
15           needed money I was just a dopey kid eh.

16                  CARLYLE-GORDGE: Uhhmm.

17                  ALBERT CADRAIN: My girlfriend  
18           (unintelligible) said don't you touch that.  
19           Don't touch it. You know what, she knew I was  
20           being set up. (Unintelligible) fuck all....

21                  RICK SHARADE: ...(unintelligible).

22                  CARLYLE-GORDGE: ... (unintelligible)  
23           Okay...

24                  ALBERT CADRAIN: Next morning I~get picked  
25           up by the cops. The very next, next morning I

1 get picked up by the cops. I, I was walking  
2 around Regina, here and there, and ah, this is  
3 where I linked that the cops were with the Mafia.  
4 Honest.

5 CARLYLE-GORDGE: Uhmmm.

6 ALBERT CADRAIN: Some of them are crooked.

7 CARLYLE-GORDGE: Oh sure.

8 ALBERT CADRAIN: And ah, they grabbed me  
9 and they brought me straight to the cop shop and  
10 they treated me like shit. They stripped me  
11 naked, they checked up my ass for dope and  
12 checked. And they pulled my hair, they checked  
13 all my pants, you know. Cut me down like hell.  
14 They threw me in jail for vagrancy. I went to  
15 jail next morning and wouldn't let me get no  
16 money, or make no phone calls or nothing like  
17 that, I couldn't make a phone call to my parents  
18 to get money or get out or anything.

19 CARLYLE-GORDGE: Uhmmm.

20 ALBERT CADRAIN: I went straight to, to ah,  
21 to ah, see the judge in the morning. Now here's  
22 where the judge, he must know what's going on in  
23 town too. Here's what he tells me. Here's ah,  
24 and I, and I obeyed his command, I'll tell you.  
25 You know what he says to me.

1 CARLYLE-GORDGE: What.

2 ALBERT CADRAIN: And I'll never forget it.

3 He says, I got some, I'm gonna save your life,

4 boy. This is what the judge said to me. I going

5 to save your life, boy. He says I'm going to put

6 you in jail for two weeks for vagrancy. And he

7 says when you get out, you should have a buck or

8 two or a little bit of money or something, he

9 says take my advise and get out of town and don't

10 show your face around here again or you might

11 find yourself dead in some alley. That's what

12 the judge told me. The exact words. Now listen

13 to this, I gave...

14 CARLYLE-GORDGE: ... He told you that when  
15 you were in court before.

16 ALBERT CADRAIN: Yes.

17 CARLYLE-GORDGE: Sounds like.

18 ALBERT CADRAIN: ... Just two witnesses in  
19 that room.

20 CARLYLE-GORDGE: Uh-huh.

21 ALBERT CADRAIN: There was me, which was in  
22 trial.

23 CARLYLE-GORDGE: Right.

24 ALBERT CADRAIN: There was the cop, one of  
25 the cops that picked me up.

1 CARLYLE-GORDGE: Yeah.

2 ALBERT CADRAIN: And there was the judge.  
3 The courtroom was empty when he said that to me.

4 CARLYLE-GORDGE: Uhmmm.

5 ALBERT CADRAIN: He said I'm gonna save  
6 your life boy. Now I go into jail, I do my time  
7 which wasn't much, like-I said.

8 CARLYLE-GORDGE: Two weeks, yeah.

9 ALBERT CADRAIN: Yeah. For vagrancy,  
10 because I had not a dollar or penny in my bloody  
11 pockets and I was gone. Now I get out jail, you  
12 should have seen, I went to the Marion Centre to  
13 get free food and sandwich and stuff like that  
14 eh.

15 CARLYLE-GORDGE: Right.

16 ALBERT CADRAIN: I went there. And there  
17 was a bunch, and I always had my mind what that  
18 guy told me, what the ah judge told me. Always  
19 had my mind that.

20 (Tape stopped)

21 MR. HODSON: I'm wondering,  
22 Mr. Commissioner, if that might be a spot.

23 (Adjourned at 3:18 p.m.)

24 (Reconvened at 3:35 p.m.)

25 MR. HODSON: Mr. Commissioner, just before

1 we resume the tape, we believe the date of the  
2 tape is February 18th, 1983.

3 COMMISSIONER MacCALLUM: Thank you.

4 (Tape resumes)

5 CARLYLE-GORDGE: Right.

6 ALBERT CADRAIN: And ah, I got out of there  
7 and I kept on saying, geez I don't have enough  
8 money to get out of town because I had to get out  
9 and I had no money.

10 CARLYLE-GORDGE: Uhmmm.

11 ALBERT CADRAIN: Now there was this farmer,  
12 from the, older farmer maybe about fifty-six or  
13 something like this. He was asking all these  
14 rubbies here, he's asking all these rubbies.

15 CARLYLE-GORDGE: Uh-huh.

16 ALBERT CADRAIN: Do you wanna come and work  
17 for me. I got a feed lot and I gotta feed some  
18 cattle. I need someone to cut wood and shit like  
19 that. It's not much work he said, you know.

20 CARLYLE-GORDGE: Uhmmm.

21 ALBERT CADRAIN: I didn't care if it's not  
22 much work or not. I grabbed that guy and I says,  
23 you take me and I says I'll work I says I wanna  
24 get out, I wanna work. And you know what he said  
25 to me? He just laughed at me and says no way. I

1           says yes. He was gonna pick up some rubbie you  
2           know some old alcoholic shit you know.

3                   CARLYLE-GORDGE: Right.

4                   ALBERT CADRAIN: I says no I wont let you  
5           know, I'll work. I says I'm going with you. And  
6           he didn't want me, I says I'm going I wanna work.  
7           And I really wanted to get out I listened to what  
8           the judge told me eh.

9                   CARLYLE-GORDGE: Right.

10                  ALBERT CADRAIN: I had to make enough money  
11          to get the hell home and get the hell out of that  
12          life eh.

13                  CARLYLE-GORDGE: Uhmmm.

14                  ALBERT CADRAIN: I was scared. Son of a  
15          bitch, he did take me and was I happy.

16                  CARLYLE-GORDGE: Uhmmm.

17                  ALBERT CADRAIN: And I lived, I lived for,  
18          I worked there for about two or three weeks and I  
19          ate one plate of macaroni in the morning and one  
20          plate of macaroni at night and it wasn't as much  
21          as I could eat and that was it. (Unintelligible)  
22          They fucking starved me. They made me feed a  
23          Hun, no no, a thousand head of cattle. I had to  
24          pull calves.

25                  CARLYLE-GORDGE: Hmmm.

1                   ALBERT CADRAIN: I had only one horse, I'm  
2 opening and closing gates and all this shit and  
3 he was from White City.

4                   CARLYLE-GORDGE: Yeah.

5                   ALBERT CADRAIN: I had enough and I made  
6 about fifty cents a day. I figured it out to  
7 fifty cents a day. That bastard. And I worked  
8 from sunup well I mean from dark to dark.

9                   CARLYLE-GORDGE: Pretty rough, yeah.

10                  ALBERT CADRAIN: So ah, I enough money to  
11 buy myself a can of tobacco and take the train  
12 from Regina to Saskatoon.

13                  CARLYLE-GORDGE: Right.

14                  ALBERT CADRAIN: And that's exactly what I  
15 did. Now, what happens (unintelligible). All  
16 this time goes by. Now and I'll tell ya when I  
17 got into Regina, I got a ride into, I hitch hiked  
18 a ride into Regina. I phoned the train station  
19 first and found out what time the train, and  
20 honestly I ran from that, ah I took, I had to  
21 take a cab to get to downtown Regina and I had  
22 about three minutes to get out of town to catch  
23 that train.

24                  CARLYLE-GORDGE: Uhmmm.

25                  ALBERT CADRAIN: And honestly, you know how

1 I caught that train I had to run and grab on to  
2 it...

3 CARLYLE-GORDGE: ... Chase it. Uhmmm...

4 ALBERT CADRAIN: Yup and I grabbed it. And  
5 I came to town.

6 CARLYLE-GORDGE: Okay.

7 ALBERT CADRAIN: When I got back, when I  
8 got into town my ah, I got a job working on ah  
9 construction ah like I said ah I, think I went  
10 back into construction for a while or else I, no  
11 I wasn't working or I, I can't really remember.  
12 It's a long time eh.

13 CARLYLE-GORDGE: Uhmmm.

14 ALBERT CADRAIN: But anyway one morning,  
15 guess who just comes to my place, David Milgaard,  
16 Nichols John and Ron Wilson. Hi Shorty. Never  
17 seen you for a long time.

18 CARLYLE-GORDGE: Uhmmm.

19 ALBERT CADRAIN: Now that's the story. You  
20 know the rest.

21 CARLYLE-GORDGE: Were you frightened when  
22 he came after what you found out.

23 ALBERT CADRAIN: I didn't, didn't know, I  
24 didn't know nothing. I puzzled all this as I got  
25 old, driving tractor...

1 CARLYLE-GORDGE: ... (unintelligible)

2 Yeah...

3 ALBERT CADRAIN: ... thinking.

4 CARLYLE-GORDGE: Yeah. Yeah. How did he  
5 seem when he came to see you? That's before he's  
6 been arrested (unintelligible)...

7 ALBERT CADRAIN: ... Milgaard always looked  
8 the same. He always looked, you couldn't really  
9 figure the guy out. You didn't know if he was  
10 straight or he was high or if he was high, high  
11 on what.

12 CARLYLE-GORDGE: Uhmmm.

13 ALBERT CADRAIN: You know.

14 CARLYLE-GORDGE: Right.

15 ALBERT CADRAIN: I'll tell you from, I had  
16 maybe about, and this is no lie, no more than  
17 maybe 25 or 30 joints in my life...

18 CARLYLE-GORDGE: Uhmmm.

19 ALBERT CADRAIN: ... Until that time.

20 CARLYLE-GORDGE: Right.

21 ALBERT CADRAIN: And ah, but this guy he  
22 lived on acid, he lived on anything he could get  
23 his hands on.

24 CARLYLE-GORDGE: Any kind of drug then.

25 ALBERT CADRAIN: Yeah. He'd just grab it.

1           If it was free he'd take it. And he knew all the  
2           queers, he ah, I, I'm not sure, but I think he  
3           played the queers...

4           CARLYLE-GORDGE: I read something about  
5           that, yes.

6           ALBERT CADRAIN: He played, he played the  
7           queers..

8           CARLYLE-GORDGE: ... Yup ..

9           ALBERT CADRAIN: ... And he got a lot of  
10          money from them and a lot of connections from  
11          them too eh.

12          CARLYLE-GORDGE: Uhmmm.

13          ALBERT CADRAIN: I know that for sure.

14          CARLYLE-GORDGE: Uhmmm.

15          ALBERT CADRAIN: But he never ever tried to  
16          ah do anything queery with me eh, but ah, I know  
17          very damn well he did.

18          CARLYLE-GORDGE: Now that day, that morning  
19          when he came did he seem nervous.

20          ALBERT CADRAIN: Oh yes. He was, he was in  
21          a rush.

22          CARLYLE-GORDGE: Uh-huh.

23          ALBERT CADRAIN: Now, I don't know, this  
24          shit like this never came out in the paper, and  
25          they hid a lot of stuff. Let me tell you. The

1 story is I don't know Ron Wilson knew anything, I  
2 knew I knew nothing. But Nichol John sure did.  
3 She must have and I'll tell you why.

4 CARLYLE-GORDGE: Uhmmm.

5 ALBERT CADRAIN: She was so freaked out on  
6 that trip, okay.

7 CARLYLE-GORDGE: Uhmmm.

8 ALBERT CADRAIN: She was so scared of  
9 everything. She clung on to me like a little  
10 lost mouse because Milgaard was scared of me. I  
11 was stronger than him, maybe I wasn't I don't  
12 know. He always wanted to arm wrestle with me or  
13 test me out, check me over eh.

14 CARLYLE-GORDGE: Uhmmm.

15 ALBERT CADRAIN: And ah, but as soon as I  
16 got in that car she was my girlfriend. I didn't,  
17 I didn't even care for her but, she, she stayed  
18 by me. And she was scared of that guy. Every  
19 time he looked at her she'd just freak out. And  
20 another thing is, when ah the car was getting  
21 fixed.

22 CARLYLE-GORDGE: Uh-huh.

23 ALBERT CADRAIN: Okay.

24 CARLYLE-GORDGE: Right.

25 ALBERT CADRAIN: The car was getting fixed

1 and ah, ah, she was with me.

2 CARLYLE-GORDGE: Uhmmm.

3 ALBERT CADRAIN: We walked down to get the  
4 car. And there was, I mean I, when I was a kid,  
5 you know, I used to shoplift and shit like that  
6 eh.

7 CARLYLE-GORDGE: Uh-huh.

8 ALBERT CADRAIN: Nothing serious and I can  
9 pick out, pick out a detective a mile away, you  
10 know. (Sounds like snapping fingers) like that.  
11 And I says oh look at the fuzz eh. Cops walking  
12 all over I didn't know why. Look at the fuzz and  
13 she just freaked right now. I says let's go  
14 Saint Paul's Lunch for coffee, I says, you know I  
15 had enough money to buy her a coffee and get to  
16 know her you know. Oh no way, I just could not  
17 understand it. No way eh. There's no way she  
18 would come. She just dreaded, that was the  
19 longest walk in her life I bet. - She did not  
20 wanna stop anywhere, she just wanted to go.

21 CARLYLE-GORDGE: Now when he came  
22 that-morning, you saw blood on him. Can you tell  
23 me about that.

24 ALBERT CADRAIN: Well...

25 CARLYLE-GORDGE: ... Did. He have it on

1 his hands too?

2 ALBERT CADRAIN: Milgaard was a, like I  
3 said before, he was smart. He must have been  
4 smart because by the time they found the car they  
5 didn't find any traces in the car...

6 CARLYLE-GORDGE: ... I know. There was no  
7 trace in it.

8 ALBERT CADRAIN: He was smart. I never  
9 seen no blood on his hands and if I did, like,  
10 it's a long time eh.

11 CARLYLE-GORDGE: Uhmmm.

12 ALBERT CADRAIN: But I know there was blood  
13 on his clothing. He had to get it changed.

14 CARLYLE-GORDGE: Right.

15 ALBERT CADRAIN: And I thought Nichol John  
16 was just another virgin he'd popped. Because  
17 this guy popped a lot of girls in a year. Let me  
18 tell ya. But what really made me think, after I  
19 fucked Nichol John, she clung on to me, I knew  
20 she was no virgin because she could fuck like a  
21 mink.

22 CARLYLE-GORDGE: Hmmm.

23 ALBERT CADRAIN: Then I started thinking,  
24 bells started ringing, where did he get the blood  
25 on his clothes?

1 CARLYLE-GORDGE: Uh-huh.

2 ALBERT CADRAIN: See it was like a big  
3 puzzle.

4 CARLYLE-GORDGE: Right.

5 ALBERT CADRAIN: Jig saw puzzle on the  
6 whole trip. Puzzle started to fit together and  
7 when I got home the puzzle was completed. You  
8 see I never heard no news, I never read no  
9 newspapers when we were gone on that trip. But  
10 when I come home, then there was a story. It all  
11 fitted. You see. That's the story like ah, why,  
12 why did he have the blood on his clothes, I  
13 couldn't figure that out. When were leaving  
14 town, he snaps the fucking aerial off. I was  
15 gonna listen to the news and the news was just  
16 coming on. You know what he does?

17 CARLYLE-GORDGE: Uh-huh.

18 ALBERT CADRAIN: Slams on the breaks, gets  
19 out the car, wissssssssh, snap just like that.  
20 No he didn't get out of the car, he opened up the  
21 window and went like that.

22 CARLYLE-GORDGE: All right.

23 ALBERT CADRAIN: He didn't want me to know  
24 nothing.

25 CARLYLE-GORDGE: And snapped the aerial

1 off. Yeah.

2 ALBERT CADRAIN: How come Ron Wilson and  
3 Nichol John didn't know nothing about that, they  
4 didn't do nothing when he did that. They knew.

5 CARLYLE-GORDGE: Yeah. But she didn't tell  
6 you, Nichol didn't tell you even though she  
7 became your girlfriend.

8 ALBERT CADRAIN: No.

9 CARLYLE-GORDGE: I see.

10 ALBERT CADRAIN: Their in the gang too.

11 CARLYLE-GORDGE: Uhmm.

12 ALBERT CADRAIN: See, there's a gang on  
13 boy. Now that's why I moved to a small town. I  
14 don't want my kids growing up to see what I seen  
15 when I was a kid.

16 CARLYLE-GORDGE: Uh-huh. You know Nichol  
17 at the trial...

18 ALBERT CADRAIN: ...Hmmm...

19 CARLYLE-GORDGE: ... Repudiated her  
20 statement.

21 ALBERT CADRAIN: What does repudiated mean?

22 CARLYLE-GORDGE: Well she denied that she'd  
23 seen anything. She withdrew the statement she'd  
24 made.

25 ALBERT CADRAIN: Well let me tell ya, she's

1                   scared of the, the mob.

2                   CARLYLE-GORDGE:   That could explain it.

3                   Yeah.

4                   ALBERT CADRAIN:   Man they would cut her to,  
5                   to shreds.  They are mean.  Honestly if you  
6                   would've spent, the ah, maybe, it was maybe two  
7                   hours in that room in the city hall upstairs with  
8                   me, you would...

9                   CARLYLE-GORDGE:   ...Uhhmm...

10                  ALBERT CADRAIN:   ...See how dangerous these  
11                  guys are.  They're dangerous.

12                  CARLYLE-GORDGE:   Well I think she's  
13                  probably still scared because I ...

14                  ALBERT CADRAIN:   ...Fuck, Jesus  
15                  (unintelligible) O...

16                  CARLYLE-GORDGE:   ..I talked to her very  
17                  briefly.

18                  ALBERT CADRAIN:   Stake on your life on it  
19                  she's scared.

20                  CARLYLE-GORDGE:   Yeah.

21                  ALBERT CADRAIN:   I'm not afraid, I'm not  
22                  afraid because, for my family, yes.

23                  CARLYLE-GORDGE:   Yeah.  She told me that  
24                  police had put an awful lot of pressure on her,  
25                  after, after the murder to make her say she'd

1           seen something.

2                   ALBERT CADRAIN: Well you know...

3                   CARLYLE-GORDGE: ... Do you think that's  
4 possible? That they would.

5                   ALBERT CADRAIN: You could be sure  
6 (unintelligible). Tape side A finished. -

7                   CARLYLE-GORDGE: (Unintelligible) compact  
8 on the trip to ah, Calgary.

9                   ALBERT CADRAIN: That was, that was, that  
10 happened maybe about one hour or two hours after  
11 the fucker broke the ah the aerial.

12                   CARLYLE-GORDGE: Okay.

13                   ALBERT CADRAIN: He, he, he looked inside  
14 the ah glove compartment I don't know what for.

15                   CARLYLE-GORDGE: Right.

16                   ALBERT CADRAIN: But I tell you he seen a  
17 powder compact and he just picked that thing up  
18 treeeeeeew out that window as far as he could  
19 throw. And I couldn't figure it out. Why would  
20 he do that...

21                   CARLYLE-GORDGE: ... (unintelligible) I  
22 know, ya.

23                   ALBERT CADRAIN: But, that's another thing  
24 eh.

25                   CARLYLE-GORDGE: Uhmmm.

1                   ALBERT CADRAIN: We get to Calgary or  
2                   Edmonton, he always hit the paper, the newspaper.  
3                   I figure...

4                   CARLYLE-GORDGE: ... Did you ask him why?

5                   ALBERT CADRAIN: No.

6                   CARLYLE-GORDGE: Hmm.

7                   ALBERT CADRAIN: I wanted to go with him  
8                   inside the library because I like reading, you  
9                   know, that's how I learn, I don't got much  
10                  education but maybe as far as ah, you name it I  
11                  can do a lot of stuff.

12                  CARLYLE-GORDGE: Right.

13                  ALBERT CADRAIN: You know, because I learn  
14                  it from reading and then I practice eh.

15                  CARLYLE-GORDGE: Uhmmm.

16                  ALBERT CADRAIN: And ah I love reading.  
17                  See I got a good library. Now why does a guy go  
18                  to the library. He could get, didn't tell me he  
19                  wanted to read the paper. Didn't have the radio  
20                  but I knew he wanted to read the paper. After I  
21                  figured it out, I didn't know then.

22                  CARLYLE-GORDGE: Uhmmm.

23                  ALBERT CADRAIN: But he wouldn't let me go  
24                  with him. He said nah, you stay here, I won't be  
25                  long, eh.

1 CARLYLE-GORDGE: (Unintelligible).

2 ALBERT CADRAIN: So he probably wanted to  
3 find out what's happening. Wait to things cool  
4 off so he could probably get back to Regina or  
5 something.

6 CARLYLE-GORDGE: Yeah. Yeah.

7 ALBERT CADRAIN: But ah, That's what we  
8 figure anyway.

9 CARLYLE-GORDGE: So at first you figured  
10 he'd had a virgin.

11 ALBERT CADRAIN: Yup.

12 CARLYLE-GORDGE: Hmm. Well did...

13 ALBERT CADRAIN: ... And that was, that  
14 was nothing unusual for that guy because I'm  
15 telling you. When I, when I first met him, in  
16 Calgary, he used to break in a least three, three  
17 virgins a week and laugh at them, you know. And  
18 they'd come to him pregnant and he says ah fuck  
19 off. And he'd be fucking, fucking girls right in  
20 front of us eh.

21 CARLYLE-GORDGE: And he was sixteen.

22 ALBERT CADRAIN: Yeah. Oh ya. He had a  
23 cock on him like a fucking horse. I'm telling  
24 ya.

25 CARLYLE-GORDGE: Right.

1 ALBERT CADRAIN: He had a real wang on him.

2 Yup.

3 CARLYLE-GORDGE: So you put two and two  
4 together eventually when you got back from...

5 ALBERT CADRAIN: ... yeah...

6 CARLYLE-GORDGE: ... being  
7 (unintelligible)...

8 ALBERT CADRAIN: ... I figured the puzzle  
9 out and it, it sounded pretty freaky to me, it  
10 didn't sound right.

11 CARLYLE-GORDGE: Hmmm.

12 ALBERT CADRAIN: Nothin fit. I told my  
13 brother, he says ah...

14 CARLYLE-GORDGE: ... How old is your  
15 brother by the way.

16 ALBERT CADRAIN: He's a year younger than  
17 me...

18 CARLYLE-GORDGE: ... Hmmm...

19 ALBERT CADRAIN: He, he lives in Vancouver  
20 now, (unintelligible). Probably could get  
21 information out of him...

22 CARLYLE-GORDGE: ... weren't, weren't you  
23 scared though to go and tell them, the police.

24 ALBERT CADRAIN: Oh no way. No way I  
25 phoned them...

1 CARLYLE-GORDGE: ... Because she just  
2 started running in, in Regina.

3 ALBERT CADRAIN: They were different  
4 police.

5 CARLYLE-GORDGE: True. Saskatoon. Yeah.

6 ALBERT CADRAIN: I wasn't afraid. I phoned  
7 the Morality Squad. I've, I got right up to the  
8 top.

9 CARLYLE-GORDGE: Hmm.

10 ALBERT CADRAIN: I got a hold of Mr. Karst.  
11 And ah...

12 CARLYLE-GORDGE: ... Karst.

13 ALBERT CADRAIN: Yeah.

14 CARLYLE-GORDGE: Yeah.

15 ALBERT CADRAIN: But we, we, ah they worked  
16 me over boy I'm telling you. I was in that, that  
17 police station, that little room there and they  
18 worked me over, boy. They questioned me and  
19 showed me pictures and-oh man it was freaky.  
20 They worked me over.

21 CARLYLE-GORDGE: You see I talked to Nichol  
22 and she said that, she more or less said she was  
23 forced to make a statement. What's what she  
24 said. That's why she retracted it in court. She  
25 was saying that she didn't see it what she said

1 she saw.

2 ALBERT CADRAIN: ... Well...

3 CARLYLE-GORDGE: ... And she said the  
4 police kept her locked up over night and gave her  
5 the third degree.

6 ALBERT CADRAIN: I believe it. Oh I  
7 believe it yeah. They have to.

8 CARLYLE-GORDGE: Uhmmm.

9 ALBERT CADRAIN: Something like this is  
10 serious.

11 CARLYLE-GORDGE: But she really doesn't  
12 remember seeing anything. Like seeing him stab a  
13 women.

14 ALBERT CADRAIN: I don't know. Maybe she  
15 hasn't, I haven't been there. But...

16 CARLYLE-GORDGE: ... No...

17 ALBERT CADRAIN: ...Why would she act, why  
18 did she act, she must have known something then.  
19 If she didn't...

20 CARLYLE-GORDGE: ... she's acting scared,  
21 ya.

22 ALBERT CADRAIN: Must have known something.

23 CARLYLE-GORDGE: Yeah.

24 ALBERT CADRAIN: Because I'll tell ya, she  
25 was one freaky girl. I've never met a nervous

1 broad like that in my life.

2 CARLYLE-GORDGE: Uhmmm.

3 ALBERT CADRAIN: Ron Wilson was weird.

4 Why...

5 CARLYLE-GORDGE: ... what's he like.

6 ALBERT CADRAIN: So quiet. I know nothing,  
7 I see nothing I hear nothing type.

8 CARLYLE-GORDGE: Right. I know what you  
9 mean...

10 ALBERT CADRAIN: ... You know what I mean?

11 CARLYLE-GORDGE: Yeah.

12 ALBERT CADRAIN: He was so quiet. I, I  
13 didn't, I don't think I said one sentence to him  
14 on the way there and back. You know.

15 CARLYLE-GORDGE: Do you think he saw  
16 something? Wilson.

17 ALBERT CADRAIN: I don't know, I'm not God.  
18 But some people sure can hide their feelings.

19 CARLYLE-GORDGE: Yeah.

20 ALBERT CADRAIN: You know. And if he did,  
21 he was good at it, hiding his feelings.

22 CARLYLE-GORDGE: But after you gone to the  
23 police you never talked to him afterwards about  
24 where he'd been.

25 ALBERT CADRAIN: No I never talked to her

1 or him.

2 CARLYLE-GORDGE: Okay.

3 ALBERT CADRAIN: I, I did see Nichol John  
4 in the, in that room. - I know we were not  
5 suppose to talk them, but I just said, hi, that's  
6 it. You know that little room there, court  
7 room,...

8 CARLYLE-GORDGE: ...Oh right...

9 ALBERT CADRAIN: ...Where the witnesses  
10 sit. That's all I said was hi. Yup. Yeah he's  
11 one scary guy. He thought I was gonna lie for  
12 him in court too.

13 CARLYLE-GORDGE: How's that.

14 ALBERT CADRAIN: Well, he was sitting in  
15 the box there and I remember the police telling  
16 me don't look at him. I looked at him anyway.  
17 You know what he did, he'd, he'd look at me and  
18 he put on a real baby face smile, you know, as if  
19 to say my buddy, my pal, hey you don't screw me  
20 eh?

21 CARLYLE-GORDGE: Uh-huh.

22 ALBERT CADRAIN: And I, I never listened to  
23 any face, faced, you know gestures at all.

24 CARLYLE-GORDGE: Hmmm.

25 ALBERT CADRAIN: Like you know, you know

1                   how you can sort of ...

2                   CARLYLE-GORDGE:   ...Read it.  Yeah.

3                   ALBERT CADRAIN:   ... Trying to suck me in  
4                   eh.

5                   CARLYLE-GORDGE:   Yeah.

6                   ALBERT CADRAIN:   And you should see ah the  
7                   horror on his face when he seen I wasn't gonna  
8                   try to save him.

9                   CARLYLE-GORDGE:   Uhhmm.

10                  ALBERT CADRAIN:   You should've seen the  
11                  horror in his eyes.

12                  CARLYLE-GORDGE:   Now when, when he first  
13                  came to you, how much of a, how much of a hurry  
14                  was he in to leave.

15                  ALBERT CADRAIN:   Oh he was...

16                  CARLYLE-GORDGE:   ... Like was it obvious.

17                  ALBERT CADRAIN:   Oh ya.  It was obvious.  
18                  But ah, when, when you are on the road and  
19                  bumming around, I was always like that, but not  
20                  in that sort of...

21                  RICK SHARADE:    ... Natural, yeah.

22                  CARLYLE-GORDGE:   ... Yeah.

23                  ALBERT CADRAIN:   ... You know, sure when  
24                  you're young you want to get out and explore and  
25                  see the world eh.  I didn't care.  I wasn't

1 working then I guess, you know.

2 CARLYLE-GORDGE: Yeah. But when he came to  
3 your house that day, you must, that must have  
4 been very soon after.

5 ALBERT CADRAIN: Oh yeah.

6 CARLYLE-GORDGE: Within the hour possibly.

7 ALBERT CADRAIN: It must have been  
8 because...

9 CARLYLE-GORDGE: ... You, you didn't  
10 seem...

11 ALBERT CADRAIN: ... I'll tell you.

12 CARLYLE-GORDGE: Yeah.

13 ALBERT CADRAIN: What time he came to my  
14 house, my mom, I think she went to school or to  
15 church to kindergarten. And, oh the kids weren't  
16 in school yet. Okay.

17 CARLYLE-GORDGE: Right, so that's before  
18 nine anyway. Yeah.

19 ALBERT CADRAIN: Yeah.

20 CARLYLE-GORDGE: Yeah.

21 ALBERT CADRAIN: Close to nine, because I  
22 think ah, my big sister, or, no, one of my  
23 sisters was -- anyway, Kenny was too young to go  
24 to school, he was I think about maybe five.

25 CARLYLE-GORDGE: Uhmmm.

1 ALBERT CADRAIN: He remembers everything.

2 CARLYLE-GORDGE: Does he? Uhmmm.

3 ALBERT CADRAIN: Damn rights. He sure  
4 does. What he sees yeah. What he's, he  
5 remembers.

6 CARLYLE-GORDGE: What did he see, did he  
7 see the blood?

8 ALBERT CADRAIN: Oh yeah. He sees, he sees  
9 Milgaard, he sees the way things were. There was  
10 a rush, Milgaard was like this, I can show ya.  
11 When he came in.

12 CARLYLE-GORDGE: ... Okay do it...  
13 (Sounds of Knocking, walking and a door opening).

14 ALBERT CADRAIN: Hi Shorty, how you doing?  
15 And he's like this, real fidgety and on the go  
16 eh.

17 CARLYLE-GORDGE: Uhmmm.

18 ALBERT CADRAIN: And he starts snooping  
19 around the house right away, in this and oh, he  
20 picks my dads suit out of the closet around by  
21 the bathroom. He said I need clothes. And  
22 snooping around eh and ah, I says well you got  
23 some people out in the car eh.

24 CARLYLE-GORDGE: Uhmmm.

25 ALBERT CADRAIN: Tell them to come in, my

1 old lady...

2 CARLYLE-GORDGE: ... Right.

3 ALBERT CADRAIN: ... was gone anyway...

4 CARLYLE-GORDGE: ... Yeah that's in  
5 there...

6 ALBERT CADRAIN: ... No way, uhuh, It took  
7 a lot of convincing for them to come in. And ah,  
8 he said ah the car's broken down, we, were just  
9 on our way to Edmonton now. We gotta go eh.

10 CARLYLE-GORDGE: Hmmm.

11 ALBERT CADRAIN: Wanna come? Just like  
12 that.

13 CARLYLE-GORDGE: Now did he bring clothes  
14 or did he borrow clothes from you.

15 ALBERT CADRAIN: Oh he, he didn't borrow  
16 the clothes from me he took them.

17 CARLYLE-GORDGE: He did.

18 ALBERT CADRAIN: Yeah.

19 CARLYLE-GORDGE: Uh-huh. And what did he  
20 do with the, with the, with the pants with the  
21 blood on?

22 ALBERT CADRAIN: Can't find it. I don't  
23 know, I think, I'm not sure, I think it went  
24 straight into the garbage.

25 CARLYLE-GORDGE: Uhmmm.

1                   ALBERT CADRAIN: I'm not sure I didn't see  
2 what he did. I wasn't even dressed myself, all,  
3 all I had on was a pair of gauches.

4                   CARLYLE-GORDGE: You were asleep were you.

5                   ALBERT CADRAIN: Yeah I was sleeping on the  
6 couch and I had a blanket over me or something,  
7 or slipped on a pair of pants or something.

8                   CARLYLE-GORDGE: You hadn't been out that  
9 day at all?

10                  ALBERT CADRAIN: No.

11                  CARLYLE-GORDGE: So he starts snooping  
12 around, fidgeting...

13                  ALBERT CADRAIN: ... Yeah ran upstairs.

14                  CARLYLE-GORDGE: Yeah. Asking about going  
15 to Edmonton.

16                  ALBERT CADRAIN: Yeah.

17                  CARLYLE-GORDGE: Did he say why he wanted  
18 to go? Any...

19                  ALBERT CADRAIN: No. Buy and sell dope and  
20 shit like that.

21                  CARLYLE-GORDGE: Yeah.

22                  ALBERT CADRAIN: I figured, ah, he'd, he'd  
23 probably make enough money and have a nice little  
24 trip and get away from all, all the bullshit I've  
25 been through eh.

1 CARLYLE-GORDGE: Uhmmm.

2 ALBERT CADRAIN: So. (Unintelligible).

3 CARLYLE-GORDGE: Can you, can you say ahm,  
4 how much blood there was on the man? Was it  
5 noticeable.

6 ALBERT CADRAIN: Oh yeah.

7 CARLYLE-GORDGE: Because she was stabbed 20  
8 (unintelligible)

9 ALBERT CADRAIN: I forget what coloured  
10 pants but I think they were grey pants he had on.

11 CARLYLE-GORDGE: Yeah.

12 ALBERT CADRAIN: And ah, I'm not sure and  
13 ah, seems to me there was some holes on him from  
14 battery acid or something. I'm not sure...

15 CARLYLE-GORDGE: ...I think he says his  
16 coat had battery acid.

17 ALBERT CADRAIN: On his pants too.

18 CARLYLE-GORDGE: Okay.

19 ALBERT CADRAIN: And ah, he, he had blood  
20 on them. But I says I looked at that girl and I  
21 says you poor virgin, you sure got it last night.  
22 That's what I thought when I looked her over.  
23 Well I was surprised, you know, that ah, a girl,  
24 a virgin would be chasing after to me.

25 CARLYLE-GORDGE: Uhmmm.

1 ALBERT CADRAIN: After he popped that.

2 CARLYLE-GORDGE: Yeah. Yeah. Now when you  
3 went to the police, uhm, did they believe you,  
4 first of all? What did you tell them.

5 ALBERT CADRAIN: No they didn't.

6 CARLYLE-GORDGE: You told them what you'd  
7 seen?

8 ALBERT CADRAIN: They were nice to me until  
9 they got me in the cop shop and then they, then  
10 they worked me over boy. The didn't believe a  
11 word I said. They probably did, but they were  
12 trying to find out everything. And they did.  
13 You know. Crap. They put me through the mill  
14 I'll tell ya.

15 CARLYLE-GORDGE: Did they ever suspect you.

16 ALBERT CADRAIN: Oh ya.

17 CARLYLE-GORDGE: Because she lived near  
18 there.

19 ALBERT CADRAIN: Oh ya. Of course they  
20 did.

21 CARLYLE-GORDGE: Did they accuse you at any  
22 time.

23 ALBERT CADRAIN: In, inside there?

24 CARLYLE-GORDGE: Yeah.

25 ALBERT CADRAIN: Oh ya, of course they did.

1 CARLYLE-GORDGE: And how did you answer  
2 that? You remember what (unintelligible)...

3 ALBERT CADRAIN: ... No I told them I swear  
4 to God everything I told you guys was true. But  
5 they didn't ask me once eh, I mean, they asked me  
6 a hundred times.

7 CARLYLE-GORDGE: ... Uhmmm...

8 ALBERT CADRAIN: ... You know how they  
9 interrogate yeah.

10 CARLYLE-GORDGE: Yeah.

11 ALBERT CADRAIN: They bring you in a little  
12 room and they work you over good. They work you  
13 over good.

14 CARLYLE-GORDGE: Right.

15 ALBERT CADRAIN: You know if you write shit  
16 like that, I don't want no one to know where I  
17 live.

18 CARLYLE-GORDGE: I can guarantee that they  
19 won't...

20 ALBERT CADRAIN: ... I had two dober --  
21 when I was in Saskatoon...

22 CARLYLE-GORDGE: ... I can understand that,  
23 that's right...

24 ALBERT CADRAIN: I had two Doberman  
25 pinch -- pinchers now I only got one, you know.

1 CARLYLE-GORDGE: Oh my.

2 ALBERT CADRAIN: And there trained you  
3 know. And I don't wanna, I don't wanna...

4 CARLYLE-GORDGE: ... No you have a family.

5 ALBERT CADRAIN: Anything that happen to my  
6 family...

7 CARLYLE-GORDGE: ...Uhhmm...

8 ALBERT CADRAIN: ... or me I support  
9 them...

10 CARLYLE-GORDGE: ...Yeah...

11 ALBERT CADRAIN: ...You know.

12 CARLYLE-GORDGE: Uhm, going back to Nichol.  
13 What kind of person was she, from what you  
14 remember? Could she easily be scared by the  
15 police you think.

16 ALBERT CADRAIN: I think she could be  
17 scared. Yeah, because the way she acted on the  
18 trip, she was very scared by ah, she was very,  
19 very scared, I think she'd be more scared of the  
20 Mafia...

21 CARLYLE-GORDGE: ...Hmm...

22 ALBERT CADRAIN: ... Than anybody.

23 CARLYLE-GORDGE: Yeah.

24 ALBERT CADRAIN: Because ah, that's the  
25 kind of people she hung around with all her life

1                   probably.

2                   CARLYLE-GORDGE:   Uhhmm.

3                   ALBERT CADRAIN:   By the, by the looks of  
4                   it.  When she, when she seen what they really do  
5                   she got really freaked out.

6                   CARLYLE-GORDGE:   Yeah.

7                   ALBERT CADRAIN:   And I think, that the  
8                   police are in it, the city hall with connections  
9                   at top...

10                  CARLYLE-GORDGE:   ... Uh-huh.

11                  ALBERT CADRAIN:   ... it's scary.  You know  
12                  what I mean?

13                  CARLYLE-GORDGE:   Well you wonder, yeah.

14                  ALBERT CADRAIN:   It's really scary.  Even  
15                  if the judge knows what's going on.

16                  CARLYLE-GORDGE:   Uh-huh.

17                  ALBERT CADRAIN:   And I know very damn well  
18                  he did.  Why would he tell me what he did?

19                  CARLYLE-GORDGE:   Yeah, hmmm.

20                  ALBERT CADRAIN:   Scary.  You guys want a  
21                  coffee?

22                  CARLYLE-GORDGE:   I'd love one.

23                  ALBERT CADRAIN:   You know, Milgaard's old  
24                  lady...

25                  CARLYLE-GORDGE:   ... Yeah...

1                   ALBERT CADRAIN: She, she, she knows that  
2 I'm the one that squealed on him eh. She knows.  
3 And here's how I figured it. Remember last year,  
4 she went on Canada AM. Was it last year or the  
5 year before?

6                   CARLYLE-GORDGE: I didn't see that.

7                   ALBERT CADRAIN: She went on Canada AM and  
8 she talked about David Milgaard.

9                   CARLYLE-GORDGE: Saying what.

10                  ALBERT CADRAIN: She said I'd give a  
11 \$10,000 reward for any one leading, leading ah,  
12 that he is not guilty eh.

13                  CARLYLE-GORDGE: Uh-huh.

14                  ALBERT CADRAIN: And ah, she could be  
15 trying to bribe me to lie, but I will never lie.

16                  CARLYLE-GORDGE: Uh-huh.

17                  ALBERT CADRAIN: You know, that's what I  
18 figured out...

19                  CARLYLE-GORDGE: ... (unintelligible).

20                  ALBERT CADRAIN: You know, because I, I got  
21 a \$2,000 reward for that, but I would've done it  
22 for nothing. You know.

23                  CARLYLE-GORDGE: Yeah.

24                  ALBERT CADRAIN: Just that I didn't know  
25 what...

1 RICK SHARADE: ...Who gave you the reward?

2 ALBERT CADRAIN: The City of Saskatoon.

3 CARLYLE-GORDGE: So they were grateful  
4 finally.

5 ALBERT CADRAIN: Oh yeah.

6 CARLYLE-GORDGE: Yeah. After the third  
7 degree.

8 ALBERT CADRAIN: Yeah.

9 CARLYLE-GORDGE: Yeah. Are, are you  
10 absolutely sure, convinced he, he did it? You  
11 saw the blood, Nichol...

12 ALBERT CADRAIN: ... I'd stake my life...  
13 00053:

14 CARLYLE-GORDGE: ... Nichol said she can't  
15 remember seeing...

16 ALBERT CADRAIN: ... I'd stake my life on  
17 it.

18 CARLYLE-GORDGE: From the blood and the  
19 behaviour.

20 ALBERT CADRAIN: And the behaviour for  
21 sure. Milgaard is a killer. If they let him  
22 out, hell, hell stay cool for awhile but look  
23 out. I mean it, there will be a lot of people  
24 killed.

25 CARLYLE-GORDGE: You really think he'd come

1 after you.

2 ALBERT CADRAIN: Oh probably would.

3 RICK SHARADE: Why would he do that.

4 ALBERT CADRAIN: Why?

5 CARLYLE-GORDGE: He'd get thrown straight  
6 back in, I'm sure they'd watch for that.

7 ALBERT CADRAIN: (Unintelligible) he's,  
8 he's been fucked up the ass so many time right  
9 now, he wouldn't give a shit. I heard stories  
10 that now he peels potatoes and if he leaves that  
11 potato bin, he's in trouble. I hear, I hear  
12 through the grapevine that they tried ah, that  
13 they hung him on a meat hook in jail already.  
14 They found him just about dead three or four  
15 times in jail.

16 CARLYLE-GORDGE: Really.

17 ALBERT CADRAIN: Oh ya.

18 CARLYLE-GORDGE: Hmmm.

19 ALBERT CADRAIN: Scary. This guy suffered,  
20 he got nothing to lose. It's like a guy that's  
21 been in a, in war.

22 CARLYLE-GORDGE: Yeah.

23 ALBERT CADRAIN: You know. He's been in a  
24 concentration camp and he comes out all fucked  
25 up.

1 CARLYLE-GORDGE: Right.

2 ALBERT CADRAIN: He ain't gonna, he ain't  
3 gonna miss, he don't care going back to jail.  
4 They don't kill people in Canada anyway for  
5 murder. They just throw you back in jail.

6 CARLYLE-GORDGE: Uhmmm.

7 ALBERT CADRAIN: If they let him out, were  
8 in trouble. Especially anyone that he finds put  
9 that ratted on him. And that's me. I'm his  
10 number one on his list. I'm not afraid of him,  
11 but: I'm afraid, I'm afraid for my family.

12 CARLYLE-GORDGE: Yeah, I don't blame you.

13 ALBERT CADRAIN: I got nice little girls  
14 and I want to keep them living eh.

15 CARLYLE-GORDGE: Yeah. How many have you  
16 got.

17 ALBERT CADRAIN: Two.

18 CARLYLE-GORDGE: Two.

19 RICK SHARADE: By the pictures are on the  
20 T. V., they look pretty nice.

21 ALBERT CADRAIN: Yeah. My, my little sweet  
22 hearts.

23 CARLYLE-GORDGE: So you actually drove with  
24 ah, with a killer.

25 ALBERT CADRAIN: Yup.

1 CARLYLE-GORDGE: Hmm.

2 ALBERT CADRAIN: He was also my friend.

3 CARLYLE-GORDGE: He must be very cool  
4 though, if he just done it.

5 ALBERT CADRAIN: He is cool.

6 CARLYLE-GORDGE: Hmm.

7 ALBERT CADRAIN: He is. Let me tell ya.  
8 There's one (unintelligible).

9 CARLYLE-GORDGE: ... (unintelligible...  
10 Albert ...)

11 RICK SHARADE: Thanks.

12 CARLYLE-GORDGE: Well I can see your  
13 concern about ah, about him getting out.

14 ALBERT CADRAIN: Now I have a friend in  
15 Saskatoon, Leonard Gorgchuk.

16 CARLYLE-GORDGE: Yes.

17 ALBERT CADRAIN: If you're really writing a  
18 book and you're not just trying to fuck ten  
19 thousand dollars...

20 CARLYLE-GORDGE: ... I wouldn't mind ah,  
21 talking to him.

22 ALBERT CADRAIN: Yeah. Well I'll sure give  
23 you his number.

24 CARLYLE-GORDGE: Well if he could tell me  
25 about the stuff in Regina.

1                   ALBERT CADRAIN: Yeah, oh yeah that would  
2 be really ...

3                   RICK SHARADE: If there's, if there's, if  
4 there's anything I can do Albert, ah, he's  
5 writing a book.

6                   ALBERT CADRAIN: Ya, that's good.

7                   RICK SHARADE: No eh ...

8                   CARLYLE-GORDGE: ... No, I, I use Paul to  
9 get some of this background.

10                  RICK SHARADE: Our friend, you know, or --

11                  CARLYLE-GORDGE: It sounds fantastic ...

12                  RICK SHARADE: (Unintelligible) long  
13 ways...

14                  ALBERT CADRAIN: Uhmmm. See I was  
15 trying...

16                  CARLYLE-GORDGE: ... Yeah, I write for  
17 Maclean's...

18                  RICK SHARADE: Dd...dd...dd. You pick up  
19 any mag, ma, McLean magazine...

20                  ALBERT CADRAIN: Uhmmm.

21                  RICK SHARADE: You'll see his name in there  
22 for ah, for ah, for Winnipeg. He's the ah,  
23 Winnipeg correspondent for ah, Mclean Magazine.

24                  ALBERT CADRAIN: Yeah but...

25                  CARLYLE-GORDGE: Anyway I wouldn't mind

1 talking to him...

2 ALBERT CADRAIN: Well what is also freaky,  
3 Mrs. Milgaard's from Winnipeg and she probably  
4 says now listen you wanna make yourself ten  
5 grand, eh?

6 CARLYLE-GORDGE: No I'm not making ten  
7 grand.

8 ALBERT CADRAIN: Yeah. No it doesn't  
9 matter.

10 CARLYLE-GORDGE: I have ID by the way if  
11 want me to.

12 ALBERT CADRAIN: Na, it doesn't, simply  
13 doesn't matter.

14 CARLYLE-GORDGE: All right.

15 ALBERT CADRAIN: I've been ducking her for  
16 a long time. You know she's been trying to get a  
17 hold of me...

18 CARLYLE-GORDGE: ...Well, What, what made  
19 her do this, ah...

20 ALBERT CADRAIN: ... (unintelligible)  
21 Guilty...

22 CARLYLE-GORDGE: ... What made her do this  
23 last year.

24 ALBERT CADRAIN: Mrs. Milgaard never did  
25 take care of her son. She spoiled him rotten. I

1                   went to his house with him, when I was a kid, one  
2                   time.

3                   CARLYLE-GORDGE:   Oh you did.

4                   ALBERT CADRAIN:   (Unintelligible) with him,  
5                   yeah.

6                   CARLYLE-GORDGE:   Uhhmm.

7                   ALBERT CADRAIN:   And he was mommas boy.

8                   CARLYLE-GORDGE:   Hmmm.

9                   ALBERT CADRAIN:   Okay.   Now you find me a  
10                  mother that does not love their son.

11                  CARLYLE-GORDGE:   Uhhmm.

12                  ALBERT CADRAIN:   Or father.

13                  CARLYLE-GORDGE:   Hmmm.

14                  ALBERT CADRAIN:   Okay.   I love my children  
15                  and I'd do anything for them.   Right or wrong,  
16                  I'd sure try.

17                  CARLYLE-GORDGE:   Yeah.

18                  ALBERT CADRAIN:   Okay.

19                  CARLYLE-GORDGE:   Yeah.

20                  ALBERT CADRAIN:   Now when you got a son,  
21                  that's just about been killed three or four times  
22                  in jail and this and that and he's been...

23                  CARLYLE-GORDGE:   ... So that what you were  
24                  talking about?   (Unintelligible).

25                  ALBERT CADRAIN:   Yeah.   Not only that they

1 found him in a soup pot, I don't know if it's  
2 bullshit or not, but...

3 CARLYLE-GORDGE: ... Do you have contacts  
4 in jail.

5 ALBERT CADRAIN: Well you see, I've got a  
6 brother that works up north.

7 CARLYLE-GORDGE: Uh-huh.

8 ALBERT CADRAIN: He's a cook in a camp eh.

9 CARLYLE-GORDGE: Right.

10 ALBERT CADRAIN: And most of them people  
11 that work up north, they are ah people that come  
12 out of jail can't keep jobs anywhere else eh.

13 CARLYLE-GORDGE: Right.

14 ALBERT CADRAIN: He talks, and he hears  
15 stories of people that live in the cell right  
16 next to him. And they say he's a real weird guy.  
17 He says, his eyes are always shiny and real  
18 glassy looking and he's sort of tries to stick to  
19 himself eh.

20 CARLYLE-GORDGE: Uhmmm.

21 ALBERT CADRAIN: He's real weird. You see  
22 this is what Kenny told me. Oops.

23 CARLYLE-GORDGE: What about Dennis, where  
24 is he.

25 ALBERT CADRAIN: In Vancouver. He's a...

1 CARLYLE-GORDGE: .. I could fly  
2 (unintelligible).

3 ALBERT CADRAIN: ... If you want to yes.  
4 He, he was writing a book on it but I don't think  
5 he got finished...

6 CARLYLE-GORDGE: ... Is he a writer, what  
7 does he do.

8 ALBERT CADRAIN: Well no, he's a carpenter  
9 by trade but he's got brains, he could write.

10 CARLYLE-GORDGE: Uhmmm.

11 ALBERT CADRAIN: But I guess he just never  
12 got around to finishing it. There was such a  
13 story and he's got the ah, from the trial and  
14 everything, he's got the all...

15 CARLYLE-GORDGE: ... All the, all the  
16 transcripts, right.

17 ALBERT CADRAIN: Yeah, I told him to keep  
18 them for me.

19 CARLYLE-GORDGE: That's quite a reading.

20 ALBERT CADRAIN: Oh oh yeah. I had to read  
21 that over too before the trial.

22 CARLYLE-GORDGE: At what, at what point did  
23 the police begin to believe you and leave you out  
24 as a suspect.

25 ALBERT CADRAIN: Well to tell you the

1 truth, my phone was tapped.

2 CARLYLE-GORDGE: Well that would be normal.  
3 That would be better. That would be smart.

4 ALBERT CADRAIN: My phone is still tapped  
5 sometimes.

6 CARLYLE-GORDGE: To do with that.

7 ALBERT CADRAIN: No, no I used to grow pot.

8 CARLYLE-GORDGE: Oh okay, well. They do  
9 check up now.

10 ALBERT CADRAIN: Yeah.

11 CARLYLE-GORDGE: But if it were a murder  
12 investigation...

13 ALBERT CADRAIN: ... But I don't grow it  
14 anymore though...

15 CARLYLE-GORDGE: ... And you were being  
16 interviewed they would certainly do that.

17 ALBERT CADRAIN: Well I think like ah, were  
18 getting divorced and this and that at one time.  
19 And I had to find an escape and I never could  
20 find money to buy pot.

21 CARLYLE-GORDGE: Uhmmm.

22 ALBERT CADRAIN: So I started growing it  
23 and I, I grew some pretty good damn pot and  
24 people started talking because I wouldn't give it  
25 away.

1 CARLYLE-GORDGE: Yeah. Word gets around.

2 ALBERT CADRAIN: So ah, I quit that d9pe  
3 either that or get divorced. So I just quit it.

4 CARLYLE-GORDGE: Yeah.

5 ALBERT CADRAIN: Grow tomatoes now.

6 CARLYLE-GORDGE: I do too. - . -

7 ALBERT CADRAIN: Yeah and I grow good  
8 tomatoes.

9 CARLYLE-GORDGE: Uhmm.

10 ALBERT CADRAIN: Yup. And I feed my family  
11 instead feeding my mind. Ha ha with that shit.  
12 And ah, you can't, you can't work very good  
13 neither when you're, you're smoking that shit.  
14 Especially now a days cause...

15 CARLYLE-GORDGE: ... Depends what  
16 (unintelligible)...

17 ALBERT CADRAIN: ... do the work. Do the  
18 work for three, three men you know. I work at  
19 SuperValue and I'm baking, I'm sure you know that  
20 or would've found me. And I tell you boy, you  
21 don't even have time to take a leak while you  
22 work.

23 CARLYLE-GORDGE: It's that bad eh.

24 ALBERT CADRAIN: Run run run, you know.

25 CARLYLE-GORDGE: Uhmmm.

1                   ALBERT CADRAIN: You know, I took a rest  
2 now because I needed it, I was burnt right out.  
3 Really tired.

4                   CARLYLE-GORDGE: Hmm.

5                   ALBERT CADRAIN: So I had a week coming  
6 from last year and I just took it.

7                   CARLYLE-GORDGE: Uhmmm.

8                   ALBERT CADRAIN: And then in the winter  
9 time I trap coyotes and foxes and shit like that.

10                  CARLYLE-GORDGE: Do you.

11                  ALBERT CADRAIN: In my spare time...

12                  CARLYLE-GORDGE: ... (unintelligible) done  
13 that?...

14                  ALBERT CADRAIN: ... Just ah...

15                  CARLYLE-GORDGE: ... What are the prices  
16 like these days.

17                  ALBERT CADRAIN: Hundred bucks a pelt.  
18 Yeah.

19                  CARLYLE-GORDGE: Uhmmm. Hmm.

20                  ALBERT CADRAIN: Yeah.

21                  CARLYLE-GORDGE: Anything else you can tell  
22 me about David or about that trip you took with  
23 him from Saskatoon? Anything that stands out.  
24 You mentioned the car aerial, uhm...

25                  ALBERT CADRAIN: ... Yeah that package you

1                   were talking about, the way he acted when he  
2                   walked in the house...

3                   CARLYLE-GORDGE: ... Now that was some  
4                   Mafia friend.

5                   ALBERT CADRAIN: You could be sure that ah,  
6                   it's all connected with the Mafia. I, tell you  
7                   the truth, what does Mafia mean. Organized  
8                   crime?

9                   CARLYLE-GORDGE: Yeah.

10                  ALBERT CADRAIN: Well that's what it is.

11                  CARLYLE-GORDGE: Yeah.

12                  ALBERT CADRAIN: It's organized crime...

13                  CARLYLE-GORDGE: ... Same thing.

14                  ALBERT CADRAIN: ... For young kids. We  
15                  went to White City in Regina...

16                  CARLYLE-GORDGE: ... Uhmmm.

17                  ALBERT CADRAIN: When he walked into the  
18                  ah, I think it's called Mary or saint something,  
19                  ahm, St. Albert?

20                  CARLYLE-GORDGE: Yeah.

21                  ALBERT CADRAIN: A little place in St.  
22                  Albert, there was ah, one hall there full of  
23                  kids...

24                  CARLYLE-GORDGE: ... Uhmmm...

25                  ALBERT CADRAIN: And when he walked in that

1 place, he walked in there like a king. People  
2 knew him like that.

3 CARLYLE-GORDGE: Right, yeah. He was...

4 ALBERT CADRAIN: ... He was a king man.

5 CARLYLE-GORDGE: Uh-huh.

6 ALBERT CADRAIN: He walked around there  
7 proud. People knew him and they respected him.  
8 He was right up there. But he didn't wear suits,  
9 well if he did...

10 CARLYLE-GORDGE: ... What did he wear?  
11 Just casual, jeans.

12 ALBERT CADRAIN: Well, well that time when  
13 I seen him, just the clothes he had eh. He's  
14 probably just ah, a runner boy or something, you  
15 know, someone to buy and pick up and shit like  
16 that.

17 CARLYLE-GORDGE: Yeah. And they nev --  
18 they never found the pants, they said.

19 ALBERT CADRAIN: No they never found the  
20 pants and they never found the jacket I hear of  
21 too probably.

22 CARLYLE-GORDGE: Uhmmm.

23 ALBERT CADRAIN: I don't think they found  
24 anything. But I'm not sure, but I canna figure  
25 that it went into the garbage, because the...

1 CARLYLE-GORDGE: ... Yeah...

2 ALBERT CADRAIN: ... Cops went through that  
3 house and I'm sure they had a hard time because  
4 my mom never did clean up and I'm not much  
5 better, but...

6 CARLYLE-GORDGE: ... Uh-huh.

7 ALBERT CADRAIN: It was bad, it was messy.

8 CARLYLE-GORDGE: Yeah.

9 ALBERT CADRAIN: They couldn't find  
10 nothing.

11 CARLYLE-GORDGE: Ummm. Well they certainly  
12 cleaned up didn't they.

13 ALBERT CADRAIN: Yeah. Made a damn nice  
14 clean up. He was smart.

15 CARLYLE-GORDGE: Cool.

16 ALBERT CADRAIN: Yeah.

17 CARLYLE-GORDGE: D, had, had you seen him  
18 been violent before to women I mean? He said  
19 kept knocking up (unintelligible)...

20 ALBERT CADRAIN: ... Yeah. Can I tell you  
21 something?

22 CARLYLE-GORDGE: Because it was a really,  
23 you know, stabbing. Pretty brutal thing.

24 RICK SHARADE: I'll say.

25 ALBERT CADRAIN: I think...

1 CARLYLE-GORDGE: ... (unintelligible).

2 ALBERT CADRAIN: ... I think...

3 CARLYLE-GORDGE: ... Ever bragged about it  
4 or.

5 ALBERT CADRAIN: No. He wouldn't be that  
6 stupid...

7 CARLYLE-GORDGE: ... No.

8 ALBERT CADRAIN: ... Like you said cool.  
9 Milgaard, if he was 15 and was like popping  
10 virgins left and right like that, and laugh at  
11 them...

12 CARLYLE-GORDGE: ... Uhmmm.

13 ALBERT CADRAIN: ... When a pregnant girl  
14 comes to knocking on a door and says I'm pregnant  
15 what I'm gonna do? And he just turns around and  
16 laughs at this, fuck off bitch. And he keeps on  
17 fucking on top of another girl.

18 CARLYLE-GORDGE: Yeah.

19 ALBERT CADRAIN: In front of all his  
20 friends.

21 CARLYLE-GORDGE: Callous, yeah.

22 ALBERT CADRAIN: Well what kind of a man is  
23 that? Now three, two or three year later if he  
24 never changed, he must be worse, right?

25 CARLYLE-GORDGE: Yeah.

1                   ALBERT CADRAIN: He's got no feelings, he's  
2 a selfish man. He's got no feelings for others.  
3 Do you know what I mean?

4                   CARLYLE-GORDGE: Yeah. Yeah. I know what  
5 you mean.

6                   ALBERT CADRAIN: People...

7                   CARLYLE-GORDGE: ...I just wondered if...

8                   ALBERT CADRAIN: ... either together...

9                   CARLYLE-GORDGE: ... You ever seen him with  
10 a knife before or talking of stabbing or anything  
11 like that.

12                  ALBERT CADRAIN: Never. Never.

13                  CARLYLE-GORDGE: Hmm.

14                  ALBERT CADRAIN: Some guys they sit there  
15 and they brag about how tough they are and what  
16 they do...

17                  CARLYLE-GORDGE: ... That's what I mean,  
18 yeah...

19                  ALBERT CADRAIN: ... He wasn't like that,  
20 no. You know drugs does weird things to weird,  
21 to different people eh. But I know, like I've  
22 taken acid once in my life. Once. And I'll tell  
23 you, he must have been on it.

24                  CARLYLE-GORDGE: Uhmmm.

25                  ALBERT CADRAIN: Because it makes you see

1 things differently.

2 CARLYLE-GORDGE: I've never had acid.

3 ALBERT CADRAIN: Well smart never do it and  
4 I never took it by choice it...

5 CARLYLE-GORDGE: ... Yeah...

6 ALBERT CADRAIN: ... was laid on me.

7 CARLYLE-GORDGE: Right.

8 ALBERT CADRAIN: Someone stuck it in my  
9 coffee.

10 CARLYLE-GORDGE: ... Uhmmm...

11 ALBERT CADRAIN: At the Java Espresso Cafe,  
12 that's the only time.

13 CARLYLE-GORDGE: Yeah. (Laughing)

14 ALBERT CADRAIN: Yeah. Pretty scary now  
15 don't worry...

16 CARLYLE-GORDGE: ...I'm not planning to try  
17 it, I've heard enough about it...

18 ALBERT CADRAIN: ...(unintelligible) do  
19 about that shit.

20 CARLYLE-GORDGE: Yeah.

21 ALBERT CADRAIN: But you know, no there's  
22 way. No.

23 CARLYLE-GORDGE: Sounds pretty weird.

24 ALBERT CADRAIN: The guys guilty.

25 CARLYLE-GORDGE: Did you joke with him

1 about the ah virgin, about the blood.

2 ALBERT CADRAIN: No. I never said...

3 CARLYLE-GORDGE: ...hmmm...

4 ALBERT CADRAIN: Oh yeah I did. I didn't  
5 joke with him. I says hey, got yourself another  
6 virgin eh? And he sort of laughed eh and he  
7 looked at me. And that's why he didn't, probably  
8 why he didn't want her to fuck with me that night  
9 eh? He got pissed off.

10 CARLYLE-GORDGE: ...Uhhmm...

11 ALBERT CADRAIN: Then he went and got  
12 himself another girlfriend in ah, Edmonton or  
13 somewhere else. And he fucking (unintelligible)  
14 my room.

15 CARLYLE-GORDGE: Hmmm.

16 ALBERT CADRAIN: My room...

17 CARLYLE-GORDGE: ...The good old days.

18 ALBERT CADRAIN: Yeah and Ron Wilson was,  
19 slept by himself there. (Unintelligible) you  
20 know. I didn't even know the guy existed on the  
21 trip you know.

22 CARLYLE-GORDGE: And you've never seen him  
23 since.

24 ALBERT CADRAIN: Never. What for. Wasn't  
25 my friend.

1 CARLYLE-GORDGE: No. I mean just run...

2 ALBERT CADRAIN: ... Yeah...

3 CARLYLE-GORDGE: ... Into him though.

4 Discussed it.

5 ALBERT CADRAIN: No.

6 CARLYLE-GORDGE: Right. Well Nichol is  
7 certainly scared still I know that and that could  
8 be for several reasons.

9 ALBERT CADRAIN: She is...

10 CARLYLE-GORDGE: ... Could be for several  
11 reasons.

12 ALBERT CADRAIN: She's -- is she married or  
13 anything?

14 CARLYLE-GORDGE: Yes, she got married, in  
15 fact she's separated.

16 ALBERT CADRAIN: Oh.

17 CARLYLE-GORDGE: Her last name is Demyen.

18 ALBERT CADRAIN: I don't know.

19 CARLYLE-GORDGE: But ah, she's says she  
20 doesn't remember seeing any, do anything and  
21 that's why she retracted the statement and the  
22 police had really given it to her...

23 ALBERT CADRAIN: ... Ah.

24 CARLYLE-GORDGE: ... And made, made her  
25 sign it basically.

1                   ALBERT CADRAIN:   Yup.  I'll tell ya, I  
2                   wouldn't try to ah, I wouldn't try to protect  
3                   her...

4                   CARLYLE-GORDGE:   ... She, she was the eye  
5                   witness too.

6                   ALBERT CADRAIN:   Is that right.

7                   CARLYLE-GORDGE:   Well according to the  
8                   statement which she was (unintelligible).

9                   ALBERT CADRAIN:   Yeah.

10                  CARLYLE-GORDGE:   Yeah.

11                  ALBERT CADRAIN:   Well you know, I'll tell  
12                  you.  I'm -- I'd -- I'd stake my life on it she  
13                  must've seen something because...

14                  CARLYLE-GORDGE:   ... Uhmmm...

15                  ALBERT CADRAIN:   ... she's just too scared  
16                  to talk.

17                  CARLYLE-GORDGE:   That could be.

18                  ALBERT CADRAIN:   Cause she, why wouldn't  
19                  she come for a coffee with me eh, that morning.

20                  CARLYLE-GORDGE:   Uhmm.

21                  ALBERT CADRAIN:   Why was she so scared and  
22                  freaked out but (sound of heavy breathing or  
23                  panting sounds).  Like that, fucking scared.

24                  CARLYLE-GORDGE:   Uhmmm.

25                  ALBERT CADRAIN:   I don't know what for, I

1                   says geez, where did you pick this broad up?

2                   CARLYLE-GORDGE:   Well...

3                   ALBERT CADRAIN:   ... says to Milgaard.

4                   CARLYLE-GORDGE:   Yeah.   What time did you  
5                   leave finally?   When did you get away.

6                   ALBERT CADRAIN:   Well the car got fixed up.  
7                   You see the bank was ah, were going to the bank,  
8                   walked to the bank to get the money eh.

9                   CARLYLE-GORDGE:   Yeah.

10                  ALBERT CADRAIN:   And ah, she was with me  
11                  and then I was gonna stop in for a coffee and she  
12                  didn't want to.   She just wanted to get the hell  
13                  out of fast.   I don't know why.   And ah, the  
14                  garage station was another, about two blocks  
15                  away.

16                  CARLYLE-GORDGE:   Uhmmm.

17                  ALBERT CADRAIN:   And ah, like I said there  
18                  was cops all over the place.

19                  CARLYLE-GORDGE:   (Unintelligible).

20                  ALBERT CADRAIN:   And there's no way that  
21                  she wanted to stop for a coffee.   And the way she  
22                  acted, every time a cop walked right by us, two,  
23                  two inches away from us you know, I looked at...

24                  CARLYLE-GORDGE:   (Unintelligible).

25                  ALBERT CADRAIN:   ... The cop square in the

1 eye and said my look at the fuzz. You know how  
2 tough kids are?

3 CARLYLE-GORDGE: Uh-huh. But she seemed  
4 unusually disturbed.

5 ALBERT CADRAIN: Oh yeah. She didn't like  
6 that when I looked, ah, ah the big detective in  
7 the eyes, square in the eyes and he was walking  
8 by you know, like this and I says eh, look at the  
9 fuzz.

10 CARLYLE-GORDGE: And she wanted to get away  
11 from that.

12 ALBERT CADRAIN: Oh and she wanted to get  
13 away from me.

14 CARLYLE-GORDGE: Uhmmm.

15 ALBERT CADRAIN: When I said that, because  
16 uhm, was bringing heat on her I guess.

17 CARLYLE-GORDGE: Did she sit with David at  
18 all?

19 ALBERT CADRAIN: Not, not after, after...

20 CARLYLE-GORDGE: ... I wouldn't have  
21 thought she want, want to.

22 ALBERT CADRAIN: Yeah. After I sat in the  
23 back and she just, I guess...

24 CARLYLE-GORDGE: ... (unintelligible)...

25 25.

1                   ALBERT CADRAIN: Yeah and he got jealous  
2 and that's when we went shopping and ah, he says  
3 well we need a knife ah, a butter knife to ah, to  
4 buy ah, to ah butter our bread with eh?

5                   CARLYLE-GORDGE: Oh right, that's Rosetown,  
6 right.

7                   ALBERT CADRAIN: Yeah.

8                   CARLYLE-GORDGE: Right.

9                   ALBERT CADRAIN: Or Something.

10                  CARLYLE-GORDGE: Yeah.

11                  ALBERT CADRAIN: And ah I was gonna get  
12 some plastic ah, butter knives. Oh no this,  
13 picked out a paring knife I find out later that  
14 the police said that he murdered with a paring  
15 knife. They found...

16                  CARLYLE-GORDGE: ...That was after the  
17 murder wasn't it?

18                  ALBERT CADRAIN: Yeah.

19                  CARLYLE-GORDGE: And ah..

20                  ALBERT CADRAIN: ...They find out after  
21 that he was...

22                  CARLYLE-GORDGE: ..Yeah, yeah...

23                  ALBERT CADRAIN: That sor -- and then he,  
24 in Calgary he tried to knife me the fucker.

25                  CARLYLE-GORDGE: Hmmm.

1                   ALBERT CADRAIN: He was mad because I took  
2 his girlfriend away.

3                   CARLYLE-GORDGE: Yeah.

4                   ALBERT CADRAIN: And he come out there and  
5 he had a knife and he's sitting there jabbing at  
6 me like crazy. I danced a bit and then he  
7 chickened out.

8                   CARLYLE-GORDGE: Did he borrow money from  
9 you.

10                  ALBERT CADRAIN: Yeah.

11                  CARLYLE-GORDGE: Because they were broke, I  
12 know that.

13                  ALBERT CADRAIN: I never did get it back.

14                  CARLYLE-GORDGE: Uhmmm.

15                  ALBERT CADRAIN: I don't know how much it  
16 was ah, ah maybe around \$80 or so. He said I'll  
17 pay you back when we buy and sell some dope. I  
18 said okay.

19                  CARLYLE-GORDGE: Yeah.

20                  ALBERT CADRAIN: I never did see it, never,  
21 never will.

22                  CARLYLE-GORDGE: Hmmm.

23                  ALBERT CADRAIN: I'm not worry about it  
24 though. Just glad it's all over with.

25                  CARLYLE-GORDGE: Hmmm. Well he's in the

1 right place I guess.

2 ALBERT CADRAIN: Yup he sure is. I don't  
3 know uhm, but when he gets out though, he's  
4 gonna, he's gonna come for me.

5 CARLYLE-GORDGE: Yeah okay.

6 ALBERT CADRAIN: And I don't want no one to  
7 know where I live.

8 CARLYLE-GORDGE: No well that's only fair.  
9 Ah I feel a bit sorry for Nichol too, she ah, had  
10 a hard time.

11 ALBERT CADRAIN: Why she kept her mouth  
12 shut. But they still might try to kill her.

13 CARLYLE-GORDGE: You think so?

14 ALBERT CADRAIN: Yeah.

15 CARLYLE-GORDGE: Uhmmm.

16 ALBERT CADRAIN: I think so because ah, if  
17 she knows...

18 CARLYLE-GORDGE: ... (unintelligible) But  
19 she didn't actually...

20 ALBERT CADRAIN: ... there's always a  
21 chance...

22 CARLYLE-GORDGE: ... She didn't actually  
23 give evidence against him...

24 ALBERT CADRAIN: ... Yeah..

25 CARLYLE-GORDGE: ... Technically, but

1                   actually she did.

2                   ALBERT CADRAIN:    Yeah.

3                   CARLYLE-GORDGE:    Yeah.

4                   ALBERT CADRAIN:    You know I'll tell you.  
5                   There's always a chance that she could come out  
6                   and really talk.

7                   EDITOR'S NOTE:    Appears tape turned on and  
8                   off, change of subject and sound on tape.   Same  
9                   speakers.

10                  ALBERT CADRAIN:    Saw Leonard ah,  
11                  (unintelligible) you know.   Her pot, shit like  
12                  this when we were kids eh.

13                  CARLYLE-GORDGE:    Oh yeah.

14                  ALBERT CADRAIN:    We didn't know different.  
15                  I thought shit, mays well, we had a little extra  
16                  money you know.   I says I think I should get him  
17                  some real pot for a change eh.   Then, so I bought  
18                  him some real pot from ah, from ah, but he, no.  
19                  Getting to this.   We went into the ah, Smitty's  
20                  Pancake house.

21                  CARLYLE-GORDGE:    Uhhmm.

22                  ALBERT CADRAIN:    Now...

23                  EDITOR'S NOTE:    Change of subject and sound  
24                  on tape.   Change of topic.   Same speakers.

25                  ALBERT CADRAIN:    And I got my grade Seven.

1 CARLYLE-GORDGE: Yeah. Which, no I she was  
2 thinking just straighten out the wrong  
3 (unintelligible) that she...

4 ALBERT CADRAIN: ...Oh...

5 CARLYLE-GORDGE: ... Really like to know  
6 what happened to them.

7 ALBERT CADRAIN: She was fucked up.

8 CARLYLE-GORDGE: Okay sure. Well that  
9 could be...

10 ALBERT CADRAIN: ... When I seen her, she  
11 was fucked up.

12 CARLYLE-GORDGE: Could be she was on drugs  
13 too.

14 ALBERT CADRAIN: Yeah. Yeah if he was on  
15 acid which I think he was...

16 CARLYLE-GORDGE: ... Uhmmm.

17 ALBERT CADRAIN: She could have been on  
18 too.

19 CARLYLE-GORDGE: Same thing.

20 ALBERT CADRAIN: You see acid makes you  
21 stay awake all the time.

22 CARLYLE-GORDGE: Uhmmm.

23 ALBERT CADRAIN: For a long time. I think  
24 I'm the only one that slept on the trip. I'm  
25 serious.

1 CARLYLE-GORDGE: Yeah. Well

2 (unintelligible).

3 ALBERT CADRAIN: Because I know that it can  
4 keep you awake for a long time.

5 CARLYLE-GORDGE: Yeah.

6 ALBERT CADRAIN: Stay awake...

7 CARLYLE-GORDGE: ... Well I think that I  
8 believe her that she, she can't remember or else  
9 she didn't see anything.

10 ALBERT CADRAIN: Well I'm not the judge...

11 CARLYLE-GORDGE: ... But the police thinks  
12 she does remember. She remembers the pressure.

13 ALBERT CADRAIN: I, I think so too. Why  
14 would she act the way she did?

15 CARLYLE-GORDGE: Uhmmm.

16 ALBERT CADRAIN: Eh?

17 CARLYLE-GORDGE: Yeah.

18 ALBERT CADRAIN: I mean that's...

19 CARLYLE-GORDGE: ... Yeah.

20 ALBERT CADRAIN: ... that's bullshit. I  
21 wouldn't try to ah, that's bullshit. I mean, I  
22 told Karst, I says, (unintelligible)...

23 CARLYLE-GORDGE: ... she's not, she's not  
24 saying absolutely she didn't see anything, she  
25 saying...

1 ALBERT CADRAIN: ... Yeah...

2 CARLYLE-GORDGE: ... she saying she can't  
3 remember that.

4 ALBERT CADRAIN: Just, maybe trying, scared  
5 shell get into trouble if she, if she rats out...

6 CARLYLE-GORDGE: ... Probably...

7 ALBERT CADRAIN: ... To save her own, her  
8 own neck eh?

9 CARLYLE-GORDGE: Yeah.

10 ALBERT CADRAIN: But it's pretty scary. I  
11 wouldn't wanna be in her boots and see what she  
12 did, if she did.

13 CARLYLE-GORDGE: Well she gave the most  
14 damaging statement.

15 ALBERT CADRAIN: Yeah.

16 CARLYLE-GORDGE: Yeah.

17 ALBERT CADRAIN: Well I, I never heard it,  
18 and never, I -- I don't give a shit, you know.  
19 (Unintelligible).

20 CARLYLE-GORDGE: Hmm. Now where can I  
21 contact Leonard.

22 ALBERT CADRAIN: Leonard.

23 CARLYLE-GORDGE: Is there a number for him.

24 ALBERT CADRAIN: Well I'll have to, I'll  
25 have to talk...

1 CARLYLE-GORDGE: ... I guess you have to  
2 check it out first eh.

3 ALBERT CADRAIN: I'll have to phone him and  
4 ask him.

5 CARLYLE-GORDGE: All right.

6 ALBERT CADRAIN: You know, if it's okay.

7 CARLYLE-GORDGE: Okay.

8 ALBERT CADRAIN: You let me phone him and  
9 ask him.

10 CARLYLE-GORDGE: Sure.

11 ALBERT CADRAIN: And ah.

12 CARLYLE-GORDGE: Is there anybody else, who  
13 was involved at that time you think I might talk  
14 to? That you recall.

15 ALBERT CADRAIN: People in, like I said in  
16 St. Albert. You know, he talked to a few of them  
17 people. He went aside and talked to them when we  
18 went there.

19 CARLYLE-GORDGE: Uh-huh.

20 ALBERT CADRAIN: He's, he's...

21 CARLYLE-GORDGE: ... You wouldn't know  
22 names.

23 ALBERT CADRAIN: No...

24 CARLYLE-GORDGE: ... No...

25 ALBERT CADRAIN: ... But, I, I wasn't

1                   allowed to go close to them especially  
2                   (unintelligible ... those little kids organized.)

3                   CARLYLE-GORDGE:   Amazing what people don't  
4                   know what's going on eh.

5                   ALBERT CADRAIN:   Yeah.   Oh yeah.   You can  
6                   live a whole life, next door neighbour could be a  
7                   real creep.   You don't know.   You don't know what  
8                   goes on.

9                   CARLYLE-GORDGE:   This place at the city  
10                  hall in Regina, what was it like?   Where, where  
11                  they had...

12                 ALBERT CADRAIN:   ... It was on the top  
13                 story.

14                 CARLYLE-GORDGE:   Yeah.

15                 ALBERT CADRAIN:   I think it was, yup, sure  
16                 it was the top story.   And ah, those old, old  
17                 windows eh.

18                 CARLYLE-GORDGE:   Right.

19                 ALBERT CADRAIN:   Ah, there was a window  
20                 here and then there was another room over there  
21                 and a window there.   That's the window they just  
22                 about through me out the window there.

23                 CARLYLE-GORDGE:   Like is it a place where  
24                 you think that they regularly have people.

25                 ALBERT CADRAIN:   Oh yeah.

1 CARLYLE-GORDGE: Yeah.

2 ALBERT CADRAIN: Oh yeah, it's a little  
3 testing place to find out...

4 CARLYLE-GORDGE ... Hmmm...

5 ALBERT CADRAIN: ... who's this or that.

6 CARLYLE-GORDGE: Should be worth looking  
7 into.

8 ALBERT CADRAIN: You're damn rights it  
9 would be. You're darn rights boy.

10 CARLYLE-GORDGE: You don't remember that  
11 judges name do you, when you're on the vagrancy?

12 ALBERT CADRAIN: I betcha you could find  
13 out though.

14 CARLYLE-GORDGE: Yeah.

15 ALBERT CADRAIN: He'd be mixed up in it...

16 CARLYLE-GORDGE: ... Should be worth  
17 probing.

18 ALBERT CADRAIN: And that cop, he'd be,  
19 he'd be on record, it should be. If I was thrown  
20 in jail for it, it might be on record.

21 CARLYLE-GORDGE: Yeah, probably is. No  
22 they destroy them ever so often, minor charges  
23 like that.

24 ALBERT CADRAIN: I sure wish they'd, could  
25 put an end to them creeps. It's all organized

1 crime and it's, it's in here bad.

2 CARLYLE-GORDGE: Uhmmm.

3 ALBERT CADRAIN: Yup. It all comes down to  
4 dope.

5 CARLYLE-GORDGE: Yeah, well...

6 ALBERT CADRAIN: ... Dope dope dope.

7 CARLYLE-GORDGE: Especially in the sixties  
8 too...

9 ALBERT CADRAIN: ... Yeah.

10 CARLYLE-GORDGE: ... there was a lot of  
11 that going on.

12 ALBERT CADRAIN: Yeah but if you got caught  
13 them days it would've been serious eh. If they  
14 would have caught me with a big pile of dope that  
15 ah, the leader of the gang, Richard Bare...

16 CARLYLE-GORDGE: ... Yeah (unintelligible).

17 ALBERT CADRAIN: ... Left on the table..

18 CARLYLE-GORDGE: Yeah.

19 ALBERT CADRAIN: So they called him that,  
20 maybe that's not his name, who knows eh?

21 CARLYLE-GORDGE: Faking it.

22 ALBERT CADRAIN: Yeah. They could have  
23 left it on the table and figured I'd take it and  
24 I'd, I'd probably still be rot, I wouldn't be  
25 still in jail, but I'd be in jail for a long time

1 for nothing.

2 CARLYLE-GORDGE: Right, right.

3 ALBERT CADRAIN: And they still figured  
4 well, were not sure about you so we wanna set you  
5 up for a long time, put you away.

6 CARLYLE-GORDGE: Hmm.

7 ALBERT CADRAIN: Finish you off in jail.

8 CARLYLE-GORDGE: Hmm.

9 ALBERT CADRAIN: Got contacts in jail I'm  
10 sure. So ah --

11 CARLYLE-GORDGE: What about Dennis, do you  
12 think he'd remember any more than you?  
13 (Unintelligible) worth talking to about.

14 ALBERT CADRAIN: Ah...

15 CARLYLE-GORDGE: ... (unintelligible).

16 ALBERT CADRAIN: ... I don't know, there's  
17 the, I'm sure he wrote lots.

18 CARLYLE-GORDGE: Do you think I could phone  
19 him.

20 ALBERT CADRAIN: Sure. I'll get his phone  
21 number for ya.

22 CARLYLE-GORDGE: And he's a year younger  
23 than you.

24 ALBERT CADRAIN: My family, as far as I'm  
25 concerned, my family don't know where I live,

1 with anyone.

2 CARLYLE-GORDGE: All right. Uhmmm.

3 ALBERT CADRAIN: No nobody knows where I  
4 live or what I do. Oh they know what I do, but  
5 they don't know where I live. Somebody phoned  
6 (unintelligible) my mothers house  
7 (unintelligible).

8 CARLYLE-GORDGE: Well that's sounds  
9 reasonable to me.

10 ALBERT CADRAIN: Well I got an unlisted  
11 number and (unintelligible).

12 CARLYLE-GORDGE: Good idea...

13 ALBERT CADRAIN: (Unintelligible)...

14 CARLYLE-GORDGE: ... Good idea to have it  
15 done to.

16 ALBERT CADRAIN: You know, I, I had two  
17 Dobermans but one was so vicious that it would  
18 kill anybody.

19 CARLYLE-GORDGE: They eat a mess of meat  
20 don't they?

21 ALBERT CADRAIN: Oh I have to get, oh I  
22 don't mind that.

23 CARLYLE-GORDGE: Uhmmm.

24 ALBERT CADRAIN: Good protection, good  
25 security but, no I mean my wife got raped eh?

1 CARLYLE-GORDGE: You're kidding?

2 RICK SHARADE: No kidding.

3 ALBERT CADRAIN: Yup, and (unintelligible).

4 CARLYLE-GORDGE: Recently.

5 ALBERT CADRAIN: Ah, about a year and a  
6 half ago. Yup.

7 CARLYLE-GORDGE: Did they get anybody.

8 ALBERT CADRAIN: Oh they raped her. No  
9 they never caught nobody.

10 CARLYLE-GORDGE: Good God.

11 ALBERT CADRAIN: Well planned.

12 CARLYLE-GORDGE: In, in the city.

13 ALBERT CADRAIN: Yup. Another reason why  
14 we moved out here.

15 CARLYLE-GORDGE: Hmmm.

16 ALBERT CADRAIN: (Unintelligible. Sounds  
17 like whistling under the breath.) 914-RA1 -- no,  
18 7101.

19 CARLYLE-GORDGE: In Vancouver?

20 ALBERT CADRAIN: Yup.

21 CARLYLE-GORDGE: Okay.

22 ALBERT CADRAIN: Port Coquitlam. 841  
23 Manning.

24 CARLYLE-GORDGE: He's not, he's not  
25 actually written anything though has he.

1 ALBERT CADRAIN: I think he has.

2 CARLYLE-GORDGE: Did he make notes at the  
3 time.

4 ALBERT CADRAIN: Oh yeah.

5 CARLYLE-GORDGE: Yeah, oh good.

6 ALBERT CADRAIN: And then ah, it'd be nice  
7 if you could get some pictures from Leonard, tell  
8 him, probably feel good that he had them.

9 CARLYLE-GORDGE: You think he still got  
10 some. (Unintelligible).

11 ALBERT CADRAIN: He might. He went through  
12 them, you know, he might find something.

13 CARLYLE-GORDGE: Okay.

14 ALBERT CADRAIN: I asked him on it, he said  
15 ah geez I'd have to look through all my pictures,  
16 he got piles of pictures. He used wanna be a  
17 photographer when he was a kid at that time eh.

18 CARLYLE-GORDGE: Yeah. What's he doing  
19 now.

20 ALBERT CADRAIN: Well now he's a computer,  
21 ah, technician.

22 CARLYLE-GORDGE: Oh.

23 ALBERT CADRAIN: Ya, oh he's, he's got no  
24 education but the guy is so smart.

25 CARLYLE-GORDGE: Well he'd have to have

1 some ah, smarts to do that.

2 ALBERT CADRAIN: Yeah. Oh he's really  
3 smart.

4 CARLYLE-GORDGE: Hmm.

5 ALBERT CADRAIN: He always was. But when  
6 it comes to, some people are smart in other  
7 things eh, but he was sure dumb when he took that  
8 camera and he started taking pictures in that  
9 house. That's where it all started. Probably  
10 would not have been a murder, if it wasn't for  
11 that, what I figure out. See, probably wouldn't  
12 have been a murder if he would've taken the  
13 camera went click, click, click, click, click,  
14 click, click, click, click in that little hippie  
15 house. Because then they thought we were  
16 informers eh.

17 CARLYLE-GORDGE: Yeah.

18 ALBERT CADRAIN: And then they found out I  
19 knew Milgaard and then Milgaard had to prove his  
20 innocence and he's too scared to kill me so he  
21 had to set me up, and it only happened a block  
22 and half from my house. Please showed me after  
23 where, where it all happened eh.

24 CARLYLE-GORDGE: Uhmmm.

25 ALBERT CADRAIN: And they look at the

1 expressions on my face and shit like that eh.

2 CARLYLE-GORDGE: To see how you re-acted.

3 ALBERT CADRAIN: Well ya.

4 CARLYLE-GORDGE: Aha.

5 ALBERT CADRAIN: Yeah I've been put through  
6 the mill with the police. But they treated me  
7 good and they gave me all the protection I needed  
8 after that, you know. And they still do protect  
9 me, like when she was trying to find me?

10 CARLYLE-GORDGE: Yeah.

11 ALBERT CADRAIN: And Milgaard's mother...

12 CARLYLE-GORDGE: ... Mother ya ..

13 ALBERT CADRAIN: ... They protected me.  
14 They know very damned well. The sperm, you know,  
15 they took a sperm test of Milgaard, come inside  
16 her, her body...

17 CARLYLE-GORDGE: ... Miller's body, yeah.

18 ALBERT CADRAIN: Yeah and they said it  
19 matched up exactly.

20 CARLYLE-GORDGE: It did.

21 ALBERT CADRAIN: It sure did.

22 CARLYLE-GORDGE: Because they didn't charge  
23 him with rape they charged him with murder  
24 proper.

25 ALBERT CADRAIN: Yeah. But it was a

1           vicious murder rape. That's what it was. See a  
2           lot of stuff didn't come out that should have.

3           CARLYLE-GORDGE: Well that didn't come out.

4           ALBERT CADRAIN: No, I know it didn't come  
5           out. But what the police told...

6           RICK SHARADE: ... How did you hear about  
7           that if it didn't come out, I'm just curious.

8           ALBERT CADRAIN: The police tell me this.  
9           The police told me. You see. He kept a lot of  
10          stuff under the table, I don't know why. But you  
11          could be sure that these ah like ah, I talked to  
12          Karst eh? He came to see (unintelligible)...  
13          Albert (unintelligible) ... that you. He says  
14          ah, you helped us lots and ah, you don't have to  
15          do no more for the city.

16          RICK SHARADE: Under the transcript, ahm,  
17          they ahm, (unintelligible ... repeater ...) You  
18          could be really, you know, here's a real  
19          interesting situation, I'm gonna put in my book.

20          ALBERT CADRAIN: Uhmmm.

21          RICK SHARADE: And I say great.

22          CARLYLE-GORDGE: Well, I, I've the feeling  
23          none of this (unintelligible) came out, why put  
24          it in the...

25          ALBERT CADRAIN: ... Uhmmm...

1 CARLYLE-GORDGE: ... Sperm samples and so  
2 on.

3 ALBERT CADRAIN: Yeah.

4 UNKNOWN MALE: But in the transcript it  
5 says ah, there is ah, I (unintelligible) two  
6 knives...

7 ALBERT CADRAIN: ... Uhmmm...

8 UNKNOWN MALE: ... Found at the scene  
9 underneath. Then only one showed up at the  
10 trial.

11 CARLYLE-GORDGE: (Unintelligible).

12 RICK SHARADE: And ah...

13 CARLYLE-GORDGE: ... But they weren't sure  
14 actually, uhm...

15 ALBERT CADRAIN: ... Well maybe.

16 CARLYLE-GORDGE: ... What was what.

17 ALBERT CADRAIN: Maybe we got a Mafia right  
18 in Saskatoon too.

19 CARLYLE-GORDGE: Long hooks, long  
20 tentacles.

21 ALBERT CADRAIN: You see, now a days it's  
22 pretty hard to trust anybody.

23 CARLYLE-GORDGE: Oh yeah.

24 ALBERT CADRAIN: You know. I have been and  
25 I don't give a shit. But ah, I will not lie or

1 do anything to help to get that bastard out of  
2 jail.

3 CARLYLE-GORDGE: Uhmmm.

4 ALBERT CADRAIN: Because at see, I may take  
5 a rope and hang it from the ceiling and hang  
6 myself. (Unintelligible) let that fucker out  
7 because he's gonna, he's gonna ruin my life, and  
8 hell kill my kids or my wife or you know. He's  
9 not free. You know what I mean?

10 CARLYLE-GORDGE: (Unintelligible).

11 ALBERT CADRAIN: He's not, he's not free  
12 even if he's free.

13 CARLYLE-GORDGE: Uh-huh.

14 ALBERT CADRAIN: Because I know he's type  
15 of guy to get revenge. I don't even know for  
16 sure if he knows that a got a \$2,000 reward.

17 CARLYLE-GORDGE: Probably wouldn't, I don't  
18 see how he would.

19 ALBERT CADRAIN: Well, I don't think so.

20 CARLYLE-GORDGE: Yeah.

21 ALBERT CADRAIN: But you see his mother was  
22 sure trying to find out. You can tell her I  
23 don't give a shit, she probably knows now but ah,  
24 you know, I would do it for nothing. If I seen  
25 something happen, something wrong happen again...

1 CARLYLE-GORDGE: ... Uhmmm...

2 ALBERT CADRAIN: ... I would go straight to  
3 the police. I'll tell you boy, I would not ever  
4 wanna go through that shit again.

5 CARLYLE-GORDGE: I don't blame you.

6 ALBERT CADRAIN: And she was trying to get  
7 a court case that bastard out. You think...

8 CARLYLE-GORDGE: ... it's, it's to, it's  
9 too long ago to that now.

10 ALBERT CADRAIN: Well, I'll tell ya another  
11 thing the police told me, he says, don't worry  
12 Albert, he's a lifer. (Unintelligible) this.  
13 They'll always find a way to keep him in.

14 CARLYLE-GORDGE: To keep him in, yeah.

15 ALBERT CADRAIN: Why did he break out so  
16 many times? They let him. They let him break  
17 out. Yeah. Oh yes, he gets five years added...

18 CARLYLE-GORDGE: ... He did get out two or  
19 three times, yeah, yeah.

20 ALBERT CADRAIN: About four times.

21 CARLYLE-GORDGE: Yes.

22 ALBERT CADRAIN: Every time you break out  
23 you get another five years added.

24 CARLYLE-GORDGE: Uhmmm.

25 ALBERT CADRAIN: Okay. And they make sure

1 he breaks out. They get these fuckers to beat  
2 the shit out of him probably a couple of times,  
3 breaks out.

4 CARLYLE-GORDGE: Interesting point. Hmmmm.

5 ALBERT CADRAIN: Oh yeah. So he's a lifer.  
6 He got contacts. I don't trust them, those cops.  
7 I, you know you gotta have law and order, you  
8 cannot run a world without.

9 CARLYLE-GORDGE: Uhmmm.

10 ALBERT CADRAIN: But there's crooked ones  
11 in there too.

12 CARLYLE-GORDGE: I know.

13 ALBERT CADRAIN: (Unintelligible) crooked  
14 (unintelligible) they're making their bucks.  
15 Yeah, they're, they're rotten ones in there,  
16 rotten ones here too. Everywhere.

17 CARLYLE-GORDGE: Yeah. So that, they knew  
18 that about the sperm anyway, I think...

19 ALBERT CADRAIN: Uhmmm. Yes sir. That  
20 matched but I guess there wasn't really enough  
21 proof to really prove it, maybe to prove that he  
22 screwed her, but it didn't prove that he killed  
23 her.

24 CARLYLE-GORDGE: Yeah.

25 ALBERT CADRAIN: You know what I mean.

1 CARLYLE-GORDGE: Right. That's it.

2 ALBERT CADRAIN: It proves that he screwed  
3 her, but, you know, it doesn't prove that  
4 (unintelligible).

5 CARLYLE-GORDGE: ...That could have been  
6 before or something, yeah.

7 ALBERT CADRAIN: That's right.

8 CARLYLE-GORDGE: Yeah.

9 ALBERT CADRAIN: So they probably just left  
10 that out eh? Oh yeah, hey, they got everything  
11 figured right down to the tee, but --

12 CARLYLE-GORDGE: Do you know any other  
13 things like that that didn't come out in the  
14 trial?

15 ALBERT CADRAIN: Ah...

16 CARLYLE-GORDGE: ... (unintelligible)  
17 investigation.

18 ALBERT CADRAIN: I don't know, like li...

19 CARLYLE-GORDGE: ... We know they didn't  
20 find anything in the car but, you know, like  
21 semen or hair.

22 ALBERT CADRAIN: I remember him telling ah,  
23 telling Ron, when I last seen him, that ah, when  
24 they get to Regina they gotta clean the car.

25 CARLYLE-GORDGE: Uh-huh.

1                   ALBERT CADRAIN: Vacuum the car. Like I  
2 remember him saying that, but I think I said that  
3 in the court case too. Maybe I didn't, I don't  
4 know.

5                   CARLYLE-GORDGE: I don't remember it, but  
6 maybe you did. I'll check...

7                   ALBERT CADRAIN: Maybe I didn't. But I  
8 remember him telling him that and uhm, for sure.

9                   CARLYLE-GORDGE: Uh-huh.

10                  ALBERT CADRAIN: But ah, (unintelligible).  
11 I'm trying to think, oh yeah and the dope in ah,  
12 Calgary, we went and picked up some dope in  
13 Calgary.

14                  CARLYLE-GORDGE: Uh-huh.

15                  ALBERT CADRAIN: Walk in this one place, oh  
16 what a place, I'm telling you. And ah. Someone  
17 must have ratted on us or something. Because ah,  
18 ah, (unintelligible) Somebody must have squealed  
19 on us or something because we waited, it was  
20 downtown Calgary someplace and bought some dope  
21 eh.

22                  CARLYLE-GORDGE: Yeah.

23                  ALBERT CADRAIN: He bought it.

24                  CARLYLE-GORDGE: Uh-huh.

25                  ALBERT CADRAIN: With my money and ah, we

1           took off and ah, I think we only went about four  
2           blocks. And he was slick, this guy. He grabbed  
3           all the dope, just like this when the cops  
4           stopped us. Just like this, whooooosh. All the  
5           dope, here just like that. Went like this, in  
6           his hand, opened the door, you, you turn around  
7           and waited just the right time, soon as the cop,  
8           stuck before the cop did stopped us eh.

9                   CARLYLE-GORDGE: Uhmmm.

10                   ALBERT CADRAIN: And ah, as soon as he  
11           waited for the right time, he opened the door,  
12           like this, wheew, under the car.

13                   CARLYLE-GORDGE: Very professional.

14                   ALBERT CADRAIN: Oh boy he was good when it  
15           comes to shit like that, you know. And they  
16           cleaned out our car, completely...

17           (End of tape)

18                   MR. HODSON: That is the end of that  
19           transcript, Mr. Commissioner, and I think that's  
20           our day.

21                   COMMISSIONER MacCALLUM: Thank you. 10:00  
22           tomorrow.
